KEY TRANSIT FACTORS

♁ NNode ☉ Opposition ♃ natal Mercury

Right now you find yourself **saying things that confuse or upset people** even when you do not intend to. Your usual way of explaining yourself is not landing the way it normally does, and you keep having to backtrack or clarify what you meant. Over the coming weeks, this friction in how you communicate may force you to slow down and actually listen to what others need to hear instead of just what feels natural to say.

♆ Neptune ♁ Quincunx ♁ natal Chiron

While this lasts, you may notice **difficulty separating your own pain from other people's problems**. You feel drawn to help or rescue someone, but the situation stays unclear and drains you without resolution. Over the coming weeks, set practical boundaries about what you can actually do rather than getting pulled into situations that feel emotionally important but ultimately aren't yours to fix.

♅ Uranus * Sextile ♀ natal Venus

Right now you are drawn to people and situations that feel fresh and unpredictable, and this **opens you up to new connections** that break your usual patterns. You might suddenly want to try a different look, spend time with unconventional people, or pursue an interest that surprises you. These shifts feel exciting rather than risky because *Uranus* sextile *Venus* makes change feel natural and aligned with what you actually want.

☾ Moon * Sextile ♁ natal Chiron

Right now you find it easier to talk about things that usually hurt to mention, and people respond well when you do. Your **natural openness about your own difficulties** gives others permission to be honest too, creating real connection instead of surface small talk. Over the coming weeks, this ease with vulnerability can help you understand your own patterns more clearly and support someone else who needs to hear that they're not alone in their struggle.

☉ Sun ∟ Semi sextile ☾ natal Moon

These days you find it easier to **say what you actually feel** instead of keeping things bottled up. Your emotional needs and what you want to communicate are working together smoothly, so people around you are more likely to hear you out. This is a good window to have conversations you have been putting off or to express something that matters to you.

♀ Venus Rx · ♏ Scorpio

Deep-seated relationship patterns involving trust, control, or intimacy resurface during this period. Old jealousies, power imbalances, or unresolved emotional debts demand honest attention. What you have been avoiding about your closest connections is exactly what needs examination right now.

☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun ☐ Square ♃ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

☾ Moon ∟ Semi sextile ♀ Venus

These days you find it easier to **say what you actually feel** without worrying so much about how it lands. The emotional and social parts of you are working together instead of against each other, so expressing affection or gratitude comes naturally. This is a good window for having honest conversations with people you care about without the usual awkwardness getting in the way.

LUNAR DAY

Moon in ♏ Sagittarius · Day 5 / 30 · Waxing Crescent

Restlessness with routine increases during this transit, and the desire to break out of familiar patterns grows. Opinions get expressed more freely and with less filtering for the next day or two.

CLOTHING & JEWELRY

Saturday · ♄ Saturn · Venus in Pisces
