## KEY DATE

### ♇ Pluto stations Direct

When *Pluto* stations direct, **stuck situations finally start to shift** — whether that's a delayed decision at work, a relationship stalemate, or a project waiting for approval. *Pluto* retrograde tends to lock things in place, so you'll notice **momentum returning** and people becoming willing to commit or move forward where they've been hesitant. Over the next few weeks, whatever felt **blocked or unclear becomes easier to see and act on**, though real change still takes time.

## KEY TRANSIT FACTORS

### ♁ Chiron Δ Trine ♀ natal Venus

You find it easier to talk about what you actually need from the people close to you without feeling guilty or defensive. Your **honesty about your own worth** comes across as calm instead of demanding, so others listen and respond well. Over the coming weeks, this directness helps you build relationships that feel more real because they're based on what you actually want, not what you think you should want.

### ♂ Mars ∟ Semi sextile ♁ natal Chiron

These days you're finding it easier to take action on things that usually make you hesitant or self-conscious. Your **willingness to try despite old doubts** is genuine right now, and small steps forward feel less risky than they normally do. Over the coming weeks, you may notice you're actually doing the practical work instead of just thinking about it.

### ☾ Moon ∟ Semi sextile ☾ natal Moon

Your **emotional reactions feel more measured** right now, and you notice yourself handling small frustrations without letting them pile up. People around you respond better because you're not carrying yesterday's mood into today's conversation. Over the coming weeks, this steadier emotional baseline makes it easier to notice what you actually need instead of just reacting to what's in front of you.

### ♅ Uranus Δ Trine ♂ natal Mars

These days you feel **willing to try things in new ways** without the usual hesitation that normally holds you back. Your practical actions become more flexible, and you find yourself breaking your own rules in ways that actually work out well. Over the coming weeks this confidence gives you the freedom to pursue goals that once seemed too risky or unconventional.

### ♇ Pluto □ Square ♃ natal Jupiter

Over the coming weeks, you're likely to feel blocked whenever you try to expand or move forward on something important to you. Your **impatience with limits** grows as obstacles appear exactly when you thought progress was guaranteed, making you push harder against resistance instead of stepping back. This period tests whether you can accept that some things need to shrink or transform rather than simply get bigger.

› Moon ☾ Semi sextile ♄ Saturn

These days you find it easier to **talk about practical problems without getting swept up in feelings**. The Moon and Saturn aspect makes emotional conversations feel steadier, so you can say what needs saying without drama. This is a good time to have difficult talks about real things because your head and your heart are working together instead of against each other.

› Moon ☾ Conjunction ♇ Pluto

Right now you are more aware of what you actually feel underneath the surface, and you may find yourself **bringing buried emotions into conversations** without planning to. People around you are doing the same thing, which means the social atmosphere tends toward intensity and honesty instead of small talk. This period asks you to notice what you have been avoiding emotionally and to accept that some feelings need to come out.

› Moon ✳ Sextile ♄ Chiron

Right now you are more willing to talk about things that usually stay hidden, and people around you sense this openness. Your emotional honesty creates **permission for others to be honest too**, and conversations that have been stuck for months suddenly move forward. This is a good window for having difficult talks with people you trust, because you can speak about real hurt without turning it into blame.

LUNAR DAY

Moon in ♑ Capricorn · Day 9 / 30 · First Quarter

**Focus narrows toward responsibilities** and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.
