KEY TRANSIT FACTORS

♆ Neptune qx Quincunx ♊ natal NNode

Over the coming weeks, you may find it harder to stick to your usual social routines and feel less sure about which people or groups really matter to you. Your sense of direction in friendships becomes **less clear and more fluid**, making it difficult to commit to plans or decide where you genuinely belong. This is a good time to notice which connections feel off or forced rather than act on those feelings right away.

♂ Mars qx Quincunx ☾ natal Moon

Over the coming weeks, you may feel **restless in ways that don't match what you actually want to do**. Your emotional needs and your impulse to act keep pulling in different directions, leaving you frustrated or unsure which one to follow. This awkward timing usually passes, but while it lasts you might notice yourself starting things and stopping them, or feeling irritated that people aren't moving at your pace.

♂ Mars ☐ Square ♄ natal Saturn

Right now you feel **blocked and frustrated** when you try to move forward on anything that matters to you. You push hard, but something keeps pushing back — maybe it's a person, a rule, or just bad timing — and the harder you try, the more stuck you feel. Over the coming weeks, you'll have to learn to work within limits instead of against them, or you'll burn yourself out for no gain.

☾ Moon ∟ Semi sextile ♆ natal Neptune

Over the coming weeks, you find it easier to **listen to what others really mean** rather than just their words, picking up on hints and feelings they do not say out loud. Your intuition about people's situations becomes surprisingly accurate during this period, and you naturally offer comfort that lands exactly where it is needed. This gentle support from the *Moon* and *Neptune* helps those around you feel understood without you having to try hard.

☿ Mercury * Sextile ♂ natal Mars

These days you find it easier to say what you actually want without overthinking it, and people respond well to your directness. Your mind is **quick and purposeful**, so tasks that normally feel scattered come together faster when you tackle them head-on. This is a good window to pitch ideas, negotiate, or take action on something you've been planning.

☉ Sun ☊ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun ∟ Semi sextile ♃ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

LUNAR DAY

Moon in ♒ Aquarius · Day 26 / 30 · Last Quarter

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.

CLOTHING & JEWELRY
