KEY TRANSIT FACTORS

☉ Sun * Sextile ☾ natal Moon *

Right now you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your *Sun* and *Moon* are working together, so your instincts match your choices and you trust your gut more readily. Over the coming weeks, people around you will likely respond well because you come across as genuine and settled in yourself.

☉ Sun △ Trine ☉ natal Sun

You feel **naturally confident** in who you are right now, and people respond to that ease in you. Your goals and what you actually want to do line up better than usual, so decisions feel less exhausting. Over the coming weeks you'll probably notice yourself moving forward on things without having to push so hard.

♂ Mars □ Square ♁ natal Chiron

You're more irritable than usual right now, especially when someone points out a mistake or limitation of yours. **You push back harder and faster than normal**, defending yourself before you've even thought it through. Over the coming weeks, this defensive reaction will show you exactly where you're still tender about your own abilities or past failures.

♆ Neptune ♌ Conjunction ♁ natal Chiron

Right now you are more aware of where you feel inadequate or broken, and you may find yourself wanting to help others with similar pain instead of focusing on your own healing. This shift toward **helping others deflect from yourself** can feel noble but often leaves your own needs unmet. Over the coming weeks, watch whether you are actually listening to what you need or just getting lost in someone else's problems.

♁ NNode ♁ Quincunx ♀ natal Venus

Right now you're noticing a mismatch between what you want in relationships and what actually feels right for you. You might say yes to social invitations or romantic gestures while feeling oddly disconnected from them at the same time. Over the coming weeks, pay attention to what your gut is telling you about your connections, because your head and heart aren't quite lined up.

♄ Saturn Rx · ♊ Gemini

Mental discipline and consistency in communication are being tested right now. Projects that require sustained intellectual effort may expose areas where your commitment has been shallow. Returning to half-finished work rewards you more during this period than starting fresh.

☾ Moon ♁ Quincunx ☿ Mercury

At the moment your *Moon* and *Mercury* are at odds, which makes it hard to say what you actually feel without overthinking it first. You might notice yourself **second-guessing your own reactions** or explaining your emotions in ways that don't quite fit the actual situation. This awkward angle between emotion and thinking tends to create mild frustration until you accept that some feelings just don't translate neatly into words.

› Moon Δ Trine ♃ Jupiter

Right now you feel more **generous and open to others** than usual, and people pick up on that. You're more likely to say yes to plans, share what you have, and give people the benefit of the doubt. This is a practical time to strengthen relationships because you're not defensive or withdrawn.

› Moon * Sextile ♄ Saturn

These days you find it easier to **stick to what matters** and ignore what doesn't. Your emotional reactions are quieter and more measured, which means you can actually listen to people instead of just reacting. This period gives you the practical steadiness to follow through on commitments without needing constant reassurance.

LUNAR DAY

Moon in ♈ Aries · Day 14 / 30 · Waxing Gibbous

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.

CLOTHING & JEWELRY
