## KEY TRANSIT FACTORS

### ♄ Saturn \* Sextile ☉ natal Sun

Right now you find it easier to stick with what you commit to, and people notice your reliability. You're not rushing to prove yourself or grab attention—you're simply doing the work, and that **steady focus** gains real respect. Over the coming weeks, this is a good time to tackle something practical that requires patience and follow-through.

### ♀ Venus ☉ Opposition ♂ natal Mars

Right now you're caught between what you want and what others want from you, and the clash is hard to ignore. You feel **restless and irritable** when people don't match your pace or energy, and you're more likely to snap or push back instead of finding middle ground. These days your relationships and attractions carry more friction than usual, and it takes real effort to slow down enough to actually listen.

### ☿ Mercury △ Trine ♃ natal Jupiter

These days you find it easier to explain what you actually think, and people tend to listen without getting defensive. Your mind feels **naturally clear and generous**, so you're more likely to ask good questions and give others the benefit of the doubt when you talk. Over the coming weeks, conversations that normally feel strained or circular often just work out, which can smooth things at work or in your relationships.

### ♁ Chiron ☉ Opposition ♇ natal Pluto

Right now you are **confronting ways you control situations through fear or secrecy**, and it feels uncomfortable because someone or something is forcing you to see what you have been hiding from yourself. You may notice that your usual tactics for managing relationships or power no longer work, leaving you feeling exposed and defensive. These days it is worth sitting with this discomfort instead of retreating into old patterns, because what feels threatening right now is actually showing you where real change needs to happen.

### ♁ NNode □ Square ♅ natal Uranus

Right now you're caught between wanting to break free and feeling pulled toward fitting in with a group or community, which creates real friction in your social life. You might find yourself saying yes to commitments you don't actually want, then suddenly rejecting them or picking fights over small things. Over the coming weeks, this restlessness will push you to examine which relationships or groups are genuinely yours and which ones you've stayed in out of habit or obligation.

### ♄ Saturn Rx · ♌ Leo

Ambition and the structures supporting creative or public expression face an honest review during this period. Recognition that has been slow to arrive may be prompting important reassessment of your goals or methods. Internal validation serves you more right now than seeking external acknowledgment.

☉ Sun ☌ Semi sextile ♂ Mars

These days you feel **motivated to take small steps forward** without forcing things or burning out. Your practical energy matches what you actually want to do right now, so starting a project or having a difficult conversation feels less exhausting than usual. This is a good window to build momentum on something you care about while the effort still feels natural.

☉ Sun ☌ Conjunction ♄ Chiron

At the moment, you're more aware of your own weak spots and how they show up in everyday life. You might feel less confident than usual, or notice old patterns of self-doubt coming up without much warning. This is actually useful because **you can see yourself more clearly right now** — the discomfort is pointing you toward something real that deserves attention.

☾ Moon \* Sextile ♀ Venus

Right now you find it easier to **express what you actually feel** without worrying what others will think. People around you respond well because you seem more genuine and relaxed than usual. This is a good period to have honest conversations or do something kind for someone close to you.

LUNAR DAY

Moon in ♈ Aries · Day 7 / 30 · Waxing Crescent

**Impatience with delays** rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.

CLOTHING & JEWELRY
