## KEY DATE

### ☉ Sun enters ♑ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

## KEY TRANSIT FACTORS

### ☉ Sun ∠ Semi sextile ♀ Venus ★

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

### ♊ NNode ♂ Conjunction ☿ natal Mercury

While this lasts, you find yourself drawn to people and conversations that feel more meaningful than usual. You're more likely to speak up about things that matter to you and to **listen carefully when others share their real thoughts**. These days your practical communication skills improve, and you notice you can explain yourself more clearly in work meetings or personal discussions.

### ♄ Saturn qx Quincunx ♊ natal NNode

Right now you feel caught between what you're naturally drawn to and what actually works in practice. You notice yourself second-guessing choices that normally feel easy, which creates an awkward gap between your instincts and your actions. This **mismatch between intention and follow-through** will fade once *Saturn* moves past this angle, but while it lasts you benefit from checking your decisions twice rather than trusting your first instinct.

### ♂ Mars ∠ Semi sextile ☾ natal Moon

These days you're finding it easier to act on what you actually feel instead of sitting with emotions until they build up. Your instinct to do something practical when you're upset or restless is working well for you right now. This **willingness to move forward emotionally** means small conflicts settle faster and you feel less stuck in your own moods.

### ♇ Pluto qx Quincunx ☉ natal Sun

These days you feel pulled to change something about yourself or your life, but the direction isn't clear yet. You might notice **restlessness in how you present yourself** to others, or a sense that your usual way of handling things no longer fits. Over the coming weeks, small adjustments to your routine or how you assert yourself will feel more natural than any dramatic overhaul.

♅ **Pluto** ♌ **Semi sextile** ♌ natal **Moon**

Over the coming weeks, you're finding it easier to **notice what you actually need emotionally** instead of ignoring it or pushing through. Small practical changes—like setting a boundary with someone or rearranging your daily routine—feel less exhausting because you're clearer about what matters to you. This shift gives you a steadier sense of control over your own life without needing to overhaul everything at once.

☉ **Sun** ♋ **Conjunction** ♃ **Jupiter**

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

☉ **Sun** ♊ **Trine** ♅ **Uranus**

Right now you feel comfortable taking risks that normally make you anxious, and **you speak up about ideas you'd usually keep quiet**. Other people seem more receptive to what you have to say, and conversations naturally veer toward what could happen instead of what has always happened. This is a good time to propose changes at work, try something new socially, or make a practical decision you've been putting off.
