## KEY TRANSIT FACTORS

### ☉ Sun ☌ Semi sextile ♆ natal Neptune

Right now you're picking up on subtle signals from people around you, noticing things others miss about their feelings and needs. This makes you **naturally more perceptive in conversations**, and people tend to open up to you without you having to ask much. Over the coming weeks this supportive quality can help you build closer connections, especially if you listen more than you talk.

### ♂ Mars △ Trine ♁ natal NNode

You're finding it easier to take action on things that actually matter to you right now. **You move forward with less self-doubt**, and people respond well to your directness and confidence. Over the coming weeks, opportunities show up because you're willing to try things that align with what you genuinely want.

### ♆ Neptune ☌ Quincunx ♁ natal Chiron

While this lasts, you may notice **difficulty separating your own pain from other people's problems**. You feel drawn to help or rescue someone, but the situation stays unclear and drains you without resolution. Over the coming weeks, set practical boundaries about what you can actually do rather than getting pulled into situations that feel emotionally important but ultimately aren't yours to fix.

### ♃ Jupiter □ Square ♂ natal Mars

Right now you are more likely to **overcommit and overestimate what you can actually do**, which leaves you frustrated when reality doesn't match your ambition. Your impatience is higher than usual, so small delays or obstacles feel like major blocks, and you may snap at people or push harder than makes sense. Over the coming weeks, learning to slow down and check your assumptions before acting will help you avoid wasting energy on projects that won't actually work out.

### ♇ Pluto ☌ Quincunx ♅ natal Uranus

You feel pulled between wanting to break free from something and not knowing exactly what to change or how. This inner restlessness can make you **act impulsively on plans that aren't fully thought through**, only to second-guess yourself days later. Over the coming weeks, small adjustments to your routines or relationships will feel more useful than any dramatic moves.

### ♀ Venus Rx · ♏ Scorpio

Deep-seated relationship patterns involving trust, control, or intimacy resurface during this period. Old jealousies, power imbalances, or unresolved emotional debts demand honest attention. What you have been avoiding about your closest connections is exactly what needs examination right now.

### ☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

### ☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

### ☉ Sun \* Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

## LUNAR DAY

Moon in ♋ Cancer · Day 20 / 30 · Waning Gibbous

Sensitivity to tone and atmosphere runs higher than usual over the next 48 hours, making small remarks feel more significant than intended. **The draw toward home, familiar food, and trusted people** dominates most decisions.

## CLOTHING & JEWELRY

Monday · ☾ Moon · Venus in Cancer
