KEY TRANSIT FACTORS

♄ Saturn qx Quincunx ☉ natal Sun · peak 17 May ★

Right now you feel **slightly out of sync with your own plans**, as if the effort you put in doesn't quite match what actually happens. *Saturn* is creating friction with your *Sun*, making you notice where you've been overcommitting or underestimating what tasks really take. These days you're more likely to step back and question whether you're spending your time and energy on things that actually matter to you.

♂ Mars ♂ Conjunction ♀ natal Venus · peak 17 May ★

While this lasts, you feel a **stronger pull toward people and activities that excite you** — you're more direct about what you want and less willing to wait around. Your physical attraction to others sharpens, and you're quicker to pursue relationships or make moves in your social life. Over the coming weeks, watch whether this directness helps you connect or whether you're pushing too hard before you know what you actually want.

♀ Venus ♂ Conjunction ♂ natal Mars · peak 31 May ★

You feel more **confident and direct about what you want**, whether in romantic or social situations. These days you're more likely to make the first move, express attraction openly, or simply go after something that interests you instead of waiting. This confidence usually works in your favour, though it can fade quickly once the transit ends.

♃ Jupiter △ Trine ♄ natal Saturn · peak 8 May

You find it easier right now to follow through on plans you've been putting off because **you're motivated without feeling rushed**. Your confidence in what you can actually do grows, so you stop second-guessing yourself and just move forward. Over the coming weeks, this steadiness pays off—projects gain real momentum and you see concrete results.

♃ Jupiter □ Square ☾ natal Moon · peak 19 May

Right now you feel **emotionally restless and dissatisfied** with situations that normally comfort you, like time with family or your home routine. You might overcommit yourself or make promises you cannot keep because your judgment about what you can actually handle is off. Over the coming weeks, this mismatch between what you want and what is realistic creates friction in your personal relationships and leaves you feeling bloated rather than nourished.

♁ Chiron ♂ Conjunction ♀ natal Venus · peak 31 May

You are more aware right now of where you give too much in relationships and what you actually need in return. This clarity can feel uncomfortable because you start noticing **patterns you have ignored** — unequal effort, one-sided emotional support, or your own reluctance to ask for what matters to you. Over these weeks, you have a real chance to address what has not been working, though doing so will require you to speak up instead of staying comfortable.

♃ Jupiter qx Quincunx ♃ natal Jupiter · peak 24 May

Right now you are noticing a mismatch between what you want to expand in your life and what actually fits your current situation. You might feel pulled toward a new opportunity or ambition, but something about it does not quite align with your practical reality. Over the coming weeks, the adjustment you need to make will become clearer if you stop pushing and instead listen to what feels genuinely **workable** rather than just exciting.

♃ Jupiter ♂ Conjunction ♁ natal Lilith · peak 24 May

Over the coming weeks, you're likely to feel more **willing to ignore rules that don't make sense to you**. You might speak up in situations where you'd normally stay quiet, or push back against expectations that feel unfair. This boldness can open doors, but it can also create friction if you're not careful about who you're confronting.

♄ Saturn ☐ Square ♀ natal Moon · peak 17 May

Right now your emotional needs feel blocked or neglected, and you're likely being harder on yourself about what you want or feel. **You withdraw** from people instead of asking for what you need, then feel resentful or alone. Over the coming weeks, you'll have a chance to sort out which of your feelings actually matter to you and which ones you've just been carrying around without question.

♃ Jupiter * Sextile ♃ natal NNode · peak 31 May

Over the coming weeks, you find it easier to say yes to opportunities that align with what you actually want to do. You're less hesitant about taking small steps toward goals you've been thinking about, and **people around you tend to be more supportive when you ask for help or feedback**. This isn't about luck—it's that you're acting with more confidence, and others respond to that.

♄ Chiron ♂ Conjunction ♂ natal Mars · peak 31 May

Right now you're noticing where you push too hard or hold back too much when you act. You might feel frustrated with yourself for either charging ahead without thinking or for being too cautious, and this **self-awareness about your own aggression** is temporary but useful. Over the coming weeks, pay attention to how you actually handle conflict or physical effort instead of assuming you know what you'll do.

♅ Uranus ☐ Square ♄ natal Chiron · peak 1 May

Right now you are likely feeling **restless about old wounds** that you thought you had worked through. Your usual coping methods for psychological pain are not working the way they normally do, which can feel frustrating and unsettling. Over the coming weeks, you may need to experiment with entirely new approaches to your emotional recovery instead of relying on what has always felt safe.

♄ Chiron ♂ Opposition ♃ natal Neptune · peak 31 May

Over the coming weeks, you become aware of ways you have been avoiding practical reality by retreating into fantasy or wishful thinking. Your usual escape routes stop working, and you feel **exposed and raw when you cannot slip away into daydreams**. This discomfort is real, but it is also pointing you toward the concrete problems you need to address instead of imagining them away.

♄ Saturn * Sextile ♄ natal Saturn · peak 1 May

These days you find it easier to stick with your responsibilities without feeling weighed down by them. You can see practical results from the discipline you have built up over time, and this gives you real confidence in what you are capable of. Over the coming weeks, you are likely to follow through on commitments with less friction and to earn recognition from people who notice your reliability.

♃ Jupiter ∟ Semi sextile ☉ natal Sun · peak 31 May

You feel a quiet boost to your confidence right now, making it easier to speak up in situations where you'd normally hold back. People respond well to you at the moment because you come across as genuinely interested and **naturally encouraging**, which opens social and professional doors. This support from *Jupiter* touching your *Sun* lasts a few weeks and works best when you actually say yes to invitations and new opportunities instead of waiting for the perfect moment.

LUNATIONS

● New Moon · Tuesday, 14 May

in ♉ Taurus

material foundations, slow build, stability

in H3 — Communication & Learning

Your mind is ready for new inputs and your communication style is shifting. This is an excellent time to **start a course, launch a project involving writing or speaking**, or open honest conversations with people in your immediate environment. Short trips, new learning experiences, and reconnecting with siblings or neighbors may carry unusual significance now. What you plant in conversation and learning at this point will take root in meaningful ways.

○ Full Moon · Tuesday, 28 May

in ♐ Sagittarius

beliefs tested, freedom vs commitment, peak optimism

in H10 — Career & Reputation

Your professional life and public reputation are under full illumination. A **career achievement, recognition, or significant turn in your public standing** is reaching its peak. This is often the full moon associated with promotions, public moments, or a situation at work coming to a decisive point. How others see you professionally is clarified now — for better or worse. What you've built toward is visible, and so are the gaps between your ambitions and your current reality.

KEY DATES

Wed, 1 May ☿ Uranus ☐ Square ♁ natal Chiron

♄ Saturn ✕ Sextile ♄ natal Saturn

Wed, 8 May ♃ Jupiter △ Trine ♄ natal Saturn

Thu, 9 May ♀ Venus enters ♋ Cancer

Venus in *Cancer* makes people **more careful about who they let close**, and they often notice themselves wanting **deeper emotional connection** instead of surface-level interaction. In relationships and work, this shows up as spending more time with people who feel **safe and familiar**, while casual friendships might feel less interesting. Most people find themselves **expressing care through practical actions** — cooking, checking in, remembering details — rather than grand gestures or words.

Mon, 13 May ☿ Uranus ☐ Square ♁ natal Chiron

Tue, 14 May New Moon in Taurus

Fri, 17 May ☿ Mercury enters ♉ Taurus

♄ Saturn stations Retrograde

♄ Saturn ☐ Square ♀ natal Moon

Mercury moving into *Taurus* shifts how you **communicate and think** — you'll notice yourself speaking more slowly, choosing words with care instead of rushing through sentences. At work and in conversations, people tend to **focus on practical details** and want concrete facts rather than abstract ideas, which means discussions about money, plans, or decisions take longer but reach clearer agreements. This transit makes most people **stick to their positions** once they've decided something, so expect less back-and-forth and more people digging in on what they actually believe.

Sun, 19 May ♃ Jupiter ☐ Square ♀ natal Moon

Wed, 22 May ☉ Sun enters ♊ Gemini

Sun in *Gemini* brings a **shift toward curiosity and talking things through** — you'll notice people asking more questions, starting conversations they'd normally skip, and wanting to understand how things work. At work and in relationships, **communication becomes easier and faster**, though the downside is that people scatter their attention across more projects and topics than they can actually finish. **Short trips, emails, and quick decision-making** pick up noticeably during this month, so if you've been putting off organizing your schedule or catching up with contacts, this is when that restless energy makes it feel natural.

Fri, 24 May ♃ Jupiter ♂ Conjunction ♄ natal Lilith

Mon, 27 May ♂ Mars enters ♌ Leo

♄ Saturn ☐ Square ♀ natal Moon

Mars in *Leo* brings **direct, confident action** that people around you will notice right away — you speak up more often, take charge in meetings, and stop waiting for permission to try things. In relationships and at work, this transit **increases competition** and **ego clashes**, so you may find yourself arguing more or wanting credit for what you do. The practical shift is that you'll have real **energy and drive** to finish projects and take risks, but you'll also feel less patient with people who move slowly or don't acknowledge your effort.

Tue, 28 May Full Moon in Sagittarius

Fri, 31 May ♁ Chiron ♂ Conjunction ♀ natal Venus

♁ Chiron ♂ Conjunction ♂ natal Mars

♁ Chiron ♂ Opposition ♃ natal Neptune
