♊ North Node	in	♒ Aquarius	16°31'23"	VII Rx
♁ Lilith	in	♎ Libra	3°03'14"	III

## KEY TRANSIT FACTORS

### ♂ Mars △ Trine ♀ natal Venus · peak 11 Jan ★

Right now you find it much easier to **ask for what you want** without feeling guilty or defensive about it. Your social confidence is naturally higher, and people respond well to the directness and warmth you're putting out. Over these coming weeks, you might notice yourself saying yes to invitations or making plans you'd normally hesitate about, and things tend to go smoothly when you do.

### ♊ NNode ☾ Quincunx ♄ natal Chiron · peak 1 Jan

Over the coming weeks, you may notice that **old insecurities are surfacing in new situations**, especially when you are trying something unfamiliar. You feel aware of your weak spots but also slightly out of sync with how to address them. This mismatch between knowing what bothers you and knowing how to move forward can make practical decisions feel awkward or indirect.

### ♄ Saturn □ Square ♃ natal Mercury · peak 9 Jan

Right now your thinking feels slower and more careful than usual, and you may struggle to express yourself clearly to others. **You second-guess your words** before speaking, worry that what you say will be misunderstood, and find it harder to explain ideas that felt obvious before. These mental delays and doubts will pass once this transit moves on, but while it lasts you'll need to accept that communication takes more effort and patience.

### ♄ Chiron □ Square ♊ natal NNode · peak 11 Jan

Right now you're bumping up against old patterns that feel protective but are actually holding you back from what you actually want. You notice yourself reverting to familiar ways of handling social situations or work challenges, even though you know these approaches don't serve you anymore. Over the coming weeks, this friction will push you to question why you keep choosing the safe route instead of moving toward the direction that genuinely interests you.

### ♁ Lilith ♂ Conjunction ♁ natal Lilith · peak 11 Jan

Right now you're more aware of where you've been bending yourself to fit in with others, and you feel less willing to do it. You're noticing situations where you've accepted less than you want, and **you're more likely to speak up or remove yourself instead of staying quiet**. Over the coming weeks, expect friction in relationships or settings where you've historically compromised on what matters to you.

### ♃ Jupiter □ Square ♃ natal Jupiter · peak 25 Jan

Right now you're caught between wanting to expand too fast and hitting real practical limits. You overestimate what you can handle, say yes to too much, and then feel frustrated when reality doesn't cooperate with your plans. These friction points are teaching you where your actual resources end, but the lesson feels annoying rather than helpful **while it lasts**.

### ♅ Uranus qx Quincunx ♃ natal Moon · peak 21 Jan

Your emotional needs are shifting in ways that don't quite fit your usual routines, leaving you feeling **restless and out of step with how you normally operate**. You might suddenly want different things from your home life or relationships, but you're not entirely sure what those things are yet. Over the coming weeks, expect some practical awkwardness as you adjust to what you actually need rather than what you thought you needed.

### ♄ Saturn ☌ Conjunction ♆ natal Chiron · peak 1 Jan

Right now you are **taking your old hurts more seriously** instead of brushing past them. You might find yourself wanting to understand where your sensitivities came from, or noticing that certain situations trigger you in ways you have not examined before. This period asks you to stop and look at what actually bothers you, rather than just moving forward as you normally do.

### ♃ Jupiter qx Quincunx ♇ natal Pluto · peak 23 Jan

Over the coming weeks, you may feel **restless with situations you thought were settled**, wanting to change things that previously felt stable or important to you. Your confidence in what you control grows, but it doesn't match up neatly with what's actually possible right now, leaving you frustrated. These misalignments between what you want to reorganize and what the real world allows are the main friction you'll notice while *Jupiter* stays at odds with your *Pluto*.

### ♁ NNode \* Sextile ♿ natal Mercury · peak 1 Jan

Over the coming weeks, you find it easier to say what you actually think instead of holding back. Your conversations feel more natural and people seem to listen better when you speak. This period supports **clearer communication**, especially about topics that matter to you, as *the North Node* smooths the way for *Mercury* to work at its best.

### ♇ Pluto ☐ Square ♃ natal Moon · peak 31 Jan

You feel unusually disconnected from people you're close to, as if you cannot quite let them comfort you the way you normally would. Your **emotional walls go up automatically**, and you may withdraw or push away support even when you need it. Over the coming weeks, this psychological distance can strain your relationships unless you notice what is happening and make an effort to stay connected despite the discomfort.

### ♅ Uranus △ Trine ♅ natal Uranus · peak 31 Jan

While this lasts, you find it easier to **accept change without resisting it**, and situations that would normally feel unsettling instead feel like natural next steps. You might suddenly see a practical way to break a habit, update an old routine, or move toward something you've been thinking about for months. This period gives you the psychological flexibility to experiment with new approaches and trust your instincts about what needs to shift in your life right now.

### ♆ Neptune \* Sextile ♆ natal Neptune · peak 31 Jan

You find it easier right now to **notice patterns in your own thinking** without getting caught up in them. Your intuition about what people need from you becomes clearer, and you can offer support without losing yourself in their problems. Over the coming weeks, this practical clarity about emotional situations helps you make better choices about who and what deserves your time.

### ♇ Pluto qx Quincunx ☉ natal Sun · peak 1 Jan

These days you feel pulled to change something about yourself or your life, but the direction isn't clear yet. You might notice **restlessness in how you present yourself** to others, or a sense that your usual way of handling things no longer fits. Over the coming weeks, small adjustments to your routine or how you assert yourself will feel more natural than any dramatic overhaul.

### ♆ Neptune △ Trine ♄ natal Saturn · peak 31 Jan

Right now you find it easier to stick with practical plans without getting frustrated by delays or setbacks. **You stay calm under pressure** and actually follow through on responsibilities that usually feel like a burden. This period gives you a real chance to build something solid, whether that's finishing a project, organizing your life, or keeping commitments you normally struggle to maintain.

### ♀ Venus Rx · ♒ Aquarius

The role of freedom and individuality in your closest relationships comes into sharp focus during this period. Connections that require too much compromise of your independence feel unsatisfying now. Use this time to clarify what you genuinely need in partnership rather than settling for what is available.

\* = natal resonance — this transit echoes your birth chart, amplifying its influence

## PROGRESSED MOON

---

○ Progressed Moon in ♌ Leo 27.6° H2

○ Progressed Moon ☐ Square ♃ natal Jupiter

## LUNATIONS

---

○ Full Moon · Monday, 12 Jan

**in ♋ Cancer**

emotional culmination, family matters, inner needs surface

**in H1 — Self & Identity**

Something significant about your identity and self-presentation is coming to a head. A situation that has been developing is now reaching a **turning point involving your confidence, independence, or personal direction**. Others see you clearly now — which can bring recognition but also reveals whatever you've been projecting unconsciously. Decisions made at this peak about how you want to show up in the world will carry lasting weight. Your personal needs deserve to come first.

● New Moon · Wednesday, 28 Jan

**in ♒ Aquarius**

innovation, social ideals, future direction

**in H7 — Partnerships**

A significant new chapter in your one-on-one relationships is beginning. Whether in **romantic partnership, business collaboration, or important agreements**, this lunation plants seeds that will mature over the next six months. The people you meet or commit to now carry lasting significance. If you've been considering a serious conversation with a partner or are ready to formalize a collaboration, this is the most supportive moment to take that step.

**KEY DATES**

**Thu, 1 Jan** ♄ Saturn ☌ Conjunction ♁ natal Chiron

♊ NNnode ✕ Sextile ♀ natal Mercury

**Sun, 4 Jan** ♁ Lilith ☌ Conjunction ♁ natal Lilith

**Fri, 9 Jan** ♄ Saturn ☐ Square ♀ natal Mercury

**Sat, 10 Jan** ♀ Venus enters ♑ Capricorn

*Venus* in *Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

**Sun, 11 Jan** ♁ Chiron ☐ Square ♊ natal NNnode

♁ Lilith ☌ Conjunction ♁ natal Lilith

**Mon, 12 Jan** Full Moon in Cancer

♄ Saturn ☌ Conjunction ♁ natal Chiron

♊ NNnode ✕ Sextile ♀ natal Mercury

**Tue, 13 Jan** ♀ Mercury enters ♑ Capricorn

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

**Sun, 18 Jan** ♇ Pluto ☐ Square ☾ natal Moon

**Mon, 19 Jan** ♁ Chiron ☐ Square ♊ natal NNnode

**Tue, 20 Jan** ☉ Sun enters ♒ Aquarius

*Sun* in *Aquarius* brings a **shift toward independence** and a stronger need to do things your own way instead of following the usual pattern. At work and in conversations, you'll **notice people speak up more** about ideas that feel different or go against what everyone expects. In relationships and friendships, **distance often increases** slightly as people pull back to focus on their own projects and interests rather than staying close to the group.

**Sun, 25 Jan** ♂ Mars enters ♓ Pisces

♃ Jupiter ☐ Square ♃ natal Jupiter

*Mars* in *Pisces* tends to **blur your usual drive**, making you less direct about what you want and more likely to drop hints instead of stating things plainly. At work or in relationships, people often notice they're **slower to push back** on things that bother them, or they take longer to make decisions because competing feelings keep shifting their mind. The pattern is that **physical energy dips** — you might feel less urgent about exercise or tasks, preferring to move at an easier pace until something emotional finally lights a fire under you.

**Wed, 28 Jan** New Moon in Aquarius

**Thu, 29 Jan** ♆ Neptune enters ♒ Aquarius

*Neptune* in *Aquarius* makes people **question what they've accepted without thinking**, especially in tech, groups, and how information moves around them. At work and in friendships, you'll notice more **confusion about who's being straight with you**, since this placement blurs the line between idealism and what's actually true. Over the next years, **collective movements and online spaces** become harder to read — what looks authentic often isn't, and what seems certain shifts constantly.

Sat, 31 Jan ♅ Pluto ☐ Square ♃ natal Moon
