♁ North Node	in	♎ Libra	9°27'41"	VIII Rx
♁ Lilith	in	♌ Leo	7°56'00"	VII

#### KEY TRANSIT FACTORS

##### ♇ Pluto \* Sextile ☿ natal Mercury · peak 1 Dec ★

Your thinking becomes **sharper and more penetrating** while *Pluto* supports your *Mercury* right now. You naturally spot patterns others miss and can ask the questions that get to the real issue in conversations or problems. This clarity lasts for weeks and helps you communicate about difficult topics with unusual directness and honesty.

##### ♅ Uranus △ Trine ☿ natal Mercury · peak 31 Dec ★

Your thinking becomes sharper and more original right now, and you find yourself spotting solutions that other people miss. You're willing to question old assumptions and try new approaches, which makes you **unusually flexible in conversations and problem-solving**. This is a good window to pitch ideas, learn something outside your normal interests, or tackle a complicated project that needs fresh perspective.

##### ♆ Neptune ☉ Opposition ♂ natal Mars · peak 1 Dec ★

Right now you're finding it hard to trust your own drive and instincts. You second-guess decisions you'd normally make quickly, and your **confidence in your own judgment feels unreliable**. This confusion can make you hesitate when action is needed, or push forward without clarity about what you actually want.

##### ♆ Neptune ☉ Opposition ♀ natal Venus · peak 1 Dec ★

Right now you are **seeing your relationships and attractions through an unrealistic filter**, which makes you vulnerable to people who don't deserve your trust. You mistake confusion for depth and ignore practical red flags because you want to believe in a fantasy version of someone. Over the coming weeks, this cloudiness will cost you either through disappointment or poor choices you'll regret once clarity returns.

##### ♅ Uranus \* Sextile ♇ natal Pluto · peak 1 Dec ★

Right now you find it easier to **spot what needs to change** in your life without feeling overwhelmed by it. *Uranus* is helping you see practical steps forward where *Pluto* usually makes things feel stuck or all-or-nothing. Over the coming weeks, you're more likely to act on improvements in your work, relationships, or routines instead of waiting for a crisis to force your hand.

##### ♄ Saturn ☉ Opposition ☿ natal Mercury · peak 31 Dec ★

Right now your thinking feels slower and more cautious than usual, as though you have to work harder to organize your thoughts or explain yourself clearly. You may notice **self-doubt creeping into conversations** where you normally feel confident, or find yourself second-guessing decisions you would have made quickly before. Over the coming weeks, this friction can actually sharpen your communication if you sit with the discomfort instead of rushing through it.

##### ♇ Pluto \* Sextile ♅ natal Uranus · peak 1 Dec ★

Right now you find yourself **willing to act on ideas you've been sitting with for months**, and the practical timing seems to line up surprisingly well. You're more comfortable than usual taking small risks or changing routines that no longer work, and people around you notice you seem decisive instead of stuck. These days this period gives you real momentum to experiment with new approaches in your work or daily habits without the usual second-guessing holding you back.

### ♋ NNode ♄ Quincunx ♋ natal Moon · peak 1 Dec ★

Over the coming weeks, you'll notice your usual emotional comfort habits don't quite work the way they normally do. You might feel pulled toward new social connections or group activities that don't match your typical preference for familiar people, leaving you **restless and slightly off-balance**. The mismatch between what feels safe emotionally and what seems important to pursue socially will gradually push you toward small changes in how you relate to others.

### ☉ Sun △ Trine ♋ natal Moon · peak 28 Dec ★

Right now you find it easier to **trust your gut feelings** and act on them without second-guessing yourself. Your emotional needs and practical decisions are lining up well, so you feel more settled and confident in what you want. Over the coming weeks, people around you will likely notice you seem calmer and more genuine than usual.

### ♄ Saturn \* Sextile ♅ natal Uranus · peak 29 Dec

Right now you find it easier to turn your independent ideas into concrete plans that actually work. You can think outside the box without losing sight of what's practical, which means your unconventional solutions get real traction. This is a useful window to **push through changes you've been considering**, because you have both the innovative thinking and the patience to handle the details.

### ♃ Jupiter ♁ Opposition ♃ natal Mars · peak 31 Dec

These days you're more likely to overcommit and then resent the people asking things of you, even though you said yes. Your impatience is high and **you push hard on goals without checking if you're actually moving in the right direction**. Over the coming weeks, small frustrations pile up into real conflicts because you're acting faster than you're thinking.

### ♋ NNode ♃ Conjunction ♄ natal Mercury · peak 28 Dec

While this lasts, you find yourself drawn to people and conversations that feel more meaningful than usual. You're more likely to speak up about things that matter to you and to **listen carefully when others share their real thoughts**. These days your practical communication skills improve, and you notice you can explain yourself more clearly in work meetings or personal discussions.

### ♃ Jupiter ♁ Opposition ♀ natal Venus · peak 29 Dec

Right now you're spending money and making commitments faster than usual, and you're not feeling satisfied no matter what you get. You might overextend yourself socially or financially because you keep thinking the next thing will finally feel like enough. This period pushes you to notice where you're using purchases or relationships to fill an emotional gap that actually needs something else.

### ♄ Saturn △ Trine ♇ natal Pluto · peak 3 Dec

You find it easier right now to **follow through on difficult changes** you have been putting off. Your practical side is working well with your ability to handle intensity, so you can tackle problems that usually feel too overwhelming. Over the coming weeks, you may notice you are more willing to do the hard work needed to transform something real in your life.

### ♃ Jupiter ♃ Conjunction ♆ natal Neptune · peak 31 Dec

Over the coming weeks, you may find yourself **more willing to believe in possibilities that seem unlikely**, and this can work for you or against you depending on what you're pursuing. Your practical judgment softens right now, making you generous with money and optimistic about future outcomes in ways that feel good but may not be realistic. If you're starting something new, channel this confidence into concrete steps rather than letting it stay as wishful thinking.

### ♄ Saturn Rx · ♈ Aries

Structures built on impulse rather than genuine foundation are being tested right now. Rules and commitments that felt constraining may now feel simply necessary. This period asks you to distinguish between the discipline you are avoiding and the limits that are genuinely serving your growth.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence

## PROGRESSED MOON

- Progressed Moon in ♉ Taurus 10.5° H3
- Progressed Moon △ Trine ☉ natal Sun

## LUNATIONS

- New Moon · Wednesday, 11 Dec

### in ✈ Sagittarius

new beliefs, expansion, broader horizons

### in H11 — Community & Goals

A fresh cycle is opening around **friendships, group affiliations, and your hopes for the future**. This is the right time to join a new community, strengthen bonds with people who share your values, or clarify what you truly want from the years ahead. Social connections formed under this lunation often turn out to be meaningful and lasting. A dream or long-term goal that's been forming in the background is ready to move from the conceptual stage to the practical.

○ Full Moon · Tuesday, 24 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H5 — Creativity & Romance

A creative work, romantic situation, or matter involving children is reaching its peak. What began months ago in your love life or creative endeavors is now **ready for a culmination** — a relationship becoming more defined, a project completing, or a moment of genuine joy or heartbreak making itself felt. The full moon here amplifies feelings of passion and desire. Be honest about what and who actually brings you happiness, rather than what you think should.

KEY DATES

**Sun, 1 Dec** ♅ Pluto ✳ Sextile ♃ natal Mercury

♃ Neptune ♂ Conjunction ♃ natal Neptune

♅ Uranus ♂ Conjunction ♅ natal Uranus

♃ Neptune ♁ Opposition ♂ natal Mars

**Tue, 3 Dec** ♄ Saturn △ Trine ♅ natal Pluto

**Wed, 4 Dec** ♄ Saturn stations Direct

*Saturn* turning direct means **stuck decisions and delayed projects** can finally move again after months of standing still. What felt unclear or blocked in your work, finances, or long-term plans becomes **clearer and actionable** as *Saturn* pushes forward. The pattern most people notice is **real progress on what matters** — whether that's getting a commitment from someone, finishing something you started, or seeing results from hard work you put in during the retrograde.

**Thu, 5 Dec** ♃ Mercury enters ♑ Capricorn

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

**Mon, 9 Dec** ♅ Pluto ✳ Sextile ♃ natal Mercury

♃ Neptune ♂ Conjunction ♃ natal Neptune

**Wed, 11 Dec** New Moon in Sagittarius

**Sun, 15 Dec** ♃ NNNode ♂ Conjunction ♃ natal Mercury

**Tue, 17 Dec** ♀ Venus enters ♐ Sagittarius

*Venus* in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

**Sun, 22 Dec** ☉ Sun enters ♑ Capricorn

♄ Saturn ✳ Sextile ♅ natal Uranus

♅ Uranus △ Trine ♃ natal Mercury

*The Sun* moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

**Tue, 24 Dec** ♃ Mercury stations Retrograde

Full Moon in Gemini

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

**Sat, 28 Dec** ♃ NNNode ♂ Conjunction ♃ natal Mercury

**Sun, 29 Dec** ♄ Chiron enters ♏ Scorpio

♄ Saturn ✳ Sextile ♅ natal Uranus

♃ Jupiter ♁ Opposition ♀ natal Venus

*Chiron* moving into *Scorpio* brings **deeper questions about trust and control** into your everyday interactions, especially where you've built walls to protect yourself from getting hurt. At work and in relationships, you'll **notice**

**uncomfortable moments** when someone asks you to be more honest or vulnerable than feels safe, and *Scorpio's* influence makes avoiding these conversations nearly impossible. The pattern over the next few years is **learning to share what you've kept hidden** — not dramatically, but in small, practical ways that actually improve how people understand and work with you.

**Tue, 31 Dec** ☽ Uranus △ Trine ♃ natal Mercury  
 ♃ Jupiter ♁ Opposition ♂ natal Mars
