KEY TRANSIT FACTORS

☿ Mercury ∟ Semi sextile ♀ natal Venus ★

Over the coming weeks, you find it easier to say what you actually appreciate about people instead of keeping quiet. Your conversations flow more naturally when you're being genuine about what matters to you. This small shift in how you communicate makes your relationships feel a bit warmer and less guarded.

♅ Uranus ◻ Square ♁ natal Uranus

Over the coming weeks, you'll feel unusually **restless and impatient with your current life setup**, even if things were working fine before. You'll question decisions you made years ago and feel a strong urge to change something, anything, but you won't have a clear idea of what actually needs to change. This frustration can push you toward reckless choices or sudden disruptions if you act without thinking, so the real challenge right now is to sit with the discomfort instead of breaking things just to feel different.

♁ Chiron ∟ Semi sextile ♀ natal Venus

You find yourself noticing what you actually need from people around you instead of just accepting whatever comes. This clarity helps you express your preferences without guilt or over-explaining yourself. Your relationships feel more **honest and straightforward** over the coming weeks because you're willing to say what matters to you.

☾ Moon ☿ Quincunx ☾ natal Moon

At the moment your emotional reactions feel slightly out of step with what your surroundings actually call for. You might find yourself **feeling restless or defensive in situations that don't warrant it**, or staying calm when something genuinely bothers you. Over the coming weeks, small adjustments to how you respond—pausing before reacting, checking in with yourself about what you actually need—will smooth things out considerably.

☾ Moon ∟ Semi sextile ♄ natal Saturn

These days you find it easier to **organize your thoughts before speaking**, which helps you communicate more clearly with the people around you. Your emotional responses feel steadier right now, letting you handle practical problems without getting pulled into drama. Over the coming weeks, you may notice yourself making decisions that actually stick because you're checking in with yourself first instead of reacting on impulse.

☿ Mercury Rx · ♋ Pisces

Thinking becomes impressionistic rather than precise during this period, making concrete decisions harder than usual. Miscommunications arise from vagueness — what you think you said and what others heard often differ. Creative and intuitive work benefits from this diffuse quality; contracts and deadlines do not.

☉ Sun ∟ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun □ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

* = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNAR DAY

Moon in ♈ Aries · Day 3 / 30 · New Moon

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
