KEY TRANSIT FACTORS

☾ Moon * Sextile ☉ natal Sun ★

You feel **more comfortable with yourself** right now, which makes it easier to speak up in conversations and take small actions you have been putting off. Your mood is steady enough that you can actually listen to other people instead of getting caught up in your own concerns. While this *Moon sextile Sun* lasts, things that usually feel difficult—like asking for help or sharing what you think—feel more natural.

☿ Mercury qx Quincunx ☉ natal Sun

Over the coming weeks, you'll notice your usual way of explaining yourself doesn't quite land the way it normally does. You may find yourself **rewording things multiple times** or feeling like people are missing your point even when you think you're being clear. This awkward fit between what you're trying to say and how others receive it will likely frustrate you until the transit passes.

♃ Jupiter ∟ Semi sextile ♁ natal Chiron

While this lasts, you feel more **willing to ask for help** with something that has bothered you for a while. *Jupiter* is gently opening a door that *Chiron* has kept closed, and you notice you're less defensive about admitting what hurts. Over the coming weeks, this small shift in attitude can lead to real conversations or actions that actually move you forward.

♁ NNode □ Square ♆ natal Neptune

Right now you are drawn to **vague promises and unclear commitments** that later fall apart, leaving you frustrated and mistrustful. Your instinct to believe in people's good intentions keeps colliding with the reality that they have not actually committed to anything concrete. These days the gap between what you hope will happen and what people are actually willing to do feels wider than usual, and it is making you question whether you are naive or whether others are simply evasive.

♀ Venus □ Square ♇ natal Pluto

Right now you may feel drawn into relationships or situations where you want more control than is realistic, and you become frustrated or resentful when you cannot have it. Your **need to dominate or possess** shows up in your romantic life and friendships, creating tension with people who sense your intensity. Over the coming weeks, this pattern will likely push others away unless you notice it and step back from trying to reshape them.

♃ Jupiter Rx · ♉ Taurus

Material growth and financial expansion slow during this period, encouraging a more careful review of resources and values. Over-commitments made in a spirit of optimism may now feel burdensome. Consolidating what you have is more productive now than reaching for more.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun △ Trine ♂ Mars

Right now you feel **capable and ready to act** on things you've been thinking about. You have the psychological boost to start projects or push through obstacles without burning out or getting frustrated. This period makes practical effort feel natural instead of forced.

LUNAR DAY

Moon in ♍ Virgo · Day 23 / 30 · Last Quarter

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
