KEY TRANSIT FACTORS

☉ Sun △ Trine ☾ natal Moon · peak 29 Dec ★

Right now you find it easier to **trust your gut feelings** and act on them without second-guessing yourself. Your emotional needs and practical decisions are lining up well, so you feel more settled and confident in what you want. Over the coming weeks, people around you will likely notice you seem calmer and more genuine than usual.

♄ Saturn * Sextile ☉ natal Sun · peak 30 Dec

Right now you find it easier to stick with what you commit to, and people notice your reliability. You're not rushing to prove yourself or grab attention—you're simply doing the work, and that **steady focus** gains real respect. Over the coming weeks, this is a good time to tackle something practical that requires patience and follow-through.

♄ Saturn □ Square ♁ natal NNode · peak 31 Dec

Right now you feel **stuck between what you want to do and what you think you should do**, and this friction is making you second-guess your choices. People and situations are pushing back on your plans in ways that feel unfair, forcing you to slow down and reconsider directions you were confident about. Over the coming weeks, you'll need to do the harder work of proving to yourself—and others—that your choices actually matter, rather than just moving forward on assumption.

♅ Uranus □ Square ♇ natal Pluto · peak 31 Dec

You feel a strong urge to blow up situations that have felt stuck for a long time, and this impulse is hard to ignore right now. Your **need for sudden change clashes with your instinct to maintain control**, which creates real friction in your decisions and relationships. Over the coming weeks, you may act impulsively on things you normally handle with calculation, and the fallout could be messy because you're not thinking through the practical consequences.

♆ Neptune qx Quincunx ☉ natal Sun · peak 1 Dec

Over the coming weeks, you may feel **slightly out of step with your usual sense of direction**, as if the goals you normally pursue don't quite fit who you are right now. Your confidence in what you want gets fuzzy, and you might second-guess decisions you'd normally make without hesitation. This mismatch between who you think you should be and what actually matters to you will probably clear up once this *Neptune* influence passes.

♅ Uranus ∟ Semi sextile ♅ natal Uranus · peak 31 Dec

These days you feel **more willing to try small changes** without overthinking them, and you notice this actually works in your favour. Your practical decisions come with a bit more confidence, like you trust your own judgment in ways you usually second-guess. Over the coming weeks, this gentle shift from *Uranus* gives you permission to experiment with routines or habits that have felt stuck, and most of these experiments stick around because they genuinely improve your life.

♄ Chiron □ Square ♄ natal Chiron · peak 1 Dec

These days you are more aware of where you feel inadequate or defective, and this awareness is uncomfortable rather than helpful. You might find yourself **withdrawing from situations where you could actually contribute** because you are convinced you will fail or disappoint others. This period pushes you to face the difference between your actual limitations and the harsh internal voice that exaggerates them.

♆ Neptune △ Trine ♃ natal NNode · peak 1 Dec

While this lasts, you find it easier to **trust your instincts about which direction to take** in life, especially in areas where you've felt uncertain before. People around you respond well to your openness, and conversations flow naturally without you having to push or convince anyone of anything. This period softens the usual friction between what you want and what feels right, so you can move forward without second-guessing yourself.

♄ Saturn ♁ Opposition ♃ natal Jupiter · peak 31 Dec

Right now you're running into real limits on your optimism and spending habits. You feel **more cautious and doubtful** about plans that seemed exciting weeks ago, and money or time constraints are forcing you to scale back. This friction between your natural confidence and harsh reality is uncomfortable, but it's pushing you to be honest about what you can actually do instead of what you wish you could do.

♄ Saturn □ Square ♄ natal Chiron · peak 1 Dec

Right now you are **more aware of your own limitations and past hurts**, which makes it harder to brush them off or move past them quickly. You may feel blocked when trying to help others or do work that normally feels meaningful, because old doubts about your capability are surfacing. Over the coming weeks, facing these uncomfortable feelings directly, rather than avoiding them, is what will actually move you forward.

♄ Saturn * Sextile ♁ natal Moon · peak 31 Dec

Over the coming weeks, you find it easier to **stay calm when things go wrong**, because you're not caught up in emotional reactions like usual. Your practical side takes charge, letting you handle family problems or personal setbacks without falling apart. This is when you can actually do the mature, responsible things you know you should do, and they stick.

♃ Jupiter ∟ Semi sextile ♄ natal Chiron · peak 1 Dec

While this lasts, you feel more **willing to ask for help** with something that has bothered you for a while. *Jupiter* is gently opening a door that *Chiron* has kept closed, and you notice you're less defensive about admitting what hurts. Over the coming weeks, this small shift in attitude can lead to real conversations or actions that actually move you forward.

♆ Neptune △ Trine ♄ natal Chiron · peak 31 Dec

Over the coming weeks, you find it easier to talk about your past hurts without getting stuck in them. People seem to open up to you more readily because you listen without judgment or trying to fix things. Your **natural compassion** is flowing right now, making this a good time to help others or work through your own emotional wounds with a professional.

♆ Neptune □ Square ♁ natal Moon · peak 1 Dec

Your emotional life feels foggy and unreliable these days, making it hard to trust what you actually feel or what others are telling you. You may find yourself **withdrawing from people or losing interest in activities that usually matter to you**, without being able to explain why. Over the coming weeks, your gut instincts are working against you, so it helps to stick to concrete facts and avoid making big decisions based on how you feel right now.

♃ Mercury △ Trine ☉ natal Sun · peak 11 Dec

Your thinking is **clearer and more direct** right now, and people respond better when you explain yourself. You find it easier to say what you actually mean instead of second-guessing your words, which makes conversations feel less exhausting. Over the coming weeks, this mental clarity also helps you solve practical problems faster and notice details you usually miss.

♄ Saturn Rx · ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

LUNATIONS

○ Full Moon · Monday, 8 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H4 — Home & Family

Your home life and emotional foundations are under full illumination. A situation within the family or domestic sphere is reaching a point where **something must be acknowledged, resolved, or released**. Old patterns around belonging, security, or private matters surface with unusual clarity. This full moon often coincides with a change of residence, a family conversation that's been overdue, or a significant shift in how you feel about where you belong.

● New Moon · Tuesday, 23 Dec

in ♑ Capricorn

long-term goals, ambition, structural reset

in H11 — Community & Goals

A fresh cycle is opening around **friendships, group affiliations, and your hopes for the future**. This is the right time to join a new community, strengthen bonds with people who share your values, or clarify what you truly want from the years ahead. Social connections formed under this lunation often turn out to be meaningful and lasting. A dream or long-term goal that's been forming in the background is ready to move from the conceptual stage to the practical.

KEY DATES

Wed, 3 Dec ☿ Mercury enters ♑ Capricorn

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Mon, 8 Dec Full Moon in Gemini

☿ Mercury △ Trine ☾ natal Moon

Thu, 11 Dec ☿ Mercury △ Trine ☼ natal Sun

Wed, 17 Dec ♂ Mars enters ♈ Aries

Mars in *Aries* brings **directness and speed** to how people push for what they want, whether at work or in conversations. You'll notice people **act faster** on decisions and speak up more bluntly instead of holding back, which can get things done quickly but also create friction if someone feels steamrolled. In practical terms, this is when **competition heats up** — at the gym, in meetings, on projects — and people have less patience for delays or obstacles.

Thu, 18 Dec ☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

Sun, 21 Dec ♀ Venus enters ♒ Aquarius

♄ Saturn * Sextile ☼ natal Sun

♅ Uranus □ Square ♇ natal Pluto

Venus in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

Mon, 22 Dec ☼ Sun enters ♑ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Tue, 23 Dec New Moon in Capricorn

Thu, 25 Dec ☿ Mercury △ Trine ☾ natal Moon

Tue, 30 Dec ♅ Uranus enters ♋ Pisces

♄ Saturn * Sextile ☼ natal Sun

Uranus in *Pisces* makes people **question old routines** around care, creativity, and helping others—you might suddenly want to switch jobs, change how you handle emotions, or try unfamiliar healing methods. At work and in relationships, expect more **unpredictable behavior** from people who usually seem stable, and watch for sudden shifts in how groups tackle problems together. The pattern is **breaking free from what doesn't fit**, so practical changes pile up—new tech replaces old systems, friendships reorganize, and people get restless with the same approaches to health and spirituality.

Wed, 31 Dec ☿ Mercury enters ♐ Sagittarius

♄ Saturn □ Square ♁ natal NNode

♅ Uranus □ Square ♇ natal Pluto

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice

big-picture talk taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.
