♁ North Node	in	♎ Libra	9°27'41"	VIII Rx
♁ Lilith	in	♌ Leo	7°56'00"	VII

## KEY TRANSIT FACTORS

### ♆ Neptune ☉ Opposition ♀ natal Venus · peak 31 Jan ★

Right now you are **seeing your relationships and attractions through an unrealistic filter**, which makes you vulnerable to people who don't deserve your trust. You mistake confusion for depth and ignore practical red flags because you want to believe in a fantasy version of someone. Over the coming weeks, this cloudiness will cost you either through disappointment or poor choices you'll regret once clarity returns.

### ♇ Pluto \* Sextile ♂ natal Uranus · peak 31 Jan ★

Right now you find yourself **willing to act on ideas you've been sitting with for months**, and the practical timing seems to line up surprisingly well. You're more comfortable than usual taking small risks or changing routines that no longer work, and people around you notice you seem decisive instead of stuck. These days this period gives you real momentum to experiment with new approaches in your work or daily habits without the usual second-guessing holding you back.

### ♆ Neptune ☉ Opposition ♂ natal Mars · peak 31 Jan ★

Right now you're finding it hard to trust your own drive and instincts. You second-guess decisions you'd normally make quickly, and your **confidence in your own judgment feels unreliable**. This confusion can make you hesitate when action is needed, or push forward without clarity about what you actually want.

### ♇ Pluto \* Sextile ☿ natal Mercury · peak 31 Jan ★

Your thinking becomes **sharper and more penetrating** while *Pluto* supports your *Mercury* right now. You naturally spot patterns others miss and can ask the questions that get to the real issue in conversations or problems. This clarity lasts for weeks and helps you communicate about difficult topics with unusual directness and honesty.

### ☉ Sun △ Trine ☾ natal Moon · peak 1 Jan ★

Right now you find it easier to **trust your gut feelings** and act on them without second-guessing yourself. Your emotional needs and practical decisions are lining up well, so you feel more settled and confident in what you want. Over the coming weeks, people around you will likely notice you seem calmer and more genuine than usual.

### ♃ Jupiter \* Sextile ♁ natal NNode · peak 26 Jan

Over the coming weeks, you find it easier to say yes to opportunities that align with what you actually want to do. You're less hesitant about taking small steps toward goals you've been thinking about, and **people around you tend to be more supportive when you ask for help or feedback**. This isn't about luck—it's that you're acting with more confidence, and others respond to that.

### ♄ Saturn ☉ Opposition ☉ natal Sun · peak 20 Jan

Right now you feel **worn down by demands** on your time and energy, and others seem to expect more from you than feels realistic. You notice yourself saying no more often, or feeling resentful when you do say yes, because your reserves are genuinely low. These weeks will test whether you can be honest about your limits instead of pushing through until you break.

#### ♃ Jupiter △ Trine ♄ natal Saturn · peak 6 Jan

You find it easier right now to follow through on plans you've been putting off because **you're motivated without feeling rushed**. Your confidence in what you can actually do grows, so you stop second-guessing yourself and just move forward. Over the coming weeks, this steadiness pays off—projects gain real momentum and you see concrete results.

#### ♃ Jupiter ♁ Quincunx ☾ natal Moon · peak 13 Jan

Over the coming weeks you may feel pulled between wanting more comfort and feeling restless with your current situation. Your emotional needs don't quite match what's actually available to you right now, so you keep adjusting your expectations without getting settled. This **mild discomfort with routine** often pushes you to make small changes in how you manage your home or relationships, even if you're not entirely sure what you want.

#### ♄ Saturn ♁ Quincunx ♁ natal NNode · peak 16 Jan

Right now you feel caught between what you're naturally drawn to and what actually works in practice. You notice yourself second-guessing choices that normally feel easy, which creates an awkward gap between your instincts and your actions. This **mismatch between intention and follow-through** will fade once *Saturn* moves past this angle, but while it lasts you benefit from checking your decisions twice rather than trusting your first instinct.

#### ♃ Jupiter ∟ Semi sextile ♃ natal Jupiter · peak 17 Jan

Over the coming weeks, you'll notice a quiet **boost in your confidence about making decisions** that affect your future. Small opportunities or lucky breaks show up without you having to push hard for them, and you feel more willing to say yes to them. This is *Jupiter* giving your natural optimism a gentle lift, so take advantage of any openings that match what you actually want right now.

#### ♃ Jupiter □ Square ☉ natal Sun · peak 28 Jan

Right now you are **overestimating what you can handle**, and this confidence is pulling you into commitments that drain your resources faster than you expected. *Jupiter* is amplifying your sense of possibility while *Sun* pushes you to prove yourself, making it hard to say no or admit limits. Over the coming weeks you will likely hit a wall—exhaustion, overspending, or failed promises—that forces you to recalibrate what actually matters to you.

#### ♇ Pluto ♂ Conjunction ♇ natal Pluto · peak 31 Jan

You feel **driven to remake something fundamental in your life** — whether that's your work setup, a relationship dynamic, or how you spend your time. This pull is intense and hard to ignore, even if you can't quite explain why you suddenly need things to be different. Over the coming weeks, you'll likely act on these impulses, clearing away what feels dead and rebuilding from scratch.

#### ♄ Saturn \* Sextile ♃ natal Jupiter · peak 1 Jan

Right now you are more **willing to follow through on plans instead of abandoning them halfway**. The combination of *Saturn* and *Jupiter* means you can see the practical steps needed to make your bigger ambitions real, and you have the patience to stick with them. This is a good time to commit to something you have been thinking about for a while, because your confidence in the outcome is realistic rather than wishful.

#### ♅ Uranus ♂ Conjunction ♆ natal Neptune · peak 1 Jan

Right now you may find it harder to stick to routines or long-term plans because your thoughts keep shifting between different possibilities. You feel **restless with what's familiar** and want to try new approaches even if you haven't thought them through completely. These days your practical decisions can feel uncertain, so it helps to write things down and check them again before acting.

*\* = natal resonance — this transit echoes your birth chart, amplifying its influence*

### PROGRESSED MOON

---

- Progressed Moon in ♈ Aries 15.2° H2
- Progressed Moon ♂ Opposition ♁ natal Chiron

### LUNATIONS

---

- New Moon · Sunday, 1 Jan

#### in ♄ Capricorn

long-term goals, ambition, structural reset

#### in H11 — Community & Goals

A fresh cycle is opening around **friendships, group affiliations, and your hopes for the future**. This is the right time to join a new community, strengthen bonds with people who share your values, or clarify what you truly want from the years ahead. Social connections formed under this lunation often turn out to be meaningful and lasting. A dream or long-term goal that's been forming in the background is ready to move from the conceptual stage to the practical.

---

○ Full Moon · Monday, 16 Jan

in ♋ **Cancer**

emotional culmination, family matters, inner needs surface

in **H6 — Health & Service**

A health situation or work matter is coming to a head. Something in your **daily routines, workplace dynamics, or physical wellbeing** can no longer be deferred — it needs attention and resolution. Overwork, health imbalances, or conflicts with colleagues become impossible to ignore under this full moon. This is the moment to address what your body has been signaling, complete a work project, or acknowledge a work dynamic that isn't sustainable.

---

**KEY DATES**

---

**Sun, 1 Jan** New Moon in Capricorn

♄ Saturn ✕ Sextile ♃ natal Jupiter  
♅ Uranus ♂ Conjunction ♆ natal Neptune  
♅ Uranus ♁ Opposition ♂ natal Mars

---

**Tue, 3 Jan** ♂ Mars stations Retrograde

♁ Lilith enters ♊ Gemini

*Mars* stationing retrograde often brings **delays and restarts** in projects, work deadlines, and physical activities—things that felt urgent suddenly move slower or need reworking. People commonly notice they feel less pushy, more willing to **reconsider decisions** they made before, and sometimes **old conflicts or rivalries** come back up that need settling. In practical terms, this is a good time to **revise plans** rather than launch new ones, fix broken equipment, and handle any pending arguments you've been avoiding.

---

**Fri, 6 Jan** ♃ Jupiter △ Trine ♄ natal Saturn

---

**Sat, 7 Jan** ♀ Mercury enters ♒ Aquarius

*Mercury* in *Aquarius* brings **clearer, more direct communication** — people tend to say what they actually think instead of softening their words, which works well in meetings but can feel blunt in casual conversations. At work and in friendships, you'll notice **more focus on logic and ideas** rather than emotions, making this a good time for problem-solving but a trickier period if someone needs emotional support. *Aquarius* also pushes thinking toward the **bigger picture**, so conversations shift from daily complaints to plans, systems, and what-if scenarios that feel more interesting but less immediately practical.

---

**Sun, 8 Jan** ♀ Venus enters ♐ Sagittarius

*Venus* in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

---

**Mon, 9 Jan** ♅ Uranus ♂ Conjunction ♆ natal Neptune

♄ Saturn ✕ Sextile ♃ natal Jupiter

---

**Tue, 10 Jan** ♄ Chiron stations Retrograde

*Chiron* stationing retrograde tends to bring **old wounds or insecurities back into focus**, making you notice patterns you thought you'd moved past—in relationships, work, or how you handle rejection. During this period, **progress on healing or learning slows down**, and you may find yourself revisiting past failures or setbacks rather than moving forward with new skills or confidence. In practical terms, this is a good time to **review what didn't work before** and adjust your approach, though expect frustration if you're trying to push ahead quickly.

---

**Mon, 16 Jan** Full Moon in Cancer

---

**Tue, 17 Jan** ♇ Pluto enters ♐ Sagittarius

*Pluto* in *Sagittarius* brings a **shift in what people believe and teach** — old rules get questioned, industries tied to information and education face upheaval, and you may find yourself **ditching outdated advice** that never really worked. In relationships and work, expect **deeper honesty about values**; people become less willing to fake agreement just to keep the peace, and conversations that stayed surface-level before now **dig into real disagreements**. The pattern is that **rigid certainty collapses** over this 20-year cycle — religions, political movements, publishing, travel, and higher education all experience pressure to transform or die out.

---

**Fri, 20 Jan** ♄ Saturn ♁ Opposition ☉ natal Sun

---

**Sat, 21 Jan** ☉ Sun enters ♒ Aquarius

*Sun* in *Aquarius* brings a **shift toward independence** and a stronger need to do things your own way instead of following the usual pattern. At work and in conversations, you'll **notice people speak up more** about ideas that feel different or go against what everyone expects. In relationships and friendships, **distance often increases** slightly as people pull back to focus on their own projects and interests rather than staying close to the group.

---

**Sun, 22 Jan** ♇ Pluto ♂ Conjunction ♇ natal Pluto

♁ NNode ✳ Sextile ☉ natal Sun

**Mon, 23 Jan** ♂ Mars enters ♌ Leo

*Mars in Leo* brings **direct, confident action** that people around you will notice right away — you speak up more often, take charge in meetings, and stop waiting for permission to try things. In relationships and at work, this transit **increases competition** and **ego clashes**, so you may find yourself arguing more or wanting credit for what you do. The practical shift is that you'll have real **energy and drive** to finish projects and take risks, but you'll also feel less patient with people who move slowly or don't acknowledge your effort.

**Thu, 26 Jan** ☿ Mercury stations Retrograde

♃ Jupiter ✳ Sextile ♁ natal NNode

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

**Sat, 28 Jan** ♃ Jupiter ☐ Square ☉ natal Sun

**Tue, 31 Jan** ♇ Pluto ♂ Conjunction ♇ natal Pluto

♁ NNode ✳ Sextile ☉ natal Sun

♆ Chiron △ Trine ♆ natal Neptune

♆ Neptune ♂ Opposition ♀ natal Venus
