SOLAR ANALYSIS

Solar ASC ♋ Cancer → natal H11 — Community & Goals

The year is shaped by **friendships, communities, collective goals, and your vision for the future**. Social connections carry unusual significance — who you spend time with and what groups you belong to will leave a lasting mark. Long-term goals that have been forming in the background come into sharper focus. This is an excellent year for collaborative projects, finding your people, and **aligning your daily choices with your larger vision** for where your life is going.

Dispositor ♃ Moon → ♑ Capricorn · natal H5 — Creativity & Romance

The dispositor in the fifth house channels the year through **creative expression, romance, and joy**. Whatever the year is mainly about, it will find its fullest expression through playfulness, passion, and authentic self-expression. Love relationships, creative projects, or time spent with children become the arena where this year's themes become most vivid. **Following what genuinely excites you** is the engine, not a distraction from the year's real work.

♅ Natal Uranus → solar H12 cusp

0.1°

Your natural need for independence and change finds expression through your inner world this year. You feel **restless with silence and stillness**, and may struggle with traditional meditation or reflective practices. Your private thoughts become more radical and unconventional. This is a year when your **authentic self emerges from the background**.

♇ Natal Pluto → solar H2 cusp

0.6°

Your need for control over finances and resources becomes more apparent this year. You probe deeper into your own patterns with money and what you really value. **You may feel compelled to restructure your finances or commitments** in ways that feel necessary but intense. This is a good year to face what you have been avoiding about your material life.

♃ Moon · solar H1 rul. ☐ Square ♁ natal Chiron

Right now your **emotional defences are getting poked**, and old hurts you thought you'd buried are coming back up. You're more irritable than usual and quicker to feel rejected, especially in conversations where someone disagrees with you or doesn't give you the reaction you wanted. These feelings will pass in a few days or weeks, but while this lasts you'll need to notice when you're snapping at people over small things instead of addressing what's actually bothering you underneath.

♅ Uranus · solar H8 rul. ☒ Quincunx ♁ natal Chiron

Over the coming weeks, you may feel restless about areas where you've learned to accept limitations. **You notice yourself questioning old workarounds and feeling uncomfortable with compromises that used to feel necessary**. This discomfort is not a sign something is wrong—it's your mind flagging habits that no longer fit who you are becoming.

♇ Pluto · solar H5 rul. ☒ Quincunx ♀ natal Venus

You feel oddly disconnected from what normally makes you happy, as though your usual pleasures have lost their appeal. Your social or romantic relationships may feel slightly off, making you wonder what has changed when nothing obvious has shifted. Over the coming weeks, you might notice yourself pulling back from people or activities you usually enjoy, until this uncomfortable mismatch eventually settles.

♃ Jupiter · solar H6 rul. ☐ Square ♇ natal Pluto

Right now you're pushing harder on situations that resist you, and the harder you push the more they push back. You're likely **overestimating how much control you actually have** over people or circumstances that operate by their own rules. Over the coming weeks this friction will either force you to step back and accept limits, or exhaust you trying to prove a point that doesn't need proving.

♁ Chiron ☒ Quincunx ♃ natal Mercury

Right now you're noticing that your usual way of explaining yourself isn't landing the way it normally does, and it can feel **awkward to adjust how you communicate on the fly**. *Chiron* transiting at an angle to your natal *Mercury* means your thinking patterns are slightly out of sync with what others expect to hear. Over the coming weeks, patience with yourself during conversations will help more than trying to force clarity.

♂ Mars · solar H10 rul. * Sextile ♆ natal Neptune

You find it easier right now to **turn your ideas into actual plans** without getting bogged down in details or self-doubt. Your practical side and your imagination are working together instead of pulling in different directions. Over the coming weeks, you can make real progress on creative or personal projects that usually feel too vague or difficult to start.

♀ Venus · solar H4/H11 rul. qx Quincunx ♃ natal Jupiter

Over the coming weeks, you may find yourself **wanting more from your relationships and social life than feels comfortable to ask for**. You notice a mismatch between what you hope for and what you're actually willing to pursue, leaving you feeling a bit stuck in conversations or plans. This awkward feeling typically passes once you decide what you actually want instead of waiting for the perfect moment.

♀ Venus · solar H4/H11 rul. ∟ Semi sextile ♅ natal Uranus

While this lasts, you feel more comfortable being yourself around people instead of playing a role. You might suddenly be drawn to friends or partners who actually get your quirks rather than those who want you to fit in. This small shift gives you permission to relax and enjoy connections where you don't have to pretend.
