SOLAR ANALYSIS

Solar ASC ♐ Sagittarius → natal H6 — Health & Service

The year is shaped by **work, health, and the discipline of daily life**. Routines, service, and practical improvement are the year's defining themes. This is a productive year for establishing habits that serve your long-term wellbeing — physical, professional, and organizational. Work demands may increase, or you may be drawn to refine the way you operate day to day. **Small, consistent actions compound into significant change** under this placement.

Dispositor ♃ Jupiter → ♊ Gemini · natal H12 — Inner Life & Solitude

The dispositor in the twelfth house routes the year's energy through **the hidden, the private, and the unconscious**. The year's most important work happens away from public view — in solitude, in dreams, in the quiet processing of what has been. **Invisible effort accumulates into real results** under this placement, but it requires patience and a willingness to work without immediate external validation. What you release privately creates space for the next cycle.

Singleton: ♇ Pluto (Fire)

One planet carries your entire fire element — all impulse, confidence, and forward drive flows through it alone. When that planet is strong or well-aspected, you can be surprisingly decisive and energised. When it is under pressure or retrograde, motivation drops sharply and impatience turns inward. **You tend to act in concentrated bursts** rather than maintaining steady momentum, which can make you highly effective in short intense efforts but harder to sustain over long stretches without clear direction.

♃ Jupiter · solar H1 rul. △ Trine ♀ natal Mercury

Right now your thinking is clearer than usual and you find it easier to explain what you mean to other people. You're picking up on details and patterns you normally miss, which helps you solve problems faster and make better decisions in practical situations. This is a good time to write, teach, negotiate, or learn something new because your mind is working **with less friction** and your words land better with others.

♃ Jupiter · solar H1 rul. □ Square ♀ natal Venus

Right now you are **overestimating what others feel about you**, which makes you push harder for approval or affection than is actually welcome. You may spend more money on gifts or experiences hoping to win someone over, or say too much too soon in a new relationship because you feel so confident about the connection. When the other person does not respond with the same enthusiasm, you feel rejected and confused about where things went wrong.

♆ Neptune ♂ Conjunction ♂ natal Mars

Right now your usual drive and confidence are harder to access—you feel less certain about what you want and how to get it. You may find yourself avoiding decisions or commitments because the practical steps feel unclear, or you might pursue something half-heartedly without your normal push. This fuzziness will fade as *Neptune* moves on, but for now it helps to stick to routines and check your plans with someone you trust before acting.

♇ Pluto · solar H11/H12 rul. * Sextile ♁ natal Chiron

Right now you find it easier to **talk about past hurts without getting stuck in them**, which means conversations about difficult experiences feel less raw than usual. You're more willing to listen to other people's pain too, and they seem to respond by opening up to you in ways that deepen your relationships. Over the coming weeks, this natural confidence in handling hard topics gives you a practical advantage in resolving conflicts that have been hanging around.

♁ Lilith ♂ Conjunction ♂ natal Mars

Right now you're more willing to act on what you actually want instead of what you think you should do, and this shows up as **pushing back against rules or expectations that don't fit you**. You might say no more often, stand your ground in conversations, or make choices that feel personally true even if they upset someone else. These days this directness can feel good and necessary, though others may find you harder to manage than usual.

♁ NNode □ Square ♁ natal Chiron

Right now you are **bumping up against your own defensive patterns** in social situations and group settings. You feel pulled toward new connections and directions, but old hurts make you hesitant to actually move forward or trust what is emerging. Over the coming weeks, this friction will keep showing you exactly where you protect yourself instead of risking something real.

☉ Sun · solar H9 rul. ♂ Conjunction ☽ natal Sun

Your sense of what you want from life becomes clearer right now, and you naturally act on it more directly. You feel more confident in social and professional situations, which means people respond better to you. This is a good window to start something new or push forward with a goal you've been sitting on.

☿ Mercury · solar H7 rul. ♂ Conjunction ♂ natal Mars

Your mind is moving faster than usual right now, and you're more **direct and blunt in conversation** without meaning to offend. You say what you think immediately instead of filtering, which can help you cut through confusion but also create friction with people who prefer a gentler approach. Over the coming weeks, you'll notice you have more mental drive for arguments and debate, so use it on problems that actually need solving rather than picking fights.
