## SOLAR ANALYSIS

### Solar ASC ♋ Cancer → natal H3 — Communication & Learning

Your mind, voice, and immediate environment take the lead this year. **Communication, learning, short travel, and relationships with siblings or neighbors** define the year's texture. This is a mentally active period where ideas flow readily, connections multiply, and daily exchanges carry more weight than usual. Writing, speaking, teaching, or study may become more central to your life. The clarity of your everyday conversations will determine much of what this year achieves.

### Dispositor ♃ Moon → ♌ Leo · natal H4 — Home & Family

With the dispositor in the natal fourth house, the year's themes ultimately **root back to home and family**. No matter what the outer focus, the inner work is about emotional security, private life, and your relationship with your roots. Domestic circumstances become the context in which the year's larger themes play out. **Building something at home** — literally or emotionally — is what gives this year's events their lasting meaning.

### Singleton: ♇ Pluto (Air)

One planet carries all your rational thinking and social connection. Every conversation, analytical process, and exchange of ideas runs through this single point. When it functions well, you can be sharp, precise, and unusually clear in a particular mode of thinking. When it is challenged, mental clarity and ease of communication suffer at once rather than separately. **Your thinking is concentrated and specific** — you may have one very strong way of processing ideas while other modes of reasoning feel unnatural or tiring.

### ♆ Natal Neptune → solar H7 cusp

0.3°

Your tendency to see what you want rather than what is actually there now affects your closest relationships this year. You may idealize partners, miss red flags, or avoid conflict by pretending problems do not exist. Your compassion can turn into enabling, and your boundaries may soften to the point where you lose yourself. **Blind spots** in partnerships and **self-sacrifice** are the main dangers now.

### ☉ Natal Sun → solar H7 cusp

0.6°

Your genuine self will come through most clearly in your relationships this year. **You will show your real character to partners** and expect the same honesty in return. This is when authentic connection with others feels most important and rewarding.

### ♂ Solar Mars → natal H12 cusp

0.7°

Hidden patterns or suppressed feelings come to the surface this year as *Mars* activates your inner world. You become more willing to face difficult truths about yourself. **Self-honesty** replaces avoidance and you work through old wounds. This is a good year to seek therapy, spend time alone, or pursue any form of inner work that requires courage.

### ♆ Neptune · solar H9 rul. ☊ Opposition ♊ natal NNNode

While this lasts, you may feel **unclear about which direction to take** in relationships or work, even when you normally have a clear sense of what matters to you. People around you might seem unreliable or send mixed signals, making it hard to know who to trust or what advice to follow. These weeks test your ability to stay grounded in what you actually know about yourself instead of drifting toward whatever feels easiest or most appealing.

### ♅ Uranus · solar H8 rul. ☌ Conjunction ♋ natal Lilith

You are less willing to go along with what people expect from you right now, and you may say or do things that surprise people around you. You feel a stronger pull toward your own preferences, even when they break the rules or disappoint others. This shift can create friction in relationships or work, but it also gives you a chance to set clearer boundaries about what you actually want.

### ♆ Neptune · solar H9 rul. ⚡ Semi sextile ♄ natal Saturn

Right now you find it easier to **soften rigid rules you've been following without questioning**, and this actually helps you get more done rather than less. Your practical judgment stays sharp while you become less harsh with yourself about small mistakes or delays. These next few weeks give you a real chance to loosen your grip on control and discover that things still work out fine.

### ☉ Sun · solar H2 rul. ☌ Conjunction ☉ natal Sun

Your sense of what you want from life becomes clearer right now, and you naturally act on it more directly. You feel more confident in social and professional situations, which means people respond better to you. This is a good window to start something new or push forward with a goal you've been sitting on.

### ☉ Sun · solar H2 rul. ♂ Conjunction ♃ natal Neptune

Right now you're more **drawn to imagination and possibility than to facts**, which can make practical tasks feel boring or pointless. You might find yourself daydreaming at work, losing track of time, or making decisions based on how something feels rather than what actually makes sense. These few weeks are a good time to create or reflect, but a poor time to sign contracts or commit to concrete plans without checking the details twice.

### ♀ Venus · solar H4/H11 rul. \* Sextile ♃ natal Jupiter

Right now you find it easier to say yes to social invitations and to be generous with your time and money without feeling like you're overdoing it. People respond well to you these days because you're **more relaxed and approachable**, which opens doors in both your personal relationships and practical opportunities. This period is ideal for asking for what you want or pursuing something you've been putting off, since your confidence and optimism are naturally higher.

### ♀ Venus · solar H4/H11 rul. □ Square ♅ natal Pluto

Right now you may feel drawn into relationships or situations where you want more control than is realistic, and you become frustrated or resentful when you cannot have it. Your **need to dominate or possess** shows up in your romantic life and friendships, creating tension with people who sense your intensity. Over the coming weeks, this pattern will likely push others away unless you notice it and step back from trying to reshape them.

### ☿ Mercury · solar H3/H12 rul. □ Square ♄ natal Chiron

While this lasts, you find yourself **rehashing old hurts in conversations** without meaning to. You say things that accidentally trigger people or bring up painful topics you thought you'd moved past. This period can feel frustrating because your words seem to land wrong, even when you're trying to help or connect.
