## KEY TRANSIT FACTORS

### ☉ Sun △ Trine ☾ natal Moon · Monday 28 Dec ★

Right now you find it easier to **trust your gut feelings** and act on them without second-guessing yourself. Your emotional needs and practical decisions are lining up well, so you feel more settled and confident in what you want. Over the coming weeks, people around you will likely notice you seem calmer and more genuine than usual.

### ♄ Saturn ♂ Conjunction ♅ natal Uranus · Monday 28 Dec

Right now you feel **caught between wanting to break free and needing to be responsible** about it. You're more aware of the rules and limits around you, which makes any impulsive urge to rebel feel heavier or less appealing. Over the coming weeks, this usually shows up as delayed or reconsidered decisions rather than sudden change.

### ♃ Jupiter △ Trine ☿ natal Mercury · Sunday 3 Jan

Right now your thinking is clearer than usual and you find it easier to explain what you mean to other people. You're picking up on details and patterns you normally miss, which helps you solve problems faster and make better decisions in practical situations. This is a good time to write, teach, negotiate, or learn something new because your mind is working **with less friction** and your words land better with others.

### ♇ Pluto ♂ Opposition ♀ natal Venus · Sunday 3 Jan

While this lasts, you may feel **drawn to people or situations that feel compulsive rather than genuinely close**, and existing relationships can feel shallow or unsatisfying by comparison. You might push away someone you care about without fully understanding why, or find yourself attracted to dynamics that involve control or power rather than real connection. These days, your usual way of being likeable or accommodating stops working, and that discomfort is real—but it's also forcing you to ask what you actually want instead of what you think you should want.

### ♅ Uranus ♂ Conjunction ☾ natal Moon · Monday 28 Dec

You feel restless in your emotional life right now and want to break free from familiar patterns without fully understanding why. Your moods shift more suddenly than usual, and you may **make unexpected changes to your living situation or daily routines** just to feel different. These sudden moves often feel necessary at the time, though you might question them once the impulse passes.

### ♁ Lilith ♂ Conjunction ☾ natal Moon · Monday 28 Dec

These days you're more aware of what you actually want instead of what you think you should want, and you're less willing to hide those preferences to keep others comfortable. You might say no more often, set firmer boundaries, or express frustration you've been holding back, which can feel liberating or create friction depending on who's listening. This **clearer sense of your own needs** is real and worth paying attention to, even if the delivery feels a bit raw right now.

### ♄ Chiron ☌ Conjunction ♄ natal Saturn · Sunday 3 Jan

Over the coming weeks, you become more aware of the **limits you've accepted without questioning them**. You notice old rules and boundaries that once felt necessary but now feel outdated or overly rigid. This period invites you to examine what you've built your stability on and whether those foundations still serve you.

### ♄ Saturn \* Sextile ♅ natal Pluto · Monday 28 Dec

You find it easier to **stick with difficult changes** right now without feeling overwhelmed by them. This period supports you in handling practical problems that need real commitment, like restructuring your finances or ending a relationship that no longer works. *Saturn* and *Pluto* are helping you make tough decisions with a clear head and then follow through without second-guessing yourself.

### ♃ Jupiter ☌ Conjunction ♂ natal Uranus · Monday 28 Dec

Right now you feel **restless with your usual routines** and want to try new approaches to familiar problems. You might suddenly decide to change how you work, spend money, or organize your day just because the old way feels boring. This period pushes you toward practical experiments rather than staying comfortable with what you know.

### ♅ Pluto ☌ Opposition ♂ natal Mars · Sunday 3 Jan

You feel blocked or thwarted whenever you try to act on what you want right now, as if something invisible is pushing back against your efforts. Your usual confidence in your own power drops, and you second-guess decisions you would normally make without hesitation. Over the coming weeks, you may notice yourself either withdrawing from conflict or pushing harder than usual, both of which drain you more than they move you forward.
