♁ North Node	in	♎ Libra	9°27'41"	VIII Rx
♁ Lilith	in	♌ Leo	7°56'00"	VII

## KEY TRANSIT FACTORS

### ♄ Saturn ☐ Square ♃ natal Jupiter · peak 30 Sep ★

Right now you are running into real limits on plans you thought were solid, and it feels frustrating because you expected things to move faster. Your natural **optimism about what's possible hits a wall**, and you have to sit with delays, rejections, or the plain fact that something costs more than you budgeted. Over the coming weeks, this friction between your hopes and actual circumstances forces you to get honest about what you can actually do, which is uncomfortable but necessary.

### ☉ Sun △ Trine ☾ natal Moon · peak 1 Sep ★

Right now you find it easier to **trust your gut feelings** and act on them without second-guessing yourself. Your emotional needs and practical decisions are lining up well, so you feel more settled and confident in what you want. Over the coming weeks, people around you will likely notice you seem calmer and more genuine than usual.

### ♄ Saturn ☿ Quincunx ☾ natal Moon · peak 26 Sep

These days you feel a mismatch between what you need emotionally and what your life is actually set up to give you. You might find yourself feeling restless or slightly out of sync in your daily routines, or noticing that **your usual comfort strategies stop working the way they normally do**. Over the coming weeks, small adjustments to how you manage your time or handle responsibilities may help you feel more settled again.

### ♃ Jupiter △ Trine ♇ natal Pluto · peak 5 Sep

These days you find yourself **taking decisive action on things you've been planning for months**, and obstacles that usually block you seem to move out of the way. Your confidence in your own judgment is unusually high right now, so you trust your instincts about what needs to change in your life and you follow through. Over the coming weeks, this practical momentum can help you reshape a situation that's been stagnant or remove something that no longer serves you.

### ♁ NNode ♂ Conjunction ♃ natal Jupiter · peak 18 Sep

Right now you're drawn to say yes to more opportunities than usual, and people respond well when you do. You feel more confident about your own opinions and less worried about being wrong, which makes you speak up in conversations where you'd normally stay quiet. Over the coming weeks, this confidence can help you move forward on something you've been hesitant about, though it's worth checking if you're overestimating what you can actually take on.

### ♁ NNode △ Trine ☾ natal Moon · peak 30 Sep

Right now you find it easier to **trust your gut feelings** about what you need, and people around you respond well to this honesty. Your emotional boundaries feel more natural to maintain without effort or guilt. Over the coming weeks, you're likely to make social choices that actually suit you instead of just going along with others.

### ♄ Saturn ☉ Opposition ♄ natal Saturn · peak 15 Sep

You're running into **resistance from people in authority or from your own past commitments** right now, and it feels like the ground is shifting under you. What used to work—your routines, your long-term plans, the way you've always managed things—suddenly feels outdated or too restrictive. Over the coming weeks, you'll need to rebuild your approach to discipline and responsibility, which means letting go of some habits that no longer serve you, even though that discomfort is real and legitimate.

### ♃ Jupiter \* Sextile ♅ natal Uranus · peak 1 Sep

You feel more **willing to try new approaches** to problems that have stalled, and practical opportunities show up that wouldn't have occurred to you before. Your natural caution loosens just enough to let you act on ideas you'd normally dismiss as too risky or unconventional. Over the coming weeks, this openness pays off in concrete ways—whether that's a new connection, a different way of working, or simply discovering that change is less frightening than you thought.

### ♇ Pluto ☐ Square ♿ natal Mercury · peak 30 Sep

Right now you are **second-guessing everything you say**, replaying conversations and worrying you have said too much or the wrong thing. Your mind feels heavy and suspicious, making you reluctant to share your thoughts or ask for what you need. Over the coming weeks, this paranoia about communication can isolate you from the people around you unless you push through the discomfort and speak anyway.

### ♁ NNode ☐ Square ♁ natal NNode · peak 1 Sep

Right now you feel pulled in two directions about what you should be doing with your time and energy. You might say yes to commitments that conflict with each other, or feel **restless and unable to settle** on a clear priority. Over the coming weeks, this confusion usually pushes you to make a hard choice about which direction actually matters to you.

### ♄ Saturn ☌ Conjunction ♿ natal Mercury · peak 1 Sep

Right now your thinking feels slower and more deliberate than usual, and you're less likely to speak without considering the consequences first. You may find that conversations require more effort, and you're naturally filtering out unnecessary talk or commitments you can't keep. This period pushes you toward being more careful with your words and more realistic about what you actually know versus what you're guessing at.

### ♆ Neptune ∟ Semi sextile ♆ natal Neptune · peak 30 Sep

Your **intuition about people feels unusually reliable** right now, and you find yourself noticing things others miss in conversations and social situations. You're picking up on subtle emotional cues without trying, which makes you more naturally attuned to what others actually need rather than what they say they need. This quiet perceptiveness helps you connect with people in a genuine way and gives your relationships a softer, more understanding quality over these coming weeks.

### ♅ Uranus △ Trine ♇ natal Pluto · peak 1 Sep

You find yourself **taking practical action on changes you've wanted to make** without getting stuck in overthinking or self-doubt. This period brings a natural confidence that old patterns no longer serve you, so you move forward with less resistance than usual. Over the coming weeks, you're more likely to follow through on those shifts you've been planning instead of just talking about them.

### ♁ NNode △ Trine ☉ natal Sun · peak 1 Sep

Right now you find it easier to **say what you actually want** instead of staying quiet or going along with others. People around you respond well to your directness because it comes across as honest rather than aggressive. Over the coming weeks, you might notice doors opening simply because you stopped hiding what matters to you.

### ♆ Neptune ♁ Quincunx ♂ natal Mars · peak 30 Sep

Over the coming weeks, you may find your usual drive and confidence feel slightly out of sync with what's actually happening around you. Your instinct to act or push forward keeps bumping up against situations that need a softer touch or more patience than you'd normally give them. **You're more likely to second-guess your own strength**, which can work either way—sometimes holding back saves you trouble, and sometimes it just creates frustration with yourself.

### ♿ Mercury Rx · ♍ Virgo

Your attention sharpens on errors and inefficiencies right now, sometimes to the point of paralysis. Details that were overlooked resurface, and work or health plans made earlier may need correction. This period rewards meticulous review but punishes perfectionism that prevents completion.

### ♃ Jupiter Rx · ♈ Aries

Expansion and confidence retreat inward during this period, and bold initiatives launched recently may feel overextended. The impulse to charge forward is replaced by a quieter, more honest review of where your genuine optimism is warranted. Reassessment serves you better than new beginnings right now.

\* = natal resonance — this transit echoes your birth chart, amplifying its influence

## LUNATIONS

---

● New Moon · Wednesday, 8 Sep

in ♍ Virgo

practical renewal, health habits, daily routines

in H7 — Partnerships

A significant new chapter in your one-on-one relationships is beginning. Whether in **romantic partnership, business collaboration, or important agreements**, this lunation plants seeds that will mature over the next six months. The people you meet or commit to now carry lasting significance. If you've been considering a serious conversation with a partner or are ready to formalize a collaboration, this is the most supportive moment to take that step.

○ Full Moon · Wednesday, 22 Sep

in ♋ Pisces

emotional release, endings, heightened sensitivity

in H1 — Self & Identity

Something significant about your identity and self-presentation is coming to a head. A situation that has been developing is now reaching a **turning point involving your confidence, independence, or personal direction**. Others see you clearly now — which can bring recognition but also reveals whatever you've been projecting unconsciously. Decisions made at this peak about how you want to show up in the world will carry lasting weight. Your personal needs deserve to come first.

#### KEY DATES

**Wed, 1 Sep** ♃ Jupiter \* Sextile ☿ natal Uranus

♇ Pluto ☐ Square ♃ natal Mercury

♄ Saturn ☌ Conjunction ♃ natal Mercury

**Sun, 5 Sep** ♃ Jupiter △ Trine ♇ natal Pluto

**Wed, 8 Sep** New Moon in Virgo

**Thu, 9 Sep** ♀ Venus enters ♏ Scorpio

♃ Jupiter enters ♋ Pisces

*Venus* in *Scorpio* makes people **more direct and intense** about what they want from others, cutting through small talk and surface-level connection. In relationships and at work, you'll notice people asking harder questions, setting clearer boundaries, and **pulling back from anything that feels fake** or half-hearted. This transit typically brings **deeper focus** on a few close connections rather than spreading energy wide, and people tend to be more honest about money, loyalty, and what they actually need.

**Mon, 13 Sep** ☿ Mercury stations Direct

*Mercury* stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

**Tue, 14 Sep** ♇ Pluto stations Direct

When *Pluto* stations direct, **stuck situations finally start to shift** — whether that's a delayed decision at work, a relationship stalemate, or a project waiting for approval. *Pluto* retrograde tends to lock things in place, so you'll notice **momentum returning** and people becoming willing to commit or move forward where they've been hesitant. Over the next few weeks, whatever felt **blocked or unclear becomes easier to see and act on**, though real change still takes time.

**Wed, 15 Sep** ♂ Mars enters ♏ Scorpio

♄ Saturn ☌ Opposition ♄ natal Saturn

*Mars* in *Scorpio* brings **sharper focus** and **longer attention span** — people tend to stick with difficult projects instead of jumping between tasks. In relationships and work, you'll notice more **direct confrontation** of problems that were ignored before, which can clear the air but also creates tension if handled carelessly. *Mars* here makes people **dig deeper** into whatever they're doing, whether that's research, fitness routines, or figuring out why something isn't working.

**Sat, 18 Sep** ♄ NNnode ☌ Conjunction ♃ natal Jupiter

**Wed, 22 Sep** Full Moon in Pisces

**Thu, 23 Sep** ☉ Sun enters ♎ Libra

*Sun* in *Libra* brings a shift toward **balance and fairness** in how you handle everyday decisions, and people often find themselves **weighing options more carefully** before committing to anything. At work and in relationships, you'll likely notice a stronger pull to **listen to others' viewpoints** and smooth over tension, even when you'd normally push your own agenda. This transit tends to make **partnerships and teamwork** feel more natural and rewarding than solo efforts, so group projects and one-on-one conversations typically go smoother during the next month.
