♁ North Node	in	♎ Libra	9°27'41"	VIII Rx
♁ Lilith	in	♌ Leo	7°56'00"	VII

## KEY TRANSIT FACTORS

### ☿ Mercury ☐ Quincunx ☾ natal Moon · peak 3 Sep ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

### ☉ Sun △ Trine ☾ natal Moon · peak 1 Sep ★

Right now you find it easier to **trust your gut feelings** and act on them without second-guessing yourself. Your emotional needs and practical decisions are lining up well, so you feel more settled and confident in what you want. Over the coming weeks, people around you will likely notice you seem calmer and more genuine than usual.

### ♇ Pluto ☐ Square ♂ natal Mars · peak 2 Sep

You are feeling blocked when you try to act on what you want, and small frustrations can trigger **sudden intense anger** that surprises even you. Your usual way of getting things done meets resistance from other people or from circumstances, leaving you feeling powerless and resentful. Over the coming weeks, you will need to pay attention to where you are actually pushing too hard instead of assuming others are the problem.

### ♇ Pluto ☐ Square ♀ natal Neptune · peak 8 Sep

Over the coming weeks, you may find it harder to trust your own intuition and judgment because reality keeps contradicting what you thought you understood. **You question everything you believed about people and situations**, which leaves you feeling unstable and uncertain about what is actually true. This period asks you to rebuild your sense of what is real by paying close attention to facts instead of relying on hopes or assumptions.

### ♅ Uranus ★ Sextile ♁ natal Uranus · peak 17 Sep

You find yourself **more willing to try new approaches** to problems that have frustrated you before. These days, you can spot practical changes that might actually work without overthinking them. Over the coming weeks, this clarity makes it easier to break free from routines that no longer fit your life.

### ♁ NNode ☐ Square ♁ natal NNode · peak 17 Sep

Right now you feel pulled in two directions about what you should be doing with your time and energy. You might say yes to commitments that conflict with each other, or feel **restless and unable to settle** on a clear priority. Over the coming weeks, this confusion usually pushes you to make a hard choice about which direction actually matters to you.

### ♃ Jupiter ☉ Opposition ☾ natal Moon · peak 7 Sep

Right now you're likely feeling **emotionally restless and dissatisfied** with your current situation, even when things are objectively fine. You may overcommit yourself or make promises you can't keep because you're chasing something bigger without checking what you actually need. Over the coming weeks, your impatience with small comforts or familiar routines could strain your closest relationships if you're not honest about what's driving this urge to escape.

### ♁ NNode \* Sextile ☉ natal Sun · peak 9 Sep

Over the coming weeks, you find it easier to **say yes to opportunities that actually fit who you are**. People seem to notice your confidence and invite you into situations where you can be yourself without pretending. This is a practical window to take on roles or projects that match your actual strengths rather than what you think you should be doing.

### ♃ Jupiter \* Sextile ☉ natal Sun · peak 22 Sep

These days you feel more **confident in yourself** and people around you seem to notice it too. You're more willing to take on new projects or speak up in situations where you'd normally hold back, and things tend to work out better than expected. This period is ideal for asking for what you want—whether that's at work, in relationships, or for a personal goal—because you're coming across as genuinely assured rather than pushy.

### ♃ Jupiter ∟ Semi sextile ♁ natal NNode · peak 20 Sep

Over the coming weeks, you find yourself **naturally gravitating toward people and situations that align with what you actually want**. Small opportunities appear that feel less forced than usual, and you notice you say yes to invitations or ideas without overthinking them. This isn't luck so much as you being more willing to take a chance on something that feels right, even if you can't fully explain why.

### ♃ Jupiter \* Sextile ♃ natal Jupiter · peak 11 Sep

Right now you're feeling **naturally confident about your abilities**, and opportunities seem to come your way with less effort than usual. You're more likely to say yes to things, take on new projects, or expand something that's already working in your life. Over the coming weeks, this optimism tends to be grounded enough that your decisions pay off rather than lead you astray.

### ♆ Neptune qx Quincunx ♀ natal Venus · peak 30 Sep

Over the coming weeks, you may feel **unsure about what you actually want in your relationships**, making it hard to know if you're genuinely attracted to someone or just imagining the connection. Your romantic or social preferences seem to shift without warning, leaving you confused about your own taste and boundaries. This fog usually lifts once *Neptune* moves on, so avoid making big commitment decisions while this lasts.

### ♄ Lilith ♂ Conjunction ♃ natal Jupiter · peak 1 Sep

You feel less interested in following rules right now, and you're more willing to say no to people who usually get their way with you. This can feel like freedom, but it also means you might overcommit to things that sound exciting or skip important practical steps because you're **chasing novelty and pushing boundaries**. Over the coming weeks, watch whether you're making real choices or just rebelling for the sake of it.

### ♅ Uranus ♂ Conjunction ♇ natal Pluto · peak 1 Sep

You feel a strong urge to break free from situations you've tolerated for too long, and you're willing to act on it even if the consequences are unpredictable. **Your tolerance for compromise drops sharply**, and you may push back harder than usual against anything that feels controlling or confining. Over the coming weeks, expect sudden changes in how you handle power dynamics at work or in relationships, or a decision to walk away from something you've outgrown.

### ♃ Jupiter qx Quincunx ♄ natal Saturn · peak 1 Sep

Over the coming weeks, you feel caught between wanting to expand and needing to play it safe. You might say yes to an opportunity at work or in a relationship, then immediately feel anxious about whether you can actually handle it. **This creates a practical tension where you're pulling yourself in opposite directions**, making it hard to commit fully to new plans or let yourself relax into them.

## LUNATIONS

---

○ Full Moon · Friday, 3 Sep

### in ♋ Pisces

emotional release, endings, heightened sensitivity

### in H1 — Self & Identity

Something significant about your identity and self-presentation is coming to a head. A situation that has been developing is now reaching a **turning point involving your confidence, independence, or personal direction**. Others see you clearly now — which can bring recognition but also reveals whatever you've been projecting unconsciously. Decisions made at this peak about how you want to show up in the world will carry lasting weight. Your personal needs deserve to come first.

● New Moon · Saturday, 18 Sep

in ♍ Virgo

practical renewal, health habits, daily routines

in H8 — Transformation

A new cycle around **deep transformation, shared resources, and what lies beneath the surface** is beginning. Financial matters involving joint money, inheritance, or debt may need fresh attention. On a deeper level, this lunation invites you to release something that no longer serves you and commit to genuine change. What you begin here has the potential to fundamentally alter how you use power, handle intimacy, and relate to loss and renewal.

#### KEY DATES

**Wed, 1 Sep** ♁ Lilith ☿ Conjunction ♃ natal Jupiter

♅ Uranus ☿ Conjunction ♇ natal Pluto

**Thu, 2 Sep** ♇ Pluto ☐ Square ☿ natal Mars

**Fri, 3 Sep** ♄ Chiron stations Retrograde

Full Moon in Pisces

*Chiron* stationing retrograde tends to bring **old wounds or insecurities back into focus**, making you notice patterns you thought you'd moved past—in relationships, work, or how you handle rejection. During this period, **progress on healing or learning slows down**, and you may find yourself revisiting past failures or setbacks rather than moving forward with new skills or confidence. In practical terms, this is a good time to **review what didn't work before** and adjust your approach, though expect frustration if you're trying to push ahead quickly.

**Sun, 5 Sep** ♅ Uranus ✕ Sextile ♅ natal Uranus

**Mon, 6 Sep** ♆ Neptune stations Direct

*Neptune* stationing direct means **confusion clears up** in areas where you've been stuck or uncertain — contracts, creative projects, or health decisions start moving again instead of feeling frozen. People often notice they can **see reality more clearly** now, especially about situations they've been avoiding or romanticizing, so you might finally act on something you've been postponing. *Neptune* direct also **restarts forward momentum** in your intuition and imagination, making it easier to finish creative work or set clearer boundaries in relationships rather than staying tangled in vague patterns.

**Tue, 7 Sep** ♃ Jupiter ☾ Opposition ♀ natal Moon

**Wed, 8 Sep** ♀ Venus enters ♍ Virgo

♇ Pluto ☐ Square ♆ natal Neptune

*Venus* in *Virgo* makes people **pickier about who and what they spend time on**, noticing small details that matter to them more than before. In relationships and at work, this shift brings **honest feedback** instead of smooth talk—people say what actually needs fixing rather than what sounds nice. Most notice they'd rather **organize their space, fix problems, and do real things** than go out or make grand gestures during this period.

**Thu, 9 Sep** ♁ NNode ✕ Sextile ☉ natal Sun

**Sat, 11 Sep** ♃ Jupiter ✕ Sextile ♃ natal Jupiter

**Mon, 13 Sep** ♇ Pluto ☐ Square ☿ natal Mars

**Fri, 17 Sep** ♅ Uranus ✕ Sextile ♅ natal Uranus

♁ NNode ☐ Square ♁ natal NNode

**Sat, 18 Sep** New Moon in Virgo

**Sun, 19 Sep** ☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

**Mon, 20 Sep** ☿ Mars enters ♈ Sagittarius

*Mars* entering *Sagittarius* brings a shift toward **bigger goals and faster action** — people tend to stop sweating small details and push harder for what matters most. In relationships and work, you'll notice more **directness and impatience** with anything that feels like a waste of time, which can speed things up or create friction depending on how bluntly people speak. The practical upside is that **ambitious projects move forward** and people take risks they'd normally avoid, though they may also start more things than they finish during this transit.

**Wed, 22 Sep** ♃ Jupiter ✕ Sextile ☉ natal Sun

**Thu, 23 Sep** ☉ Sun enters ♎ Libra

*Sun* in *Libra* brings a shift toward **balance and fairness** in how you handle everyday decisions, and people often find themselves **weighing options more carefully** before committing to anything. At work and in relationships, you'll likely

notice a stronger pull to **listen to others' viewpoints** and smooth over tension, even when you'd normally push your own agenda. This transit tends to make **partnerships and teamwork** feel more natural and rewarding than solo efforts, so group projects and one-on-one conversations typically go smoother during the next month.
