### TRANSIT ASPECTS

♂ Mars  $\Delta$  Trine ♁ NNode · 0.3°

These days you find it easier to take action toward things that actually matter to you instead of just going through the motions. You're **more willing to say yes to opportunities** that feel right, even when they're unfamiliar or require courage. This period helps you move forward on goals you've been thinking about, and people around you tend to be more receptive when you take the lead.

♇ Pluto \* Sextile ♁ NNode · 0.4°

These days you find it easier to **let go of what no longer fits** in your life without the usual drama or resistance. *Pluto* sextile your *North Node* means practical changes feel natural right now, like you are finally ready to outgrow old habits or relationships that have held you back. This period gives you the psychological clarity to make the hard calls cleanly, and you notice people around you doing the same.

☾ Moon  $\sigma$  Conjunction ♇ Pluto · 0.4°

Right now you are more aware of what you actually feel underneath the surface, and you may find yourself **bringing buried emotions into conversations** without planning to. People around you are doing the same thing, which means the social atmosphere tends toward intensity and honesty instead of small talk. This period asks you to notice what you have been avoiding emotionally and to accept that some feelings need to come out.

♂ Mars  $\sigma$  Opposition ♇ Pluto · 0.7°

Right now you feel an urge to push forward on something, but you also sense invisible resistance—either from other people or from practical obstacles you can't quite control. This creates a **frustrated, aggressive energy** where your efforts seem to meet equal and opposite force, leaving you exhausted rather than productive. The psychological effect is that you want to prove yourself or win, but the harder you push, the more you trigger defensive reactions from others or consequences you didn't expect.

☾ Moon \* Sextile ♁ NNode · 0.8°

These days you find it easier to **act on what matters to you** without overthinking or second-guessing yourself. Your emotional instincts are pointing you toward choices that actually fit your life, and you feel less resistance when you make them. The practical effect is that you move forward on things you've been sitting with, whether that's a conversation you needed to have or a decision you've been delaying.

♀ Venus  $\angle$  Semi-sextile ♆ Neptune · 0.9°

These days you find it easier to **connect with people on an emotional level** without needing to explain yourself in detail. Your natural warmth comes through, and others respond to the gentleness in how you show up. This mild support between *Venus* and *Neptune* softens the usual barriers in conversation, making it a good time to deepen friendships or have honest talks about what matters to you.

☾ Moon  $\sigma$  Opposition ♂ Mars · 1.1°

Right now your **irritability is running high** and small annoyances feel like major problems. People around you seem to trigger you faster than usual, and you may snap at them or pick fights without meaning to. These days the gap between what you feel and what you're actually able to do creates real frustration, so patience is thin on the ground for everyone.

♃ Jupiter  $\square$  Square ♄ Saturn · 1.4°

Right now you're bumping up against real limits while wanting to expand. **You push forward on something important, then immediately hit a wall of practical constraints or someone's resistance.** This friction between what you want and what's actually possible will keep showing up until you get realistic about the cost of your plans.

☿ Mercury  $\Delta$  Trine ♄ Chiron · 1.5°

These days you find it easier to talk about things that usually feel difficult or embarrassing. Your words come out clearer when you discuss past hurts or mistakes, and other people respond by actually listening instead of getting defensive. This **straightforward honesty about your own struggles**

creates real understanding between you and the people around you.

☉ Sun ☌ Quincunx ♃ Jupiter · 1.8°

These days you feel pulled between wanting to take action and doubts about whether you're doing enough, which can leave you **restless and second-guessing your choices**. Your confidence in what you're doing right now doesn't quite match what you think you should be doing, so you might start something and then hesitate or change direction. This mismatch between your actual situation and your sense of what's possible tends to create practical friction rather than clear obstacles.

☾ Moon ∟ Semi-sextile ♀ Venus · 2.4°

These days you find it easier to **say what you actually feel** without worrying so much about how it lands. The emotional and social parts of you are working together instead of against each other, so expressing affection or gratitude comes naturally. This is a good window for having honest conversations with people you care about without the usual awkwardness getting in the way.

♀ Venus ∟ Semi-sextile ♇ Pluto · 2.8°

These days you find it easier to have **honest conversations about what matters to you** without pushing people away or pretending everything is fine. *Venus* and *Pluto* working together like this means your relationships can go deeper naturally, without the usual awkwardness or fear. You are more willing to show vulnerability, and people respond by taking you more seriously.

☉ Sun \* Sextile ♄ Saturn · 3.2°

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

☾ Moon \* Sextile ♆ Neptune · 3.4°

These days you find it easier to notice what other people actually need instead of just hearing their words. Your **emotional radar works better**, so you pick up on sadness or worry someone is hiding, and you naturally want to help. This is a good time to listen more carefully or offer support without being asked, because people will feel genuinely seen by you.
