KEY TRANSIT FACTORS

♄ Saturn ☿ Quincunx ☉ natal Sun ★

Right now you feel **slightly out of sync with your own plans**, as if the effort you put in doesn't quite match what actually happens. *Saturn* is creating friction with your *Sun*, making you notice where you've been overcommitting or underestimating what tasks really take. These days you're more likely to step back and question whether you're spending your time and energy on things that actually matter to you.

♇ Pluto ♂ Conjunction ♆ natal Neptune

You may find yourself **questioning beliefs or systems you've relied on** right now, as your usual sense of certainty starts to feel thin. What used to comfort you — a routine, a relationship dynamic, a way of thinking — can suddenly look hollow or false from your perspective. This confusion is uncomfortable but honest, and it typically clears once *Pluto* moves past your *Neptune*.

♀ Venus ♂ Conjunction ♆ natal Neptune

You may find yourself **drawn to people who seem more interesting or attractive than they actually are**, and it takes real effort to see them clearly right now. Your taste in music, art, or aesthetics becomes softer and more sentimental while this lasts, which can feel pleasant but also make you less critical. Over the coming weeks, check in with yourself about whether your feelings match reality or if you are filling in blanks with what you hope to find.

♊ NNode ♂ Opposition ♇ natal Pluto

Right now you are **resisting changes that feel necessary but threatening**. You want to stay in control of situations that are slipping away, and that grip is making you anxious and irritable with people around you. Over the coming weeks, the more you push back against what needs to shift, the more friction you will create in your relationships and work.

♀ Venus ♂ Opposition ♂ natal Mars

Right now you're caught between what you want and what others want from you, and the clash is hard to ignore. You feel **restless and irritable** when people don't match your pace or energy, and you're more likely to snap or push back instead of finding middle ground. These days your relationships and attractions carry more friction than usual, and it takes real effort to slow down enough to actually listen.

☉ Sun ☐ Square ♆ natal Neptune

Right now you are likely to **confuse what you want with what you imagine you want**, making it hard to set realistic goals or stick to decisions. People around you may seem unreliable or evasive, and you might notice yourself doing the same thing without meaning to. This period asks you to slow down and write things down before acting, because your usual sense of what is real gets cloudy.

› Moon ☐ Square ♀ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.

› Moon * Sextile ♀ Venus

Right now you find it easier to **express what you actually feel** without worrying what others will think. People around you respond well because you seem more genuine and relaxed than usual. This is a good period to have honest conversations or do something kind for someone close to you.

LUNAR DAY

Moon in ♋ Pisces · Day 8 / 30 · First Quarter

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
