KEY TRANSIT FACTORS

♁ Chiron □ Square ♀ natal Venus

You may feel rejected or inadequate in your relationships right now, picking up on small slights and interpreting them as proof that you're not lovable. Your usual warmth and charm feel blocked, making it harder to ask for what you want or to enjoy physical affection without second-guessing yourself. Over the coming weeks, this discomfort pushes you to stop abandoning your own needs in order to keep people happy.

♆ Neptune * Sextile ♁ natal Uranus

Over the coming weeks, your **creative thinking becomes unusually practical** — you find ways to bring odd ideas into real projects instead of just imagining them. You're drawn to trying unconventional approaches to familiar problems, and right now people actually listen because your suggestions make sense. This is a good time to experiment with new methods at work or tackle a personal project you've been avoiding because it seemed too different.

♊ NNode △ Trine ♀ natal Venus

Right now you find it easier to **say what you actually want in relationships** instead of hiding your needs. People respond well to your honesty because you're not aggressive about it, just clear. Over these coming weeks, you may notice others treating you with more warmth and respect when you show up as your authentic self.

♊ NNode △ Trine ♂ natal Mars

Right now you're finding it easier to take direct action on things that matter to you, and people respond well to your straightforward approach. Your **confidence and willingness to speak up** feel natural rather than forced, making it simpler to pursue what you actually want instead of holding back. Over the coming weeks, you're likely to move forward on goals or conversations you've been sitting on, and the timing works in your favour.

♂ Mars * Sextile ♊ natal NNode

You're finding it easier to take action on things that actually matter to you right now. **You speak up more directly** in conversations and situations where you've normally held back, and people respond well instead of shutting you down. Over the coming weeks, small risks you take—like saying no, trying something new, or standing up for what you want—tend to work out, giving you real momentum toward goals that feel genuinely yours.

☉ Sun ∠ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

› Moon ☾ Opposition ♀ Venus

At the moment, you feel disconnected from what usually makes you happy, and this can push you toward picking fights or withdrawing from people you care about. Your emotional needs and what others want from you are pulling in opposite directions, so small frustrations in relationships tend to blow up. This friction is real—use it to notice where you are actually unhappy rather than blaming the other person.

› Moon ☾ Opposition ♄ Saturn

Right now you feel like people around you are pulling away or becoming more critical, and it's hard not to take it personally. **You're more aware of what you're lacking** — your mistakes feel bigger, your efforts feel smaller, and reassurance from others doesn't stick. These days the emotional support you need feels distant or conditional, so you're likely to withdraw or work harder to prove yourself, which only makes the heaviness worse.

LUNAR DAY

Moon in ♎ Libra · Day 12 / 30 · First Quarter

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
