KEY TRANSIT FACTORS

♂ Mars ☌ Conjunction ☉ natal Sun

Right now you have more **physical drive and directness** than usual, and you're quicker to act on what you want. You may push harder on projects or speak up more bluntly in conversations because your patience for delays has dropped. Watch whether this gets you closer to your goals or whether it creates friction with people around you.

☾ Moon ☌ Quincunx ♆ natal Neptune

Over the coming weeks, you may find it harder than usual to trust your own feelings or to know what you actually want in a situation. Your mood and your practical needs seem to be pulling in different directions, leaving you **uncertain about which one to follow**. This confusion usually passes once the transit moves on, but while it lasts you might make decisions you later question or feel emotionally scattered without a clear reason why.

♂ Mars ☌ Semi sextile ♁ natal NNode

These days you feel more **direct and purposeful about pursuing what matters to you**, without the usual second-guessing. *Mars* is giving you a practical push to act on the interests and connections that actually fit who you are. Over the coming weeks, small steps forward in the right direction will feel easier and more natural than they usually do.

☾ Moon ☌ Semi sextile ♂ natal Mars

You're feeling **quietly more decisive** these days, and small tasks that usually feel tedious become easier to start. Your emotional state and your drive are working together instead of against each other, so you follow through on what matters without the usual inner resistance. This gentle alignment between *Moon* and *Mars* gives you just enough momentum to turn intentions into action over the coming weeks.

♀ Venus ☌ Square ♁ natal Chiron

Right now you're more aware of what you're not getting from the people close to you, and it stings more than usual. You might find yourself **withdrawing from social situations or feeling rejected** even when no one has actually hurt you. Over the coming weeks, this discomfort is pointing you toward recognizing where you've settled for less affection or respect than you actually need.

☉ Sun ☌ Conjunction ☾ Moon

These days you feel more **aligned between what you want and what you feel**. Your emotional needs and your sense of direction match up, so you act with fewer doubts and less second-guessing yourself. This is a practical advantage when you need to make a choice or move forward on something that matters to you.

☉ Sun ☌ Trine ♆ Neptune

These days you feel **more comfortable being yourself around others** without needing to explain or defend who you are. People respond better to you right now because you're relaxed enough to listen to what they actually need instead of pushing your own agenda. This period favors creative work, gentle conversations, and situations where you can help someone without it costing you anything.

› Moon ☾ Semi sextile ☿ Mercury

These days your thoughts and feelings are **naturally aligned**, so what you say matches what you actually feel inside. You find it easier to explain what is bothering you or what you need without getting confused or defensive. This makes conversations smoother because people understand you the first time instead of having to guess what you mean.

LUNAR DAY

Moon in ♌ Leo · Day 30 / 30 · Waning Crescent

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
