KEY TRANSIT FACTORS

☉ Sun ☿ Quincunx ☉ natal Sun

Over the coming weeks you'll notice a **slight mismatch between what you want to do and what feels comfortable**, like you're being nudged in a direction that doesn't quite fit your usual style. You might feel restless about your daily choices or find that your normal routines no longer satisfy you in the same way. The practical move is to experiment with small adjustments rather than wait for things to feel perfectly aligned again.

♇ Pluto ∟ Semi sextile ☾ natal Moon

Over the coming weeks, you're finding it easier to **notice what you actually need emotionally** instead of ignoring it or pushing through. Small practical changes—like setting a boundary with someone or rearranging your daily routine—feel less exhausting because you're clearer about what matters to you. This shift gives you a steadier sense of control over your own life without needing to overhaul everything at once.

♇ Pluto ☿ Quincunx ♊ natal NNode

You feel pulled between what you want to do and what actually works right now, which can make decision-making awkward and frustrating. **You second-guess yourself more than usual**, especially about choices that affect your future or reputation. These days, sitting with this discomfort instead of forcing a decision will serve you better than rushing to resolve it.

♀ Venus * Sextile ♃ natal Jupiter

Right now you find it easier to say yes to social invitations and to be generous with your time and money without feeling like you're overdoing it. People respond well to you these days because you're **more relaxed and approachable**, which opens doors in both your personal relationships and practical opportunities. This period is ideal for asking for what you want or pursuing something you've been putting off, since your confidence and optimism are naturally higher.

♃ Jupiter △ Trine ♂ natal Mars

Right now you feel **more capable and willing to take action** on things you have been putting off. Your confidence in your own abilities is higher than usual, and you find yourself moving forward without the self-doubt that normally holds you back. Over the coming weeks, this is a good window to start a physical project, sign up for something challenging, or push for what you actually want instead of settling.

☿ Mercury Rx · ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

☉ Sun ☿ Quincunx ☾ Moon

At the moment, your **emotional needs and practical goals are pulling in different directions**, and this creates a low-level discomfort that's hard to name. You might feel restless or slightly out of sync—your body wants one thing while your mind is focused on something else entirely. This isn't a crisis, but it does mean you'll need to make small adjustments throughout the day to feel more settled.

☉ Sun ☿ Semi sextile ♂ Mars

These days you feel **motivated to take small steps forward** without forcing things or burning out. Your practical energy matches what you actually want to do right now, so starting a project or having a difficult conversation feels less exhausting than usual. This is a good window to build momentum on something you care about while the effort still feels natural.

☉ Sun ☿ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

LUNAR DAY

Moon in ♊ Gemini · Day 18 / 30 · Full Moon

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY
