♊ North Node	in	♎ Libra	21°38'59"	V <b>Rx</b>
♁ Lilith	in	♋ Cancer	12°09'40"	II

### KEY TRANSIT FACTORS

#### ♀ Venus ∠ Semi sextile ♃ natal Mercury · peak 5 Feb ★

Over the coming weeks, your conversations flow more easily and people respond well to what you say. You find yourself **speaking with more warmth and genuinely interested in what others think**, which makes them want to talk with you. This natural charm in how you communicate opens doors socially and professionally without you having to force anything.

#### ♇ Pluto ☐ Square ♊ natal NNode · peak 1 Feb

Right now you're questioning whether you're on the right track in life, and this doubt feels unusually intense and hard to ignore. You may **withdraw from people or activities** that once felt important to you, as if you need to strip things down to what actually matters. Over the coming weeks, expect to feel pushed to make real changes in how you spend your time and who you spend it with, even though the process feels uncomfortable and unclear.

#### ♄ Chiron \* Sextile ♅ natal Uranus · peak 22 Feb

You find yourself **more willing to experiment with new approaches** to problems that have frustrated you for a while, and your experiments actually work out better than you expected. Your friends or colleagues notice that you're suddenly more open to their unconventional ideas instead of dismissing them. Over the coming weeks, this combination of curiosity and practical luck means you can make real progress on something you've wanted to change about yourself or your situation.

#### ♃ Jupiter ∠ Semi sextile ☾ natal Moon · peak 18 Feb

You find it easier to ask for what you need right now, and people tend to respond well when you do. Your mood is steadier than usual, which makes **speaking up about emotional concerns feel less risky**. Over the coming weeks, small conversations that might normally feel awkward often lead to genuine support instead.

#### ♊ NNode ☉ Opposition ☉ natal Sun · peak 18 Feb

Right now you're running into people and situations that challenge who you think you are. You feel **pulled in two directions** — between what feels familiar and comfortable about yourself versus what others expect from you or what new circumstances demand. This friction can make you feel defensive or uncertain, but it's forcing you to figure out which parts of your identity are actually yours and which ones you've just been carrying around.

#### ♊ NNode ☉ Opposition ♆ natal Neptune · peak 13 Feb

Right now you are **caught between what you want to believe and what actually works**, and it is making you second-guess your choices. You may find yourself drawn to unrealistic plans or people who promise too much, only to hit a practical wall that forces you to face facts. Over the coming weeks, this friction will push you to get honest about where you are avoiding reality and to build something more solid instead.

#### ♃ Jupiter □ Square ♄ natal Saturn · peak 18 Feb

Right now you're caught between wanting to expand and feeling held back by practical limits. You may **overcommit yourself** and then run into real obstacles that force you to cut back, leaving you frustrated. These next weeks will test whether you can push forward responsibly or if you'll waste energy fighting against real constraints.

#### ♃ Jupiter \* Sextile ♃ natal NNode · peak 27 Feb

Over the coming weeks, you find it easier to say yes to opportunities that align with what you actually want to do. You're less hesitant about taking small steps toward goals you've been thinking about, and **people around you tend to be more supportive when you ask for help or feedback**. This isn't about luck—it's that you're acting with more confidence, and others respond to that.

#### ♄ Chiron ∟ Semi sextile ♀ natal Venus · peak 28 Feb

You find yourself noticing what you actually need from people around you instead of just accepting whatever comes. This clarity helps you express your preferences without guilt or over-explaining yourself. Your relationships feel more **honest and straightforward** over the coming weeks because you're willing to say what matters to you.

#### ♅ Uranus □ Square ♅ natal Uranus · peak 28 Feb

Over the coming weeks, you'll feel unusually **restless and impatient with your current life setup**, even if things were working fine before. You'll question decisions you made years ago and feel a strong urge to change something, anything, but you won't have a clear idea of what actually needs to change. This frustration can push you toward reckless choices or sudden disruptions if you act without thinking, so the real challenge right now is to sit with the discomfort instead of breaking things just to feel different.

#### ♆ Neptune ♁ Quincunx ♄ natal Chiron · peak 1 Feb

While this lasts, you may notice **difficulty separating your own pain from other people's problems**. You feel drawn to help or rescue someone, but the situation stays unclear and drains you without resolution. Over the coming weeks, set practical boundaries about what you can actually do rather than getting pulled into situations that feel emotionally important but ultimately aren't yours to fix.

#### ♄ Saturn □ Square ♄ natal Chiron · peak 1 Feb

Right now you are **more aware of your own limitations and past hurts**, which makes it harder to brush them off or move past them quickly. You may feel blocked when trying to help others or do work that normally feels meaningful, because old doubts about your capability are surfacing. Over the coming weeks, facing these uncomfortable feelings directly, rather than avoiding them, is what will actually move you forward.

#### ♇ Pluto \* Sextile ♄ natal Saturn · peak 1 Feb

You find it easier right now to **follow through on difficult commitments** without burning out or second-guessing yourself. The combination of *Pluto* and *Saturn* gives you practical resolve rather than harsh self-criticism, so you can push toward your goals without feeling punished for it. Over the coming weeks, you may notice you're getting real results from work you started months ago, and that feels genuinely good.

#### ♇ Pluto \* Sextile ♁ natal Moon · peak 1 Feb

You find it easier right now to talk about what you actually feel instead of keeping things hidden. Your **emotional honesty** comes across as natural and calm, so people listen and respond well. Over the coming weeks, this means conversations with family or close friends become more real and less guarded.

#### ♅ Uranus \* Sextile ♀ natal Venus · peak 28 Feb

Right now you are drawn to people and situations that feel fresh and unpredictable, and this **opens you up to new connections** that break your usual patterns. You might suddenly want to try a different look, spend time with unconventional people, or pursue an interest that surprises you. These shifts feel exciting rather than risky because *Uranus* sextile *Venus* makes change feel natural and aligned with what you actually want.

\* = natal resonance — this transit echoes your birth chart, amplifying its influence

#### PROGRESSED MOON

---

- Progressed Moon in ♍ Virgo 24.2° H5
- Progressed Moon △ Trine ☉ natal Sun

#### LUNATIONS

---

● New Moon · Tuesday, 5 Feb

in ♒ Aquarius

innovation, social ideals, future direction

in H10 — Career & Reputation

A major new chapter in your professional life and public reputation is beginning. This lunation plants seeds around **career direction, achievements, and how you're perceived by the world**. Goals you set now and steps you take toward your ambitions have greater traction than usual. If you've been waiting for the right moment to make a career move, pursue recognition, or clarify your professional direction, this lunation gives it meaningful momentum.

○ Full Moon · Tuesday, 19 Feb

in ♌ Leo

recognition, drama, creative culmination

in H4 — Home & Family

Your home life and emotional foundations are under full illumination. A situation within the family or domestic sphere is reaching a point where **something must be acknowledged, resolved, or released**. Old patterns around belonging, security, or private matters surface with unusual clarity. This full moon often coincides with a change of residence, a family conversation that's been overdue, or a significant shift in how you feel about where you belong.

#### KEY DATES

**Fri, 1 Feb** ♅ Pluto ☐ Square ♃ natal NNode

♄ Saturn ☐ Square ♅ natal Chiron

**Mon, 4 Feb** ♀ Venus enters ♑ Capricorn

*Venus* in *Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

**Tue, 5 Feb** New Moon in Aquarius

**Sun, 10 Feb** ☿ Mercury enters ♋ Pisces

♄ Chiron \* Sextile ♃ natal Uranus

*Mercury* in *Pisces* makes your thinking **slower and less direct** — you'll notice yourself taking longer to find the right words, or changing your mind mid-conversation. In work and daily tasks, this transit rewards **intuition and pattern-spotting** over step-by-step logic, so you might solve problems by sensing what feels right rather than working through details. Relationships often improve because you're more **willing to listen without interrupting** and pick up on what people aren't saying aloud, though you may struggle to explain your own point clearly.

**Mon, 11 Feb** ♅ Pluto ☐ Square ♃ natal NNode

**Wed, 13 Feb** ♃ NNode ♂ Opposition ♆ natal Neptune

**Thu, 14 Feb** ♂ Mars enters ♉ Taurus

*Mars* in *Taurus* slows down your usual pace, and you'll notice yourself **taking longer to make decisions** at work or in projects — this isn't laziness, it's just how this transit works. In relationships and money matters, people often become **more stubborn about what they want**, and arguments tend to drag on instead of resolving quickly because nobody wants to budge. Most people find their **physical energy shifts toward steady effort** rather than bursts of speed, so this is actually a good time to build habits, save money, or work on something that needs patience rather than fast action.

**Sun, 17 Feb** ♃ Uranus ☐ Square ♃ natal Uranus

**Mon, 18 Feb** ♄ Chiron enters ♈ Aries

♃ NNode ♂ Opposition ☉ natal Sun

♃ Jupiter ☐ Square ♄ natal Saturn

*Chiron* entering *Aries* makes people **more aware of old insecurities** around confidence and speaking up, especially when they've stayed quiet before. At work and in relationships, you'll notice a stronger **urge to try new things** or take the lead, even though it might feel uncomfortable at first. Over the next few years, **learning through trial and error** — rather than waiting to feel ready — becomes how most people actually move past what's been holding them back.

**Tue, 19 Feb** ☉ Sun enters ♋ Pisces

Full Moon in Leo

*The Sun* moving into *Pisces* shifts attention toward **listening and flexibility** for the next month, making people naturally more **willing to adjust plans** instead of pushing forward rigidly. At work and in relationships, you'll notice others become **harder to pin down** — deadlines slip, people change their minds, and vague agreements replace firm commitments, which requires patience rather than frustration. *Pisces* season softens the usual drive to compete or win, so **collaboration**

and going with the flow tend to work better than direct pressure during this time.

**Fri, 22 Feb** ♄ Chiron \* Sextile ♂ natal Uranus

**Mon, 25 Feb** ♃ NNode ♂ Opposition ☉ natal Sun

♃ Jupiter □ Square ♄ natal Saturn

**Wed, 27 Feb** ♃ Jupiter \* Sextile ♃ natal NNode

**Thu, 28 Feb** ♂ Uranus □ Square ♂ natal Uranus
