KEY TRANSIT FACTORS

☉ Sun △ Trine ☾ natal Moon · peak 29 Dec ★

Right now you find it easier to **trust your gut feelings** and act on them without second-guessing yourself. Your emotional needs and practical decisions are lining up well, so you feel more settled and confident in what you want. Over the coming weeks, people around you will likely notice you seem calmer and more genuine than usual.

♄ Saturn qx Quincunx ♆ natal Neptune · peak 21 Dec

Right now you're noticing the gap between what you imagine and what actually works in practice. You feel caught between wanting to escape reality and knowing you have real responsibilities that need attention. This uncomfortable mismatch forces you to make small adjustments to your plans, even if it feels frustrating at the moment.

♄ Saturn ∟ Semi sextile ♀ natal Venus · peak 30 Dec

Over the coming weeks you're finding it easier to be **straightforward about what you want from people**, and they're responding well instead of pushing back. *Saturn* is helping you separate real affection from neediness, so your relationships feel less exhausting right now. This practical clarity about your own needs is making your social life run more smoothly.

♅ Uranus ∟ Semi sextile ♆ natal Neptune · peak 4 Dec

Your **imagination becomes more practical** during this period, letting you turn vague ideas into actual plans without losing the creative spark. You find yourself spotting small improvements in routines or systems that others miss, and these tweaks often work better than expected. This is a good time to experiment with new approaches to familiar problems because your intuition and logical mind are working together instead of pulling in different directions.

♆ Neptune △ Trine ♊ natal NNode · peak 28 Dec

While this lasts, you find it easier to **trust your instincts about which direction to take** in life, especially in areas where you've felt uncertain before. People around you respond well to your openness, and conversations flow naturally without you having to push or convince anyone of anything. This period softens the usual friction between what you want and what feels right, so you can move forward without second-guessing yourself.

♄ Chiron ♂ Conjunction ♃ natal Jupiter · peak 2 Dec

Over the coming weeks, you're likely to notice where you've been overconfident or made promises you can't keep, especially in areas where you usually feel lucky or assured. This isn't punishment—it's **realistic feedback** about the gap between what you believe you can do and what actually works in practice. You may feel frustrated by limits you hadn't seen before, but this period gives you a chance to build your confidence on solid ground instead of assumption.

♊ NNode ∟ Semi sextile ☾ natal Moon · peak 29 Dec

While this lasts, you find it easier to **listen to what you actually need** instead of pushing through discomfort. People around you tend to respond well to you right now because you're more relaxed and genuine in conversations. Over the coming weeks, small emotional hurdles feel less like obstacles and more like things you can work through naturally.

♁ NNode qx Quincunx ♃ natal Jupiter · peak 16 Dec

Right now you are noticing a mismatch between what you believe will make you happy and what actually does. You keep planning for bigger opportunities or better outcomes, but the details keep shifting in ways that require you to **adjust your expectations repeatedly**. Over the coming weeks, this awkward fit between your hopes and your real circumstances will push you to be more realistic about what you can actually control.

♄ Saturn ∟ Semi sextile ♂ natal Mars · peak 24 Dec

Right now you're noticing that your efforts produce real results without requiring you to push as hard as usual. **You're working more efficiently**, and tasks that normally frustrate you feel manageable because you're approaching them with more patience than typical. Over the coming weeks, this steady support from *Saturn* to your *Mars* makes it easier to follow through on commitments without burning out.

♅ Chiron □ Square ♁ natal NNode · peak 19 Dec

Right now you're bumping up against old patterns that feel protective but are actually holding you back from what you actually want. You notice yourself reverting to familiar ways of handling social situations or work challenges, even though you know these approaches don't serve you anymore. Over the coming weeks, this friction will push you to question why you keep choosing the safe route instead of moving toward the direction that genuinely interests you.

♅ Chiron △ Trine ☉ natal Sun · peak 22 Dec

Over the coming weeks, you find it easier to **talk about your past struggles without shame**, and people respond by listening instead of judging. Your confidence in handling difficult conversations improves naturally, and you notice you can help others through their problems without getting stuck in them yourself. This period gives you a practical window to work through something that has bothered you for a while, and your clarity right now makes the work feel less heavy.

♁ Uranus qx Quincunx ♂ natal Mars · peak 1 Dec

Your usual way of pushing forward or getting things done feels slightly off right now, like your timing is consistently a beat late or your efforts land awkwardly. You might find yourself **starting projects with energy but then stopping to rethink your approach** halfway through, which can be frustrating if you're used to just powering through. Over the coming weeks, the practical answer is to build in extra adjustment time and expect that your first attempt at something physical or competitive may need a revision.

♆ Neptune qx Quincunx ☉ natal Sun · peak 31 Dec

Over the coming weeks, you may feel **slightly out of step with your usual sense of direction**, as if the goals you normally pursue don't quite fit who you are right now. Your confidence in what you want gets fuzzy, and you might second-guess decisions you'd normally make without hesitation. This mismatch between who you think you should be and what actually matters to you will probably clear up once this *Neptune* influence passes.

♅ Chiron △ Trine ☾ natal Moon · peak 1 Dec

Right now you find it easier to talk about what actually hurts instead of pushing feelings away or making yourself smaller. People around you respond differently when you speak from this honest place, and conversations that would normally feel risky become manageable. Over the coming weeks, this support from others gives you real permission to take your emotional needs seriously rather than dismissing them as weakness.

♁ Uranus qx Quincunx ♀ natal Venus · peak 1 Dec

Right now you feel pulled in opposite directions about what you want from relationships and money. You might suddenly lose interest in something that mattered to you last week, or you find yourself **restless with routines** that used to feel comfortable. These impulses don't last long, but while they're here, you need to sit with the discomfort rather than act on every urge to change things.

♄ Saturn Rx · ♊ Gemini

Mental discipline and consistency in communication are being tested right now. Projects that require sustained intellectual effort may expose areas where your commitment has been shallow. Returning to half-finished work rewards you more during this period than starting fresh.

KEY DATES

Sun, 1 Dec ♁ NNode △ Trine ♁ natal NNode

Mon, 2 Dec ♂ Mars enters ♏ Scorpio

‡ Chiron ♂ Conjunction ♃ natal Jupiter

Mars in *Scorpio* brings **sharper focus** and **longer attention span** — people tend to stick with difficult projects instead of jumping between tasks. In relationships and work, you'll notice more **direct confrontation** of problems that were ignored before, which can clear the air but also creates tension if handled carelessly. *Mars* here makes people **dig deeper** into whatever they're doing, whether that's research, fitness routines, or figuring out why something isn't working.

Wed, 4 Dec New Moon in Sagittarius

Thu, 5 Dec ♃ Jupiter stations Retrograde

Jupiter stationing retrograde often brings a **pause in expansion plans** — job offers stall, travel gets delayed, or educational programs require extra paperwork. At work and in finances, this is when you'll notice yourself **reviewing past decisions** rather than pushing forward, and opportunities that seemed certain can shift or require renegotiation. Growth doesn't stop during this period, but it tends to happen **quietly through reflection**, and real progress usually resumes once *Jupiter* turns direct again.

Mon, 9 Dec ☿ Mercury enters ♑ Capricorn

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Sun, 15 Dec ♆ Neptune △ Trine ♁ natal NNode

Thu, 19 Dec Full Moon in Gemini

‡ Chiron □ Square ♁ natal NNode

Sun, 22 Dec ☉ Sun enters ♑ Capricorn

‡ Chiron △ Trine ☉ natal Sun

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.
