## KEY DATE

### ☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

## KEY TRANSIT FACTORS

### ☉ Sun △ Trine ☾ natal Moon ★

Right now you find it easier to **trust your gut feelings** and act on them without second-guessing yourself. Your emotional needs and practical decisions are lining up well, so you feel more settled and confident in what you want. Over the coming weeks, people around you will likely notice you seem calmer and more genuine than usual.

### ♂ Mars △ Trine ♁ natal NNode

You're finding it easier to take action on things that actually matter to you right now. **You move forward with less self-doubt**, and people respond well to your directness and confidence. Over the coming weeks, opportunities show up because you're willing to try things that align with what you genuinely want.

### ☉ Sun ♂ Conjunction ♃ natal Jupiter

Over the coming weeks, you feel more **confident in your own judgment** and less likely to doubt your decisions. You probably say yes to opportunities that normally make you hesitant, and you find it easier to speak up in social or professional situations. This confidence is real, though it can fade once the transit passes, so use it to do things that genuinely matter to you.

### ☿ Mercury ♂ Opposition ♀ natal Venus

These days you're more likely to say something that irritates people you care about, even when you don't mean to. Your words feel blunt and critical right now, and **you struggle to find the soft way to say hard things**. Over the coming weeks, you may notice that conversations about feelings or shared plans turn awkward or tense because what you're thinking doesn't match what you're hearing from others.

### ♀ Venus ♂ Opposition ♀ natal Venus

You're likely to feel **dissatisfied with your relationships and how others treat you** right now, even if nothing has actually changed. What you normally accept from your partner or friends suddenly feels unfair or emotionally off. These days your own needs feel invisible, and you may swing between giving too much and withdrawing entirely.

### ☿ Mercury Rx · ♄ Capricorn

Professional communications and career-related decisions are prone to misalignment right now. Contracts, applications, or plans that seemed finalized may need revisiting before they are acted on. The careful checking you do now prevents public errors later.

### ♂ Mars Rx · ♊ Gemini

Energy scatters across too many directions right now, making sustained effort on a single goal unusually difficult. Arguments or miscommunications can flare up without clear cause, and the frustration of divided attention builds quickly. Choose one or two priorities and protect them from the rest during this period.

### ☉ Sun ☌ Quincunx ♂ Mars

At the moment, you feel driven to act but something keeps pulling your attention in a different direction, making it hard to move forward with any single plan. Your usual way of doing things no longer feels quite right, and you have to keep adjusting your approach as you go. This mismatch between what you want to do and what actually works creates a practical friction that requires patience and small corrections rather than big changes.

### ☉ Sun ☐ Square ♃ Chiron

Right now you are more aware of your own weak spots and past hurts, which makes it harder to feel confident in what you're doing. You might find yourself **second-guessing your choices** or feeling like you're not good enough, even when you're performing well. This psychological self-doubt is temporary, but it takes real effort to push through it and keep moving forward.

### ☉ Sun ▲ Trine ♁ NNode

Right now you find it easier to **do what actually suits you** instead of what you think you should do. People around you notice you seem more confident in small choices, like speaking up in meetings or trying something new without overthinking it. This period supports you in building habits and friendships that feel genuinely right for your life.
