KEY TRANSIT FACTORS

☾ Moon ☿ Opposition ♏ NNode ★

Right now you feel pulled between what you want emotionally and what you know you need to do long term. You might **avoid making decisions** because your gut feelings conflict with your practical goals. These days people tend to act on comfort and habit instead of moving toward what actually serves them.

♃ Jupiter ∟ Semi sextile ♀ natal Venus

Over the coming weeks, you find it easier to say yes to social invitations and to express what you actually like about the people around you. **You're more generous with compliments and attention**, which tends to make conversations warmer and more genuine. This small shift in how you show up socially often leads to better connections and a quiet sense of contentment in your relationships.

♆ Neptune ☐ Square ♀ natal Venus

Right now you are **drawn to people and situations that are not what they seem**, and you will likely regret the time and money you invest in them. *Neptune* is blurring your judgment about what you actually want from relationships and what others can realistically give you. Over the coming weeks, pay close attention to the gap between the promises people make and what they actually deliver, because your usual ability to read a situation is temporarily offline.

♂ Mars ☌ Conjunction ♆ natal Neptune

These days you may notice your usual ability to focus has gotten softer, and you find yourself drawn toward activities that feel more open-ended or creative rather than goal-driven. You're more **intuitive about what you want**, but acting on it is harder because you can't quite pin down what your actual target is. Over the coming weeks, this cloudiness will fade, and your normal clarity will return.

♏ NNode * Sextile ♁ natal Chiron

Over the coming weeks, you find it easier to **talk openly about past hurts without getting stuck in them**. People respond well when you share something real about yourself because you're no longer defending or minimizing what happened. This practical shift in how you communicate creates real opportunities to connect with others on an honest level.

☿ Mercury ☐ Square ☾ natal Moon

Your thoughts and words are working against your emotional needs right now, so you feel frustrated when you try to explain how you actually feel. You say one thing but mean another, or you second-guess yourself mid-sentence, which makes people misunderstand you or dismiss what matters to you. Over the coming weeks, pay attention to the gap between what you think you should say and what you actually need—because **rushing to explain yourself** will only make the disconnect worse.

☉ Sun ☌ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

♿ Mercury * Sextile ♅ Uranus

Your thinking is unusually quick and flexible right now, making it easy to spot patterns others miss and come up with **original solutions to practical problems**. Conversations tend to flow in unexpected directions, and you find yourself saying things that surprise even you in a good way. This is ideal timing for brainstorming, learning something new, or explaining complicated ideas in fresh ways that actually make sense to people.

** = natal resonance — this transit echoes your birth chart, amplifying its influence*

LUNAR DAY

Moon in ♒ Aquarius · Day 11 / 30 · First Quarter

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.

CLOTHING & JEWELRY
