KEY DATE

♁ Chiron enters ♓ Pisces

Chiron in *Pisces* brings **confusion about boundaries** into focus — you notice yourself taking on other people's problems or feeling drained after conversations, and healing starts when you recognize where your feelings end and theirs begin. At work and in relationships, the pattern is **getting tangled up in situations** that aren't yours to fix, which makes people more willing to set actual limits and ask for help instead of managing everything alone. This transit tends to highlight **old shame or disappointment** that surfaces when you're tired or around certain people, giving you a chance to address those wounds rather than just pushing through them.

KEY TRANSIT FACTORS

☾ Moon * Sextile ♀ natal Venus

While this lasts, you find it easier to express affection and say what you actually appreciate about people in your life. Your **warmth comes across naturally**, and others respond well to you without you having to try hard. These days are good ones to reach out to someone you care about or do something kind that you have been putting off.

♀ Venus ∟ Semi sextile ♃ natal Uranus

While this lasts, you feel more comfortable being yourself around people instead of playing a role. You might suddenly be drawn to friends or partners who actually get your quirks rather than those who want you to fit in. This small shift gives you permission to relax and enjoy connections where you don't have to pretend.

☉ Sun ♂ Conjunction ♁ natal Lilith

Right now you're more willing to say no to things that don't feel right to you, and you're doing it without apology or long explanations. You're noticing where you've been bending yourself to fit other people's expectations, and you're starting to push back on that. This **directness** feels refreshing to you, though it might surprise people who are used to you being more accommodating.

♃ Jupiter □ Square ♂ natal Mars

Right now you are more likely to **overcommit and overestimate what you can actually do**, which leaves you frustrated when reality doesn't match your ambition. Your impatience is higher than usual, so small delays or obstacles feel like major blocks, and you may snap at people or push harder than makes sense. Over the coming weeks, learning to slow down and check your assumptions before acting will help you avoid wasting energy on projects that won't actually work out.

♃ Uranus ∟ Semi sextile ♄ natal Saturn

Over the coming weeks, you find it easier to **adjust your plans without feeling like you're losing control**. Small changes to your schedule or approach no longer feel threatening, and you can spot practical improvements you've been putting off. This is a good window to update systems, refresh routines, or try a different method at work without the usual resistance.

☉ Sun ☌ Conjunction ♀ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun △ Trine ♂ Mars

Right now you feel **capable and ready to act** on things you've been thinking about. You have the psychological boost to start projects or push through obstacles without burning out or getting frustrated. This period makes practical effort feel natural instead of forced.

☉ Sun □ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

LUNAR DAY

Moon in ♈ Aries · Day 17 / 30 · Full Moon

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
