## KEY TRANSIT FACTORS

### ♂ Mars ☍ Opposition ♂ natal Mars

You're running into more resistance than usual right now, whether from other people or from your own body pushing back against what you want to do. **Your natural drive feels blocked or opposed at every turn**, making even simple tasks feel like you're fighting an invisible force. Over the coming weeks, this clash between what you want and what's actually possible will force you to get honest about whether your goals are realistic or whether you're trying to bulldoze your way through something that needs a different approach.

### ♆ Neptune ☍ Opposition ☾ natal Moon

Your **emotional reactions feel unreliable right now**, and you cannot trust your own mood to stay the same from one hour to the next. You might withdraw from people you normally rely on, or say things you do not mean because you are confused about what you actually feel underneath. Over the coming weeks, this fog makes it hard to make decisions about your personal life, and you may end up making promises you cannot keep.

### ♁ Chiron ☐ Square ♀ natal Venus

You may feel rejected or inadequate in your relationships right now, picking up on small slights and interpreting them as proof that you're not lovable. Your usual warmth and charm feel blocked, making it harder to ask for what you want or to enjoy physical affection without second-guessing yourself. Over the coming weeks, this discomfort pushes you to stop abandoning your own needs in order to keep people happy.

### ☿ Mercury ☍ Opposition ♁ natal Chiron

While this lasts, your **self-doubt gets louder when you try to speak up**, especially about topics you normally avoid. You find yourself replaying old conversations where you said the wrong thing or stayed silent when you should have talked. These days you're more likely to second-guess your own words before they leave your mouth, which makes genuine communication harder with people who matter to you.

### ♅ Uranus \* Sextile ♀ natal Venus

Right now you are drawn to people and situations that feel fresh and unpredictable, and this **opens you up to new connections** that break your usual patterns. You might suddenly want to try a different look, spend time with unconventional people, or pursue an interest that surprises you. These shifts feel exciting rather than risky because *Uranus* sextile *Venus* makes change feel natural and aligned with what you actually want.

### ☉ Sun ∟ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

☉ Sun ☌ Semi sextile ♀ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun ☌ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

LUNAR DAY

Moon in ♌ Leo · Day 28 / 30 · Waning Crescent

**The social atmosphere becomes more expressive** these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
