KEY DATE

♀ Venus enters ♑ Capricorn

Venus in Capricorn makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

KEY TRANSIT FACTORS

♀ Venus ∠ Semi sextile ♅ natal Uranus ★

While this lasts, you feel more comfortable being yourself around people instead of playing a role. You might suddenly be drawn to friends or partners who actually get your quirks rather than those who want you to fit in. This small shift gives you permission to relax and enjoy connections where you don't have to pretend.

☿ Mercury ∠ Semi sextile ♃ natal Jupiter ★

While this lasts, you find it easier to **see the bigger picture in conversations** and explain your ideas in ways that actually land with people. Your thoughts naturally connect to larger themes, so even casual discussions feel more meaningful and productive. Over the coming weeks, this mental clarity makes it simpler to learn new things and share what you know without overthinking it.

☿ Mercury * Sextile ♇ natal Pluto ★

Right now your mind is working at a level that lets you see through problems to what's actually driving them. You're able to ask better questions and listen more carefully to what people really mean, which makes conversations feel more honest and useful. This period is ideal for tackling complicated topics at work or sorting through decisions you've been sitting on, because your thinking is both clear and intuitive.

♀ Venus ∠ Semi sextile ☿ natal Mercury ★

Over the coming weeks, your conversations flow more easily and people respond well to what you say. You find yourself **speaking with more warmth and genuinely interested in what others think**, which makes them want to talk with you. This natural charm in how you communicate opens doors socially and professionally without you having to force anything.

☉ Sun * Sextile ☾ natal Moon ★

Right now you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your Sun and Moon are working together, so your instincts match your choices and you trust your gut more readily. Over the coming weeks, people around you will likely respond well because you come across as genuine and settled in yourself.

☿ Mercury Rx · ♒ Aquarius

Technical systems, digital communications, and group coordination hit unexpected friction during this period. Plans made with communities or organizations may need revision, and innovative ideas benefit from reconsideration before being shared. Logic that felt solid on paper often reveals gaps when tested right now.

☼ Sun ☿ Conjunction ♁ NNode

Right now you feel drawn toward activities and people that match who you actually are rather than who you think you should be. This creates a practical opportunity to make small choices that align better with your real interests and strengths. These days many people find themselves being more direct about what they want, which can clear the air in relationships and work situations.

☾ Moon ☐ Square ☿ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.

☾ Moon * Sextile ♀ Venus

Right now you find it easier to **express what you actually feel** without worrying what others will think. People around you respond well because you seem more genuine and relaxed than usual. This is a good period to have honest conversations or do something kind for someone close to you.
