LUNATIONS THIS MONTH

- Full Moon in Scorpio · 1 May 2026
- New Moon in Taurus · 16 May 2026
- Full Moon in Sagittarius · 31 May 2026

DAY BY DAY

1 May Fri	● Full Moon	♏ Scorpio	15 Id
Psychological intensity rises for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.			
2 May Sat	● Full Moon	♏ Scorpio	16 Id
3 May Sun	● Full Moon	♐ Sagittarius	17 Id
Restlessness with routine increases during this transit, and the desire to break out of familiar patterns grows. Opinions get expressed more freely and with less filtering for the next day or two.			
4 May Mon	○ Waning Gibbous	♐ Sagittarius	18 Id
5 May Tue	○ Waning Gibbous	♐ Sagittarius	19 Id
6 May Wed	○ Waning Gibbous	♑ Capricorn	20 Id

Focus narrows toward responsibilities and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.

7 May Thu		Waning Gibbous	 Capricorn	20 Id
8 May Fri		Last Quarter	 Aquarius	21 Id
Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.				
9 May Sat		Last Quarter	 Aquarius	22 Id
10 May Sun		Last Quarter	 Aquarius	23 Id
11 May Mon		Last Quarter	 Pisces	24 Id
The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.				
12 May Tue		Waning Crescent	 Pisces	25 Id
13 May Wed		Waning Crescent	 Aries	26 Id
Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.				
14 May Thu		Waning Crescent	 Aries	27 Id
15 May Fri		Waning Crescent	 Taurus	28 Id
The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.				
16 May Sat		Waning Crescent	 Taurus	30 Id
17 May Sun		New Moon	 Gemini	1 Id
Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.				
18 May Mon		Waxing Crescent	 Gemini	2 Id
19 May Tue		Waxing Crescent	 Cancer	4 Id
Sensitivity to tone and atmosphere runs higher than usual over the next 48 hours, making small remarks feel more significant than intended. The draw toward home, familiar food, and trusted people dominates most decisions.				
20 May Wed		Waxing Crescent	 Cancer	5 Id
21 May Thu		Waxing Crescent	 Leo	6 Id
The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.				
22 May Fri		First Quarter	 Leo	7 Id
23 May Sat		First Quarter	 Virgo	8 Id
Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. The tendency to organize, correct, and refine runs stronger for the next day or two, sometimes at the cost of the bigger picture.				
24 May Sun		First Quarter	 Virgo	9 Id
25 May Mon		Waxing Gibbous	 Virgo	10 Id
26 May Tue		Waxing Gibbous	 Libra	11 Id
The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.				
27 May Wed		Waxing Gibbous	 Libra	12 Id
28 May Thu		Waxing Gibbous	 Scorpio	13 Id
Psychological intensity rises for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.				
29 May Fri		Full Moon	 Scorpio	14 Id
30 May Sat		Full Moon	 Scorpio	14 Id
31 May Sun		Full Moon	 Sagittarius	15 Id

Restlessness with routine increases during this transit, and the desire to break out of familiar patterns grows. Opinions get expressed more freely and with less filtering for the next day or two.
