## SOLAR ANALYSIS

### Solar ASC ♌ Leo → natal H12 — Inner Life & Solitude

This is a year of **inner work, retreat, and significant invisible processes**. What happens beneath the surface — in dreams, in private, in the quiet hours — carries more weight than external events. Old patterns, unresolved matters, and hidden fears may surface to be addressed. This is not primarily a year of outer achievement, but of **clearing what has accumulated** so that the next cycle can begin on genuinely clean ground.

### Dispositor ☉ Sun → ♊ Gemini · natal H10 — Career & Reputation

The dispositor in the tenth house brings the year's themes into **public life and professional achievement**. The year's energy channels through career, reputation, and your relationship with authority and ambition. Whatever the year is mainly about, it will be expressed — or tested — in your professional sphere. **Public action and professional commitment** are the year's main instruments, and how you handle responsibility now shapes your longer-term trajectory.

♄ Solar Saturn → natal H8 cusp

0.7°

This year brings **serious business or emotional work** involving shared resources or deep relationships. You may need to deal with money you share with others or face difficult truths in intimate bonds. Taxes, inheritance, or joint finances may demand your attention. This is not a time for secrets or avoidance.

♂ Natal Mars → solar H1 cusp

0.8°

Your competitive edge and natural aggression become more apparent to others this year. **People see you as someone willing to fight for what matters**. *Mars* highlights your core courage and refusal to back down when challenged. **Your direct communication style** becomes more pronounced and harder to ignore.

### ♁ Chiron △ Trine ♃ natal Jupiter

While this lasts, you're more willing to talk about what actually hurt you in the past without getting stuck in blame. Your **practical honesty about your own weak spots** makes people trust you more, and they often open up to you about theirs. Over the coming weeks, this becomes an actual advantage in your relationships and work because you can help others without pretending you have all the answers.

### ♁ Lilith ♂ Conjunction ♃ natal Jupiter

You feel less interested in following rules right now, and you're more willing to say no to people who usually get their way with you. This can feel like freedom, but it also means you might overcommit to things that sound exciting or skip important practical steps because you're **chasing novelty and pushing boundaries**. Over the coming weeks, watch whether you're making real choices or just rebelling for the sake of it.

### ♇ Pluto · solar H4 rul. ♂ Conjunction ♀ natal Venus

You're experiencing **unusually intense feelings about your relationships and what you want from them**. Your attractions feel deeper and more serious than usual, and you may find yourself wanting to control or reshape a partnership in some way. These shifts won't last long, but while *Pluto* is conjunct your natal *Venus*, expect your emotional needs to feel non-negotiable.

### ♀ Venus · solar H3/H10 rul. ♂ Conjunction ♁ natal Uranus

Right now you feel **restless in relationships and less interested in routine affection**. You may suddenly want more independence from a partner or find yourself drawn to people who seem unconventional or exciting. These days *Venus* crossing *Uranus* makes you crave something different, so your usual patterns in romance or friendships feel boring by comparison.

### ☿ Mercury · solar H2/H11 rul. △ Trine ♆ natal Neptune

Your mind is unusually clear about things you normally find confusing, and you can explain your thoughts in ways people actually understand right now. **You pick up on what others mean without needing them to spell it out**, which makes conversations feel easier and more connected. These days your intuition about people and situations is reliable, so trust what you're sensing when it comes to making decisions.

### ☾ Moon · solar H12 rul. ♂ Opposition ♆ natal Neptune

Right now you are spotting contradictions between what people say and what they actually do, which makes you feel **suspicious and on edge** socially. Your usual ability to go along with things is gone, and you're asking harder questions about whether relationships are real or just comfortable habits. These days this clarity feels lonely because pointing out the gap between words and actions tends to upset people around you.

### ♂ Mars · solar H9 rul. ☌ Opposition ☾ natal Moon

Right now you're more **irritable and quick to react** than usual, especially when someone upsets your plans or questions your feelings. Your emotional responses feel stronger and harder to control, which can create unnecessary conflict with people close to you. These days you need to notice this pattern and step back before you speak, because your impulse to push back or argue is working against you.

### ♀ Venus · solar H3/H10 rul. △ Trine ♃ natal Jupiter

Over the coming weeks, you find it easier to feel **generous and optimistic** about what you have and what you want. People respond well to you right now because you come across as warm and genuinely interested in them. This is a good time to ask for what you need or to strengthen the relationships that matter most to you.
