♊ North Node	in	♎ Libra	9°27'41"	VIII Rx
♁ Lilith	in	♌ Leo	7°56'00"	VII

#### KEY TRANSIT FACTORS

##### ♁ Chiron ∟ Semi sextile ☉ natal Sun · peak 1 Dec ★

These days you notice you can **talk about your own difficulties without shame**, which makes people trust you more easily. Your willingness to be honest about what you have struggled with gives others permission to do the same, and conversations become more real. This openness creates small moments of connection that feel genuinely supportive on both sides.

##### ♄ Saturn qx Quincunx ☉ natal Sun · peak 31 Dec ★

Right now you feel **slightly out of sync with your own plans**, as if the effort you put in doesn't quite match what actually happens. *Saturn* is creating friction with your *Sun*, making you notice where you've been overcommitting or underestimating what tasks really take. These days you're more likely to step back and question whether you're spending your time and energy on things that actually matter to you.

##### ☉ Sun △ Trine ☾ natal Moon · peak 29 Dec ★

Right now you find it easier to **trust your gut feelings** and act on them without second-guessing yourself. Your emotional needs and practical decisions are lining up well, so you feel more settled and confident in what you want. Over the coming weeks, people around you will likely notice you seem calmer and more genuine than usual.

##### ☿ Mercury qx Quincunx ☾ natal Moon · peak 18 Dec ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

##### ♄ Saturn \* Sextile ♄ natal Saturn · peak 31 Dec

These days you find it easier to stick with your responsibilities without feeling weighed down by them. You can see practical results from the discipline you have built up over time, and this gives you real confidence in what you are capable of. Over the coming weeks, you are likely to follow through on commitments with less friction and to earn recognition from people who notice your reliability.

##### ♁ Chiron \* Sextile ♊ natal NNode · peak 4 Dec

Over the coming weeks, you find it easier to **talk about your actual experiences instead of pretending everything is fine**. People respond well to this honesty because you're not oversharing your wounds but simply being real about what you've learned. This openness builds better connections with others and helps you move forward without carrying old resentment.

##### ♃ Jupiter ∟ Semi sextile ♁ natal Chiron · peak 22 Dec

While this lasts, you feel more **willing to ask for help** with something that has bothered you for a while. *Jupiter* is gently opening a door that *Chiron* has kept closed, and you notice you're less defensive about admitting what hurts. Over the coming weeks, this small shift in attitude can lead to real conversations or actions that actually move you forward.

### ♋ NNode △ Trine ☽ natal Sun · peak 31 Dec

Right now you find it easier to **say what you actually want** instead of staying quiet or going along with others. People around you respond well to your directness because it comes across as honest rather than aggressive. Over the coming weeks, you might notice doors opening simply because you stopped hiding what matters to you.

### ♄ Saturn △ Trine ♀ natal Mercury · peak 6 Dec

Your thinking becomes more organized and methodical right now, making it easier to work through complex problems without getting distracted. You find yourself **naturally able to follow through on plans** and communicate what you actually mean instead of talking in circles. This period is ideal for learning something practical or finishing projects that require sustained focus and clear explanations.

### ♆ Lilith ♂ Conjunction ♃ natal Neptune · peak 10 Dec

These days you're more drawn to people and situations that feel emotionally intense or slightly forbidden, and you may **ignore practical warning signs** because the pull feels meaningful to you. Your usual ability to see through manipulation or deception gets softer right now, so you're more likely to believe what you want to believe about someone or something. Over the coming weeks, check your choices against what you actually know to be true, not just what feels compelling in the moment.

### ♋ NNode □ Square ♋ natal NNode · peak 31 Dec

Right now you feel pulled in two directions about what you should be doing with your time and energy. You might say yes to commitments that conflict with each other, or feel **restless and unable to settle** on a clear priority. Over the coming weeks, this confusion usually pushes you to make a hard choice about which direction actually matters to you.

### ♄ Chiron ♂ Conjunction ♆ natal Lilith · peak 31 Dec

Right now you are more aware of how you reject parts of yourself that don't fit what you think you should be. You notice **where you push away your own needs** to keep the peace or look acceptable to others. Over the coming weeks, this awareness can help you see these patterns clearly, though it may feel uncomfortable at first.

### ♄ Chiron ♁ Quincunx ♃ natal Jupiter · peak 31 Dec

Over the coming weeks, you notice a mismatch between what you want to believe about yourself and what actually works in your life. You find yourself **questioning your usual confidence** or having to adjust your plans when reality doesn't match your expectations. This gap between your hopes and the practical results you're getting will likely push you to make small changes to how you approach problems.

### ♆ Neptune □ Square ♄ natal Chiron · peak 1 Dec

Right now you are **ignoring practical warning signs** about where you are vulnerable or need real help. Your instinct is to downplay your limits or pretend problems will fix themselves, which leaves you exposed to mistakes you could have prevented. Over the coming weeks, reality will force you to stop dodging what needs attention and actually face how you can protect yourself.

### ♅ Uranus □ Square ♄ natal Chiron · peak 31 Dec

Right now you are likely feeling **restless about old wounds** that you thought you had worked through. Your usual coping methods for psychological pain are not working the way they normally do, which can feel frustrating and unsettling. Over the coming weeks, you may need to experiment with entirely new approaches to your emotional recovery instead of relying on what has always felt safe.

### ♀ Mercury Rx · ♐ Sagittarius

Plans for travel, education, or big-picture goals hit unexpected snags right now. Opinions expressed with too much confidence may need to be walked back, and long-distance communications often get garbled. This is a better period for reviewing beliefs than for broadcasting them.

*\* = natal resonance — this transit echoes your birth chart, amplifying its influence*

## LUNATIONS

---

● New Moon · Friday, 6 Dec

in ♐ Sagittarius

new beliefs, expansion, broader horizons

in H10 — Career & Reputation

A major new chapter in your professional life and public reputation is beginning. This lunation plants seeds around **career direction, achievements, and how you're perceived by the world**. Goals you set now and steps you take toward your ambitions have greater traction than usual. If you've been waiting for the right moment to make a career move, pursue recognition, or clarify your professional direction, this lunation gives it meaningful momentum.

○ Full Moon · Saturday, 21 Dec

**in ♋ Cancer**

emotional culmination, family matters, inner needs surface

**in H5 — Creativity & Romance**

A creative work, romantic situation, or matter involving children is reaching its peak. What began months ago in your love life or creative endeavors is now **ready for a culmination** — a relationship becoming more defined, a project completing, or a moment of genuine joy or heartbreak making itself felt. The full moon here amplifies feelings of passion and desire. Be honest about what and who actually brings you happiness, rather than what you think should.

**KEY DATES**

**Sun, 1 Dec** ♆ Neptune □ Square ♁ natal Chiron

♁ Lilith ♂ Conjunction ♆ natal Neptune

**Wed, 4 Dec** ♁ Chiron \* Sextile ♃ natal NNode

**Fri, 6 Dec** ♀ Venus enters ♏ Scorpio

New Moon in Sagittarius

♄ Saturn △ Trine ♃ natal Mercury

*Venus* in *Scorpio* makes people **more direct and intense** about what they want from others, cutting through small talk and surface-level connection. In relationships and at work, you'll notice people asking harder questions, setting clearer boundaries, and **pulling back from anything that feels fake** or half-hearted. This transit typically brings **deeper focus** on a few close connections rather than spreading energy wide, and people tend to be more honest about money, loyalty, and what they actually need.

**Mon, 9 Dec** ♆ Neptune □ Square ♁ natal Chiron

**Tue, 10 Dec** ♁ Lilith ♂ Conjunction ♆ natal Neptune

**Mon, 16 Dec** ♁ Chiron \* Sextile ♃ natal NNode

♄ Saturn △ Trine ♃ natal Mercury

**Wed, 18 Dec** ☿ Mercury stations Direct

*Mercury* stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

**Sat, 21 Dec** Full Moon in Cancer

**Sun, 22 Dec** ☼ Sun enters ♑ Capricorn

♃ NNode △ Trine ☼ natal Sun

*The Sun* moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

**Tue, 31 Dec** ♃ Jupiter stations Retrograde

♄ Saturn \* Sextile ♄ natal Saturn

♃ NNode △ Trine ☼ natal Sun

♃ NNode □ Square ♃ natal NNode

♁ Chiron ♂ Conjunction ♁ natal Lilith

♅ Uranus □ Square ♁ natal Chiron

*Jupiter* stationing retrograde often brings a **pause in expansion plans** — job offers stall, travel gets delayed, or educational programs require extra paperwork. At work and in finances, this is when you'll notice yourself **reviewing past decisions** rather than pushing forward, and opportunities that seemed certain can shift or require renegotiation. Growth doesn't stop during this period, but it tends to happen **quietly through reflection**, and real progress usually resumes once *Jupiter* turns direct again.
