## KEY TRANSIT FACTORS

### ♀ Venus ☐ Square ♀ natal Venus

These days you feel **restless about what you want** and find it hard to settle on anything that normally makes you happy. You might pick fights with people you care about over small things, or suddenly feel disconnected from activities and relationships that usually feel satisfying. This friction between what you think you should want and what you actually want right now can push you to figure out what really matters to you, even though it feels uncomfortable while it lasts.

### ♄ Saturn △ Trine ♀ natal Venus

These days you're able to be **honest about what you actually want in relationships** without needing to please everyone or soften the truth. You find it easier to set practical boundaries with people and stick to them, because you're not second-guessing your own needs. This period gives you a real advantage in building connections that feel genuine instead of performative, so you can invest your emotional energy where it actually matters.

### ☿ Mercury ♂ Conjunction ♁ natal Lilith

Over the coming weeks, you're more likely to say things you'd normally keep quiet about. You may notice yourself **speaking bluntly or asking direct questions** that feel almost uncomfortable coming out of your mouth. This isn't cruelty — it's just that your usual social filter is thinner right now, and your mind is sharper about spotting what doesn't add up.

### ♁ Chiron ☐ Square ♄ natal Saturn

Right now you're noticing where you've built walls to protect yourself, and those same walls are making you feel trapped and isolated. You become **more critical of yourself and others**, expecting failure before you even try, which makes it harder to reach out or take reasonable risks. Over the coming weeks, this period pushes you to examine whether your caution is actually keeping you safe or just keeping you small.

### ♁ NNode ⚡ Quincunx ♁ natal Chiron

Over the coming weeks, you may notice that **old insecurities are surfacing in new situations**, especially when you are trying something unfamiliar. You feel aware of your weak spots but also slightly out of sync with how to address them. This mismatch between knowing what bothers you and knowing how to move forward can make practical decisions feel awkward or indirect.

### ♄ Saturn Rx · ♓ Pisces

The limits that protect your energy, compassion, and creative focus are being reconsidered right now. Boundaries that have been dissolved in the name of flexibility or kindness may be creating hidden costs. Building more deliberate structure into the areas of your life that feel most diffuse rewards you more than continued openness.

☉ Sun ☌ Quincunx ☾ Moon

At the moment, your **emotional needs and practical goals are pulling in different directions**, and this creates a low-level discomfort that's hard to name. You might feel restless or slightly out of sync—your body wants one thing while your mind is focused on something else entirely. This isn't a crisis, but it does mean you'll need to make small adjustments throughout the day to feel more settled.

☉ Sun △ Trine ♁ NNode

Right now you find it easier to **do what actually suits you** instead of what you think you should do. People around you notice you seem more confident in small choices, like speaking up in meetings or trying something new without overthinking it. This period supports you in building habits and friendships that feel genuinely right for your life.

☾ Moon ∟ Semi sextile ♁ NNode

Right now there is a quiet emotional permission to try something different in your daily life. You find it easier to notice what actually matters to you instead of what you think should matter, and this **honest self-awareness** makes small changes feel natural rather than forced. Over the coming weeks, you may discover that paying attention to your gut feelings about people and situations leads you toward choices that fit who you really are.

LUNAR DAY

Moon in ♈ Aries · Day 13 / 30 · Waxing Gibbous

**Impatience with delays** rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
