KEY TRANSIT FACTORS

♊ NNode qx Quincunx ☾ natal Moon ★

Over the coming weeks, you'll notice your usual emotional comfort habits don't quite work the way they normally do. You might feel pulled toward new social connections or group activities that don't match your typical preference for familiar people, leaving you **restless and slightly off-balance**. The mismatch between what feels safe emotionally and what seems important to pursue socially will gradually push you toward small changes in how you relate to others.

♀ Venus ☌ Opposition ♊ natal NNode

Right now you're drawn to people and situations that feel comfortable but pull you away from what actually matters to you. You might find yourself **choosing ease over growth**, saying yes to social plans or relationships that don't align with your real values. This mismatch between what feels good in the moment and what you know you need creates frustration that builds over these coming weeks.

♄ Saturn ☐ Square ♁ natal Chiron

Right now you are **more aware of your own limitations and past hurts**, which makes it harder to brush them off or move past them quickly. You may feel blocked when trying to help others or do work that normally feels meaningful, because old doubts about your capability are surfacing. Over the coming weeks, facing these uncomfortable feelings directly, rather than avoiding them, is what will actually move you forward.

☾ Moon ∟ Semi sextile ♆ natal Neptune

Over the coming weeks, you find it easier to **listen to what others really mean** rather than just their words, picking up on hints and feelings they do not say out loud. Your intuition about people's situations becomes surprisingly accurate during this period, and you naturally offer comfort that lands exactly where it is needed. This gentle support from the *Moon* and *Neptune* helps those around you feel understood without you having to try hard.

☾ Moon qx Quincunx ♂ natal Mars

Right now your emotional needs and your desire to act are out of step with each other. You might feel frustrated because you want to do something but your mood keeps pulling you in a different direction, or you start projects when you are not actually ready for them. This **awkward mismatch between feeling and doing** tends to fade over the coming weeks, but while it lasts you will work better if you check in with yourself before pushing forward.

♄ Saturn Rx · ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ∟ Semi sextile ♿ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun ♂ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.
