It is the foundation all other scores are built on.

## SUN SIGNS COMPATIBILITY

A meeting between the explorer and the builder — one oriented toward expansion, one toward structure. **Sagittarius brings the vision and enthusiasm that Capricorn's ambitions need; Capricorn brings the discipline and persistence that gives Sagittarius's vision a real chance of landing.** Sagittarius resists limits, Capricorn works within them. But the complementarity is genuine, and when both people are secure, the pairing produces an unusually complete combination of ambition and adventure.

## ASPECTS — DOVE & TYRA

### ☉ Dove ♂ ♀ Tyra · Sun Conjunction Venus · 2°51'

There's an immediate **magnetic pull** between them. Dove's *Sun* naturally radiates the qualities Tyra finds deeply attractive—confidence, direction, vitality—and they respond with genuine warmth and admiration. This creates an easy, mutual appreciation where Dove feels valued for who they are, and the other person feels seen and desired, making affection flow without effort.

#### ☉ Dove ✕ ♃ Tyra · Sun Sextile Mercury · 0°22'

The relationship benefits from **natural conversational ease**. Dove's *Sun* brings warmth and clarity that makes the other person feel genuinely heard and valued; they respond by articulating what the first person needs to understand. Their back-and-forth feels effortless—one speaks, the other listens with real interest and then reflects something useful back. This combination tends to build understanding quickly, without tension or talking past each other.

#### ☉ Dove ☐ ♂ Tyra · Sun Square Mars · 0°50'

There's a natural **clash of tempo and will** in this pairing. Dove's sense of purpose and identity can feel threatened by Tyra's directness and drive, triggering defensive reactions rather than mutual support. They may find themselves in cycles where one person's assertion triggers the other's withdrawal—a pattern that demands real awareness to break, but can deepen respect if both learn to see the friction as information rather than attack.

#### ☉ Dove ☐ ♅ Tyra · Sun Square Uranus · 1°16'

This combination creates **unpredictable friction** around identity and commitment. Dove's *Sun* wants consistency and recognition; they're building something stable. But their partner thrives on change and independence, often pulling away just as Dove steps forward. The tension rarely resolves—it cycles. Growth happens only if Dove can tolerate being unsettled, and the other learns that sudden withdrawal feels like rejection, not liberation.

#### ☉ Dove ♃ ♁ Tyra · Sun Semi Sextile NNode · 4°20'

A subtle **natural alignment** exists between them. Dove's core identity gently reinforces the direction Tyra is already moving toward—there's no friction, just a quiet sense of being on the same page. Their *Sun* and *Node* connection creates **effortless mutual recognition**, where the other person feels seen in their growth without pressure or drama.

#### ☽ Dove ♂ ♃ Tyra · Moon Conjunction Mercury · 4°07'

The connection creates **emotional transparency** between them. Dove feels naturally understood by the other person's words and ideas—there's an ease in being heard on a feeling level. Tyra's *Mercury* speaks a language that reaches Dove's *Moon* directly, making conversation feel intimate rather than purely intellectual. What matters is whether they both value this closeness; without it, the other person's need to talk things through can feel like pressure rather than connection.

#### ☽ Dove △ ♀ Tyra · Moon Trine Asc · 2°24'

This combination creates **natural emotional attunement**. Dove's *Moon* reads Tyra's presentation and mood with ease, sensing what they need before they say it. They relax in each other's company—there's no performance required, just a quiet understanding that feels like breathing. The other person feels genuinely seen, not judged, which draws them closer over time.

#### ☽ Dove ⋈ ♄ Tyra · Moon Quincunx Chiron · 3°55'

The relationship carries an **awkward tender spot**. Dove's *Moon* reaches for comfort and reassurance, but Tyra's *Chiron* — their old wound — makes simple emotional exchange feel complicated. Neither person means harm; they simply operate from different vulnerabilities. Conscious effort to name what's actually happening, rather than assume rejection, slowly softens the friction between them.

#### ♃ Dove ⋈ ♄ Tyra · Mercury Quincunx Saturn · 0°57'

Communication requires deliberate translation between them. Dove's *Mercury* moves quickly through ideas and conversation, while Tyra's *Saturn* prefers slow, cautious weighing of words. There's no natural rhythm—they must each consciously adjust: Dove learning to pause and clarify intent, the other choosing to engage rather than withdraw into silence. Without this effort, misunderstandings calcify into **mutual frustration**.

#### ♃ Dove ♃ ♁ Tyra · Mercury Semi Sextile NNode · 2°25'

The connection carries **gentle intellectual support** for growth. Dove's *Mercury* naturally aligns with Tyra's forward direction, offering ideas and perspective at just the right moments without pushing. Their communication style tends to encourage the other person toward new understanding, creating a quiet sense of *mutual ease* in how they talk through what matters.

#### ♀ Dove △ ♄ Tyra · Venus Trine Saturn · 1°51'

The relationship has a rare steadiness built on **genuine commitment**. Dove's *Venus* finds Tyra's *Saturn* deeply trustworthy—there's no need for games or reassurance-seeking. They naturally fall into a rhythm where affection feels reliable and care gets expressed through consistency rather than intensity, creating a bond that actually strengthens over time.
