KEY TRANSIT FACTORS

♁ Chiron ☌ Conjunction ☌ natal Mars

Right now you're noticing where you push too hard or hold back too much when you act. You might feel frustrated with yourself for either charging ahead without thinking or for being too cautious, and this **self-awareness about your own aggression** is temporary but useful. Over the coming weeks, pay attention to how you actually handle conflict or physical effort instead of assuming you know what you'll do.

☾ Moon * Sextile ♁ natal Chiron

Right now you find it easier to talk about things that usually hurt to mention, and people respond well when you do. Your **natural openness about your own difficulties** gives others permission to be honest too, creating real connection instead of surface small talk. Over the coming weeks, this ease with vulnerability can help you understand your own patterns more clearly and support someone else who needs to hear that they're not alone in their struggle.

♅ Uranus qx Quincunx ♁ natal Chiron

Over the coming weeks, you may feel restless about areas where you've learned to accept limitations. **You notice yourself questioning old workarounds and feeling uncomfortable with compromises that used to feel necessary.** This discomfort is not a sign something is wrong—it's your mind flagging habits that no longer fit who you are becoming.

♇ Pluto ∟ Semi sextile ☉ natal Sun

You're finding it easier to make quiet changes in how you present yourself to others without needing to overhaul everything at once. **Small shifts in your confidence** are happening naturally—you might speak up more in meetings or adjust how you spend your time in ways that feel right. These practical adjustments are laying groundwork for bigger things, and you're doing it at a pace that doesn't exhaust you.

☉ Sun qx Quincunx ♅ natal Uranus

While this lasts, you feel **restless with your own routine** and notice small details about how you spend your time that suddenly bother you. Your usual way of doing things works fine on the surface, but something inside keeps pushing you to adjust or try small changes. This psychological discomfort is not a sign something is wrong—it is just your mind signaling that you need to fine-tune how you operate right now.

☉ Sun qx Quincunx ♁ NNode

At the moment you are noticing a mismatch between what you want to do and what feels like the right direction to move in. You might find yourself **hesitating before making choices** because two parts of you are pulling slightly different ways. This isn't crisis or conflict—just an uncomfortable adjustment where you have to consciously decide which impulse to follow rather than acting on automatic.

› Moon ♂ Conjunction ♃ Mercury

These days your thoughts and feelings are moving in the same direction, which makes it easier to talk about what you actually feel instead of hiding it. You find yourself wanting to tell people what's on your mind, and the words come out more naturally than usual. This is a good time to have practical conversations about emotional topics, since you're not overthinking or getting stuck in your head.

› Moon ♂ Conjunction ♀ Venus

These days you feel more **comfortable showing affection** to the people around you, and they respond by being warmer in return. Your *Moon* and *Venus* are aligned right now, which makes it easier to express what you actually care about instead of holding back. This is a good window for having honest conversations with someone you're close to, or simply spending time with people who matter to you without the usual self-consciousness.

LUNAR DAY

Moon in ♌ Leo · Day 29 / 30 · Waning Crescent

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.

CLOTHING & JEWELRY
