## KEY DATE

### ♇ Pluto stations Direct

When *Pluto* stations direct, **stuck situations finally start to shift** — whether that's a delayed decision at work, a relationship stalemate, or a project waiting for approval. *Pluto* retrograde tends to lock things in place, so you'll notice **momentum returning** and people becoming willing to commit or move forward where they've been hesitant. Over the next few weeks, whatever felt **blocked or unclear becomes easier to see and act on**, though real change still takes time.

## KEY TRANSIT FACTORS

### ♂ Mars ∟ Semi sextile ♀ natal Venus ★

These days you feel more **confident when connecting with people** you care about, and small gestures of affection come naturally to you. Your *Mars* is working smoothly with your *Venus*, making it easier to express what you want without being pushy or awkward about it. Over the coming weeks, you might find that conversations flow better and you're less hesitant to take the social initiative.

### ♇ Pluto \* Sextile ♁ natal Chiron

Right now you find it easier to **talk about past hurts without getting stuck in them**, which means conversations about difficult experiences feel less raw than usual. You're more willing to listen to other people's pain too, and they seem to respond by opening up to you in ways that deepen your relationships. Over the coming weeks, this natural confidence in handling hard topics gives you a practical advantage in resolving conflicts that have been hanging around.

### ♆ Neptune qx Quincunx ♃ natal Mercury

Over the coming weeks, you may find your thinking becomes **less direct and harder to organize** than usual. You might struggle to explain your ideas clearly to others, or notice that conversations wander off track more easily. This isn't permanent — it's just *Neptune* softening your usual mental sharpness, so patience with yourself during this period will help you move through it.

### ♅ Uranus ∞ Opposition ♂ natal Mars

Right now you feel **restless and impatient with your own plans**, and anything that requires you to wait or follow a schedule feels unbearable. You may act on impulse in situations where you normally think things through, which can create friction with people who depend on your reliability. Over the coming weeks, this clash between your need for sudden change and your usual way of taking action will force you to notice where you've become too rigid or stuck.

### ♄ Saturn \* Sextile ♂ natal Mars

Right now you find it easier to **follow through on what you start**, because your usual impatience is balanced by a real willingness to do things properly. Your practical side gets stronger while *Saturn* supports your *Mars*, so you can push hard without burning out or making careless mistakes. Over the coming weeks you'll likely notice you accomplish more because you're working smarter instead of just harder.

### ☉ Sun ☾ Semi sextile ♀ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

### ☉ Sun ☾ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

### ☉ Sun △ Trine ♃ Chiron

Right now you find it easier to **talk about what actually happened to you** without getting defensive or ashamed. Your practical ability to understand your own patterns improves, and you can explain your mistakes to others without needing to apologize repeatedly. This makes conversations feel clearer and less emotionally exhausting than usual.
