KEY TRANSIT FACTORS

♄ Saturn △ Trine ☾ natal Moon ★

These days you find it easier to **stay calm when things go wrong**, because you're not getting swept up in panic the way you normally do. Your emotions feel more manageable and you can actually sit with difficult feelings instead of rushing to fix them or push them away. This stability gives you real space to think clearly about what you actually need, and people around you probably notice you're more grounded and reliable right now.

☾ Moon ∟ Semi sextile ☉ natal Sun

These days you find it easier to **trust your own gut feelings** about what matters to you, and that quiet confidence shows in how you move through your day. People respond to this because you're not second-guessing yourself or seeking constant reassurance from others. Over the coming weeks, this natural sense of direction can help you make small decisions faster and feel more at home in your own skin.

♂ Mars ☍ Opposition ☉ natal Sun

Right now you're running into more resistance than usual, especially from people who see things differently than you do. You might feel **frustrated that others are blocking your plans** or disagreeing with your choices, even when you feel certain you're right. This friction won't last, but these weeks are asking you to slow down and pick your battles instead of pushing forward on every front.

♀ Venus □ Square ☾ natal Moon

Right now you're more critical of the people close to you, especially about how they show affection or support you. You might push away someone who's trying to help because you **feel disconnected from what they're offering**, even if it's genuinely good. This frustration can make you withdraw or say things you regret, so it helps to notice when you're in this mood before you act on it.

♀ Venus qx Quincunx ♄ natal Saturn

Right now you feel pulled between wanting closeness with someone and needing to keep your distance, which makes you act uncertain in social situations. You might say yes to plans and then back out, or hold back from expressing what you actually want because you are unsure how it will land. These mixed feelings are temporary, but while this lasts they can make your relationships feel awkward or leave you feeling dissatisfied with how you are connecting.

☉ Sun □ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

☉ Sun ☌ Conjunction ☌ Uranus

At the moment, you feel **restless and impatient with routines that normally work fine**. You might suddenly want to change something about how you look, where you work, or how you spend your time, even if there's no real problem. This push to break free or do something different is normal right now, so notice what you actually want to change versus what's just nervous energy looking for an outlet.

☉ Sun ☌ Semi sextile ☌ Chiron

These days you find it easier to **notice what actually bothers you instead of ignoring it**. This small shift in self-awareness means you can address practical problems before they get worse. The *Sun* and *Chiron* aspect right now creates a quiet window where you see yourself more clearly and can make real changes.
