KEY TRANSIT FACTORS

☉ Sun ☐ Square ♅ Uranus ★

Right now you are more **restless and impatient with routine**, which makes it harder to stick to normal responsibilities or follow through on what you started. You want to break free from constraints, but the practical world does not cooperate, so you feel trapped between what you want to do and what you have to do. This psychological friction can push you toward reckless decisions if you do not find a safe outlet for the urge to rebel.

☉ Sun ☌ Conjunction ♃ natal Jupiter

Over the coming weeks, you feel more **confident in your own judgment** and less likely to doubt your decisions. You probably say yes to opportunities that normally make you hesitant, and you find it easier to speak up in social or professional situations. This confidence is real, though it can fade once the transit passes, so use it to do things that genuinely matter to you.

☾ Moon ☌ Conjunction ♅ natal Uranus

Over the coming weeks, you feel **restless in your normal routines** and want to break free from familiar patterns. You might suddenly rearrange your home, change your schedule without planning, or say things you normally keep to yourself. These impulses are temporary but real, and trying to suppress them usually makes the feeling stronger.

♁ Lilith ☌ Conjunction ♄ natal Saturn

Right now you are more aware of the rules and limits you have accepted in your life, and you may feel **resentful about obligations that once felt normal**. You are questioning whether certain responsibilities actually belong to you or whether you have been following someone else's expectations without thinking. These days this can show up as resistance to authority figures or a blunt honesty about what you will and will not do anymore.

♇ Pluto ☌ Opposition ♀ natal Venus

While this lasts, you may feel **drawn to people or situations that feel compulsive rather than genuinely close**, and existing relationships can feel shallow or unsatisfying by comparison. You might push away someone you care about without fully understanding why, or find yourself attracted to dynamics that involve control or power rather than real connection. These days, your usual way of being likeable or accommodating stops working, and that discomfort is real—but it's also forcing you to ask what you actually want instead of what you think you should want.

♁ NNode ☌ Semi sextile ♀ natal Venus

Right now you find it easier to **say yes to social invitations and connect with people who actually matter to you**. You're noticing that conversations flow more naturally and that you attract people who seem genuinely interested in what you have to offer. These small social wins build a sense that you belong in your own circles again.

♄ Saturn Rx · ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

☾ Moon * Sextile ♀ Mercury

These days your thoughts feel clearer and your feelings find words more easily than usual. You notice you can **explain what you're going through without getting stuck or defensive**, and other people seem to understand you better. This is a good time to have conversations that matter, because both your head and your heart are on the same team right now.

☾ Moon ☐ Square ♄ Saturn

At the moment, you feel **disconnected from people around you**, even when you are with them. Your emotional needs seem to clash with what is practical or realistic, leaving you frustrated. *Moon* square *Saturn* makes you withdraw when you actually need support most.

LUNAR DAY

Moon in ♎ Libra · Day 26 / 30 · Last Quarter

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
