KEY DATE

♇ Pluto stations Retrograde

When *Pluto* stations retrograde, expect **delays or reversals** in situations involving power, money, or control — contracts may stall, workplace dynamics shift, or financial decisions get reconsidered. *Pluto* retrograde typically brings **hidden information to light**, so old problems resurface and you notice patterns you missed before, especially around who has influence over what. Over the next months, **internal work matters more than external action** — pushing hard on big changes usually backfires, but reviewing past choices and adjusting your approach actually works.

KEY TRANSIT FACTORS

☉ Sun △ Trine ☾ Moon ★

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

♂ Mars △ Trine ♆ natal Neptune

These days you find it easier to **act on creative ideas** without getting stuck in doubt or overthinking. Your instinct and intuition are working together, so you can move forward on projects that usually feel too vague or risky. Over the coming weeks, this practical confidence in your imagination can produce real results in art, music, writing, or any work that needs both vision and follow-through.

♂ Mars * Sextile ♂ natal Mars

Right now you find it easier to **take direct action without second-guessing yourself**. You have more physical stamina and your decisions feel clearer, so tasks that seemed difficult before now move forward quickly. This period supports you in pushing past obstacles that have been holding you back at work or in personal projects.

♂ Mars * Sextile ♀ natal Venus

Right now you find it easier to **take initiative in relationships and express what you want** without overthinking or holding back. You feel more confident approaching people socially, whether that means starting conversations, making plans, or letting someone know you are interested in them. This practical confidence tends to smooth things out because you are direct without being aggressive, and people respond well to your straightforward warmth.

☿ Mercury qx Quincunx ♇ natal Pluto

Right now your mind is picking up on uncomfortable truths that you normally ignore, and you feel compelled to talk about them even though it makes conversations awkward. You may notice **your words come across more bluntly than usual**, especially about other people's behaviour or secrets, which can create friction in relationships. Over these coming weeks, you'll do better if you pause before speaking and ask yourself whether what you're about to say actually needs to be said right now.

♄ Chiron ♁ Quincunx ♄ natal Chiron

Over the coming weeks, you might notice old hurts or tender spots suddenly feel awkward or misaligned in new situations. You're **reassessing how you've handled past pain**, and what worked before may not fit anymore. This mismatch can feel uncomfortable, but it's actually showing you where your coping strategies need to shift.

♃ Jupiter Rx · ♏ Scorpio

Expansion in areas involving depth, transformation, and shared resources pauses for honest reassessment right now. Past investments — financial, emotional, or psychological — return to attention and require evaluation. Research and deeper understanding serve you better during this period than new initiatives.

☉ Sun ♂ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

☉ Sun ♀ Opposition ♃ Jupiter

Right now you are more likely to overcommit and say yes to things you cannot actually do. Your confidence is high but your realistic assessment of time and resources is low, which creates practical problems down the line. The gap between what you promise and what you deliver becomes **harder to hide**, and people around you start to notice the disconnect.
