KEY TRANSIT FACTORS

♀ Venus ☐ Square ♇ natal Pluto ★

Right now you may feel drawn into relationships or situations where you want more control than is realistic, and you become frustrated or resentful when you cannot have it. Your **need to dominate or possess** shows up in your romantic life and friendships, creating tension with people who sense your intensity. Over the coming weeks, this pattern will likely push others away unless you notice it and step back from trying to reshape them.

♅ Uranus △ Trine ♁ natal Chiron

Right now you find it easier to **talk about things that usually stay hidden**, and people respond well when you do. Your practical understanding of what went wrong in past situations sharpens, letting you explain your own patterns without judgment. Over the coming weeks this shift in clarity can help you move through old hurts in a straightforward way rather than getting stuck in them.

♀ Venus ☉ Opposition ♀ natal Venus

You're likely to feel **dissatisfied with your relationships and how others treat you** right now, even if nothing has actually changed. What you normally accept from your partner or friends suddenly feels unfair or emotionally off. These days your own needs feel invisible, and you may swing between giving too much and withdrawing entirely.

♀ Venus ☿ Quincunx ♃ natal Mercury

Right now you may notice that what you want to say doesn't quite match what you actually feel, leaving you **awkwardly uncertain in conversations**. Your usual way of explaining yourself feels clumsy when you are trying to express something that matters emotionally. Over the coming weeks, this gap between thought and feeling tends to smooth out on its own without you having to fix it.

♇ Pluto ☌ Conjunction ♂ natal Mars

You feel a sharp increase in your need to control situations and push your agenda forward, making you more confrontational than usual. At the moment, you're likely to act on frustrations you've been sitting with, and small disagreements can escalate quickly because you're not filtering your reactions. **This directness and intensity** can clear the air or damage relationships, depending on whether you're channeling it into practical problems or just venting anger.

♃ Mercury Rx · ♎ Libra

Relationship negotiations, contracts, and pending decisions become tangled right now. You may revisit agreements or feel pressure to reconsider commitments you thought were settled. Avoid finalizing important partnerships or legal matters until Mercury stations direct — clarifying existing arrangements is more productive.

♄ Saturn Rx · ♉ Taurus

Long-term financial structures, material commitments, and patterns of security are under review during this period. What you have been relying on for stability may require more active maintenance than you had assumed. Honest reckoning with resources and long-term obligations is the most useful work you can do right now.

☾ Sun ☿ Opposition ♀ Moon

Right now you feel pulled in two directions at once, and it's hard to know what you actually want. You might notice yourself **acting one way in public and feeling something completely different inside**, which creates an awkward tension you can't ignore. This split between what you're showing others and what you're experiencing privately tends to make decisions feel impossible until the aspect passes.

☾ Sun ☿ Conjunction ☿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☾ Sun ☿ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.
