KEY TRANSIT FACTORS

☿ Mercury ☐ Square ♁ natal Chiron ★

While this lasts, you find yourself **rehashing old hurts in conversations** without meaning to. You say things that accidentally trigger people or bring up painful topics you thought you'd moved past. This period can feel frustrating because your words seem to land wrong, even when you're trying to help or connect.

♁ NNode ∠ Semi sextile ♂ natal Mars

Over the coming weeks, you find yourself **more willing to take small risks and speak up for what you want**. People around you seem to respond better to your directness, and you notice you're not second-guessing yourself as much. This is a natural window where your practical confidence gets a gentle push forward, making it easier to pursue goals you've been putting off.

☉ Sun ☒ Quincunx ☾ natal Moon

These days you feel slightly out of step between what you want to do and what you actually need emotionally. Your **restlessness shows up as difficulty settling into routines** that normally comfort you, like your usual sleep schedule or time with close people. Over the coming weeks, small adjustments to how you organize your day will help you feel more aligned with yourself.

♁ NNode ☒ Quincunx ♀ natal Venus

Right now you're noticing a mismatch between what you want in relationships and what actually feels right for you. You might say yes to social invitations or romantic gestures while feeling oddly disconnected from them at the same time. Over the coming weeks, pay attention to what your gut is telling you about your connections, because your head and heart aren't quite lined up.

♃ Jupiter ☐ Square ♄ natal Saturn

Right now you're caught between wanting to expand and feeling held back by practical limits. You may **overcommit yourself** and then run into real obstacles that force you to cut back, leaving you frustrated. These next weeks will test whether you can push forward responsibly or if you'll waste energy fighting against real constraints.

♂ Mars Rx • ♌ Leo

The desire for recognition and creative output is present but blocked or redirected during this period. Ambitions that felt exciting may feel suddenly hollow, or effortful performance yields less response than expected. Reassessing your goals is more honest and productive now than seeking visible results.

♄ Saturn Rx • ♎ Libra

Commitments, contracts, and relationship structures are being reviewed for their genuine fairness and sustainability. Long-standing agreements that have been tolerated rather than honored may surface for honest reassessment. This period asks you to hold yourself to the same standards you expect from others.

☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun ♀ Opposition ♂ Mars

Right now you feel **blocked when you try to act**, as if something outside you is pushing back against what you want to do. People around you seem more irritable and quick to argue, and small disagreements can blow up into real conflict without much warning. This period tests whether you can stay patient with obstacles instead of forcing your way through them.

☉ Sun △ Trine ♄ Saturn

These days you find it easier to follow through on what you say you will do, and people notice your **reliability**. Work feels less overwhelming because you can break tasks into realistic steps instead of getting stuck in your own way. The practical support is there if you use it — the *Sun* trine *Saturn* makes real effort pay off in real results.

LUNAR DAY

Moon in ♊ Gemini · Day 12 / 30 · Waxing Gibbous

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.
