♁ North Node	in ♎ Libra	9°27'41"	VIII Rx
♁ Lilith	in ♌ Leo	7°56'00"	VII

KEY TRANSIT FACTORS

♁ NNode ☐ Square ♄ natal Saturn · Sunday 16 Feb

Right now you feel caught between wanting to try something new and a nagging fear that you will fail or waste time. You become **unusually self-critical about your abilities** and may avoid taking any real action because the stakes feel too high. Over the coming weeks this friction between caution and growth can actually force you to make a real choice instead of drifting, though the discomfort while you decide is genuine.

♁ Chiron ☉ Opposition ♃ natal Mercury · Sunday 16 Feb

Over the coming weeks, you find yourself second-guessing what you say before you say it, and wondering if people are really listening to you the way they used to. **Self-doubt creeps into conversations** that should feel easy, leaving you more cautious about sharing your actual thoughts. This is a practical problem right now because unclear communication at work or with people close to you can create misunderstandings that take real effort to fix once they happen.

♅ Uranus ☿ Quincunx ♃ natal Mercury · Sunday 16 Feb

While this lasts, your thinking becomes harder to organize—ideas arrive faster than you can sort them, and your usual way of explaining things stops working the way it normally does. You might find yourself changing your mind mid-conversation or struggling to finish a sentence because a completely different thought cuts in. This isn't permanent confusion, just a temporary mismatch between how your brain wants to work right now and how it usually operates.

♇ Pluto ☉ Opposition ♀ natal Venus · Sunday 16 Feb

While this lasts, you may feel **drawn to people or situations that feel compulsive rather than genuinely close**, and existing relationships can feel shallow or unsatisfying by comparison. You might push away someone you care about without fully understanding why, or find yourself attracted to dynamics that involve control or power rather than real connection. These days, your usual way of being likeable or accommodating stops working, and that discomfort is real—but it's also forcing you to ask what you actually want instead of what you think you should want.

♄ Saturn ☉ Conjunction ♆ natal Neptune · Monday 10 Feb

Right now you feel less inclined to daydream or escape into fantasy, and instead want to deal with practical reality. You may notice that vague plans or wishful thinking that once appealed to you now feel pointless, making you **more direct and realistic about what you can actually accomplish**. Over the coming weeks, this clarity can help you sort out which goals are worth your time and which ones were just pleasant distractions.

♄ Saturn ☉ Opposition ♂ natal Mars · Monday 10 Feb

Right now you're running into real resistance whenever you try to push forward with your plans. Your usual drive feels blocked or slowed down, and what normally comes easily now requires twice the effort and planning. **You're learning that not everything can be forced**, and this frustration is the teacher—but it's an uncomfortable lesson that lasts weeks.

♁ NNode * Sextile ♀ natal Moon · Monday 10 Feb

These days you're naturally **more comfortable opening up to people** about what you actually feel instead of keeping things hidden. Your emotional honesty tends to create real connection rather than awkwardness, and others respond by being honest back. Over the coming weeks, this straightforward way of relating makes your relationships feel less exhausting and more genuine.

♇ Pluto ☌ Opposition ♂ natal Mars · Sunday 16 Feb

You feel blocked or thwarted whenever you try to act on what you want right now, as if something invisible is pushing back against your efforts. Your usual confidence in your own power drops, and you second-guess decisions you would normally make without hesitation. Over the coming weeks, you may notice yourself either withdrawing from conflict or pushing harder than usual, both of which drain you more than they move you forward.

♃ Jupiter ☐ Square ♄ natal Chiron · Monday 10 Feb

Right now your **tendency to overestimate what you can fix** is causing real friction in your relationships and work. You are pushing too hard to solve problems that belong to other people, and they are pulling back or getting annoyed with your interference. Over the coming weeks, you will need to learn where your actual limits are by running into them repeatedly.

♇ Pluto ☌ Conjunction ♆ natal Neptune · Sunday 16 Feb

You may find yourself **questioning beliefs or systems you've relied on** right now, as your usual sense of certainty starts to feel thin. What used to comfort you — a routine, a relationship dynamic, a way of thinking — can suddenly look hollow or false from your perspective. This confusion is uncomfortable but honest, and it typically clears once *Pluto* moves past your *Neptune*.

KEY DATES

Sun, 16 Feb ♂ Mars enters ♑ Capricorn
