KEY TRANSIT FACTORS

☾ Moon ☌ Opposition ♁ NNode ★

Right now you feel pulled between what you want emotionally and what you know you need to do long term. You might **avoid making decisions** because your gut feelings conflict with your practical goals. These days people tend to act on comfort and habit instead of moving toward what actually serves them.

☾ Moon △ Trine ♄ natal Saturn

Right now you find it easier to stick to what matters and let go of what doesn't, because your emotions are working with your sense of responsibility rather than against it. You show **natural follow-through** on commitments and don't feel as pulled by distractions or self-doubt. Over the coming weeks, people notice you're reliable and calm, and you can handle practical tasks without the usual inner friction.

☉ Sun △ Trine ♂ natal Mars

Right now you're finding it easier to **act on what you actually want** instead of hesitating or second-guessing yourself. Your confidence in your own decisions is natural and steady, so tasks that normally feel like a push come through with real effort behind them. Over the coming weeks, you'll likely notice you're getting things done and people respond well to your direct, purposeful approach.

♅ Uranus ☌ Conjunction ♃ natal Mercury

Right now your thinking is unusually **restless and unpredictable**, and you may find yourself jumping between ideas or changing your mind more often than usual. People around you might notice you're speaking differently—more bluntly, more rapidly, or bringing up subjects you normally wouldn't mention. Over the coming weeks, this can shake up how you communicate at work or in relationships, so it helps to notice when you're being impulsive with your words.

♃ Mercury □ Square ♆ natal Neptune

Right now your thinking feels scattered and you struggle to pin down what you actually mean when you try to explain yourself. You say things you don't quite believe, or you get halfway through a sentence and realize you've lost your point completely. These mixed signals in your communication create **misunderstandings with people who matter to you**, and it takes real effort to slow down and say things clearly instead of in the fuzzy way that feels natural to you at the moment.

♀ Venus □ Square ♇ natal Pluto

Right now you may feel drawn into relationships or situations where you want more control than is realistic, and you become frustrated or resentful when you cannot have it. Your **need to dominate or possess** shows up in your romantic life and friendships, creating tension with people who sense your intensity. Over the coming weeks, this pattern will likely push others away unless you notice it and step back from trying to reshape them.

♄ Saturn Rx · ♌ Leo

Ambition and the structures supporting creative or public expression face an honest review during this period. Recognition that has been slow to arrive may be prompting important reassessment of your goals or methods. Internal validation serves you more right now than seeking external acknowledgment.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☾ Moon ∟ Semi sextile ♆ Neptune

These days you find it easier to **pick up on what others actually need** rather than what they say they need. Your emotional radar is working well, and people around you feel understood without having to explain everything. This *Moon* and *Neptune* connection creates a practical advantage: you can respond to unspoken requests and offer support that lands just right.
