KEY TRANSIT FACTORS

☉ Sun ☿ Conjunction ♆ natal Neptune ★

Right now you're more **drawn to imagination and possibility than to facts**, which can make practical tasks feel boring or pointless. You might find yourself daydreaming at work, losing track of time, or making decisions based on how something feels rather than what actually makes sense. These few weeks are a good time to create or reflect, but a poor time to sign contracts or commit to concrete plans without checking the details twice.

☉ Sun ☐ Square ♁ natal NNode ★

Right now you feel pulled in two directions at once, between what you want to do and what you sense you should be doing. You're likely **second-guessing your choices** and questioning whether you're on the right track with work or relationships. This friction is real, and over the coming weeks you'll need to sit with the discomfort instead of rushing to resolve it.

☉ Sun ★ Sextile ♄ natal Saturn ★

Right now you feel **more capable of following through** on what you say you will do, and people notice the difference. Your practical judgment is sharper during this period, so you make fewer impulsive decisions and regret them less. This is the time to tackle projects that need real discipline and to build something that will actually last.

☉ Sun ★ Sextile ☾ natal Moon ★

Right now you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your *Sun* and *Moon* are working together, so your instincts match your choices and you trust your gut more readily. Over the coming weeks, people around you will likely respond well because you come across as genuine and settled in yourself.

☉ Sun ☿ Conjunction ☉ natal Sun

Your sense of what you want from life becomes clearer right now, and you naturally act on it more directly. You feel more confident in social and professional situations, which means people respond better to you. This is a good window to start something new or push forward with a goal you've been sitting on.

♄ Saturn Rx · ♊ Gemini

Mental discipline and consistency in communication are being tested right now. Projects that require sustained intellectual effort may expose areas where your commitment has been shallow. Returning to half-finished work rewards you more during this period than starting fresh.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

› Moon △ Trine ♀ Venus

These days you find it easier to tell people what you actually feel without worrying they will reject you. Your emotional needs and your desire for connection are **naturally aligned**, so you speak up when something matters instead of staying quiet. This is a good window to have conversations you have been putting off or to spend time with people who make you feel genuinely accepted.

› Moon ☿ Opposition ♃ Neptune

Right now your emotions feel slippery and hard to trust, making it difficult to know what you actually want in a situation. You might find yourself **second-guessing your gut feelings** or noticing that what seemed clear yesterday now feels confusing. This period brings a gap between what you sense emotionally and what makes logical sense, so decisions feel risky and your confidence in your own judgment takes a hit.

LUNAR DAY

Moon in ♎ Libra · Day 22 / 30 · Waning Gibbous

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
