KEY TRANSIT FACTORS

♊ NNode △ Trine ♀ natal Venus · peak 1 Dec ★

Right now you find it easier to **say what you actually want in relationships** instead of hiding your needs. People respond well to your honesty because you're not aggressive about it, just clear. Over these coming weeks, you may notice others treating you with more warmth and respect when you show up as your authentic self.

♂ Mars △ Trine ♀ natal Venus · peak 29 Dec ★

Right now you find it much easier to **ask for what you want** without feeling guilty or defensive about it. Your social confidence is naturally higher, and people respond well to the directness and warmth you're putting out. Over these coming weeks, you might notice yourself saying yes to invitations or making plans you'd normally hesitate about, and things tend to go smoothly when you do.

♄ Saturn ♂ Conjunction ♆ natal Neptune · peak 31 Dec

Right now you feel less inclined to daydream or escape into fantasy, and instead want to deal with practical reality. You may notice that vague plans or wishful thinking that once appealed to you now feel pointless, making you **more direct and realistic about what you can actually accomplish**. Over the coming weeks, this clarity can help you sort out which goals are worth your time and which ones were just pleasant distractions.

♁ Chiron ∟ Semi sextile ♁ natal Chiron · peak 29 Dec

You find yourself more willing to talk about things that normally feel difficult or private, and people respond better than you expected. This period brings a quieter kind of confidence where you stop pretending everything is fine and actually **admit what you struggle with**. Small conversations about real problems start to shift how you feel about yourself and what you thought you had to hide.

♊ NNode △ Trine ♊ natal NNode · peak 2 Dec

Right now you find yourself **naturally moving toward people and situations that feel right for you**, without having to force or overthink the decision. You meet someone useful or stumble into an opportunity that aligns with what you actually want to be doing. This period supports you in following your instincts about where to put your effort, and doors tend to open when you do.

♄ Saturn ♂ Conjunction ♃ natal Jupiter · peak 2 Dec

You're feeling more cautious about plans you were excited about recently, and you're questioning whether they're actually realistic. Your usual confidence is being tempered by a practical voice that asks harder questions about timelines, costs, and what could go wrong. **You become more realistic about what you can actually deliver**, which might slow you down but also stops you from overcommitting.

♄ Saturn ☌ Opposition ♄ natal Saturn · peak 31 Dec

You're running into **resistance from people in authority or from your own past commitments** right now, and it feels like the ground is shifting under you. What used to work—your routines, your long-term plans, the way you've always managed things—suddenly feels outdated or too restrictive. Over the coming weeks, you'll need to rebuild your approach to discipline and responsibility, which means letting go of some habits that no longer serve you, even though that discomfort is real and legitimate.

♄ Chiron △ Trine ♃ natal Mercury · peak 31 Dec

You find it easier to talk about your own struggles and listen without judgment when others share theirs. Your conversations tend to be more honest and direct, and people seem to appreciate your **practical, grounded way of discussing difficult topics**. Over the coming weeks, this natural clarity helps you connect with people on a real level instead of staying stuck in surface talk.

♄ Saturn * Sextile ♇ natal Pluto · peak 1 Dec

You find it easier to **stick with difficult changes** right now without feeling overwhelmed by them. This period supports you in handling practical problems that need real commitment, like restructuring your finances or ending a relationship that no longer works. *Saturn* and *Pluto* are helping you make tough decisions with a clear head and then follow through without second-guessing yourself.

♆ Neptune △ Trine ☼ natal Sun · peak 31 Dec

While this lasts, you feel more **comfortable being yourself around others** without needing to explain or defend who you are. People seem to understand you more easily right now, and conversations flow naturally because you're not trying so hard to fit in. This is a good time to express creative ideas or talk about what actually matters to you, since your words carry a gentler weight that draws people in.

♇ Pluto □ Square ♄ natal Chiron · peak 31 Dec

Right now you're bumping up against old wounds that usually stay quiet, and it feels uncomfortable because you can't just ignore them the way you normally do. You might find yourself **overreacting to small slights or feeling defensive** about situations that wouldn't usually bother you. Over the coming weeks, this friction is forcing you to look at how you protect yourself—not to fix everything at once, but to notice where your defenses are actually holding you back from connecting with other people.

♃ Jupiter ☌ Opposition ♃ natal Mars · peak 31 Dec

These days you're more likely to overcommit and then resent the people asking things of you, even though you said yes. Your impatience is high and **you push hard on goals without checking if you're actually moving in the right direction**. Over the coming weeks, small frustrations pile up into real conflicts because you're acting faster than you're thinking.

♁ NNode □ Square ♃ natal Mercury · peak 31 Dec

Right now you're running into friction between what you want to say and what actually comes out, leaving conversations awkward or misunderstood. **You second-guess yourself constantly**, rewriting messages in your head and struggling to explain your real thoughts clearly to others. Over the coming weeks, this mismatch between your thinking and your ability to communicate will force you to slow down and pay closer attention to how you're actually being heard.

♇ Pluto ☌ Opposition ♃ natal Mercury · peak 31 Dec

Right now you're experiencing **intrusive thoughts and difficulty trusting what you think you know** — conversations feel loaded, and you second-guess your own words before you say them. Your mind is working overtime to find hidden meanings in what others tell you, which can make ordinary exchanges feel exhausting or even paranoid. This period pushes you to examine whether your thinking has become too rigid, but the discomfort of doing so is real and will last several weeks.

♅ Uranus ☌ Conjunction ♄ natal Chiron · peak 1 Dec

You're noticing old patterns or habits that no longer work, and you feel a sudden urge to break free from them rather than manage them as you usually do. This impulse to change can feel **urgent and restless**, making it hard to stick with your usual coping methods. Over the coming weeks, you may find yourself experimenting with completely different approaches to problems you thought you had figured out.

KEY DATES

Mon, 1 Dec ♂ Uranus ☌ Conjunction ♁ natal Chiron

Tue, 2 Dec ♃ NNode △ Trine ♃ natal NNode
♄ Saturn ☌ Conjunction ♃ natal Jupiter

Fri, 5 Dec ♂ Mars enters ♒ Aquarius

Mars in *Aquarius* pushes people to **act on ideas** rather than emotions, so you'll notice a shift toward logical problem-solving and less patience for traditional ways of doing things at work or in groups. In relationships and conversations, this transit brings **directness about independence** — people tend to state what they want without softening it, which can feel refreshing or blunt depending on who you're talking to. The pattern is that **group projects and teamwork** become more appealing than solo efforts, even though *Mars* here makes people more willing to disagree with the group if they think something's wrong.

Sat, 6 Dec Full Moon in Gemini

Tue, 9 Dec ♃ Jupiter stations Retrograde

Jupiter stationing retrograde often brings a **pause in expansion plans** — job offers stall, travel gets delayed, or educational programs require extra paperwork. At work and in finances, this is when you'll notice yourself **reviewing past decisions** rather than pushing forward, and opportunities that seemed certain can shift or require renegotiation. Growth doesn't stop during this period, but it tends to happen **quietly through reflection**, and real progress usually resumes once *Jupiter* turns direct again.

Thu, 11 Dec ♀ Venus enters ♑ Capricorn

Venus in *Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

Mon, 15 Dec ♃ NNode △ Trine ♃ natal NNode

Wed, 17 Dec ☿ Mercury enters ♑ Capricorn

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Sun, 21 Dec ♁ Chiron △ Trine ☿ natal Mercury

♆ Neptune △ Trine ☉ natal Sun
♇ Pluto □ Square ♁ natal Chiron

Mon, 22 Dec ☉ Sun enters ♑ Capricorn

♄ Uranus stations Direct
New Moon in Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a

push for efficiency over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Wed, 24 Dec ♄ Saturn enters ♐ Sagittarius

Saturn in *Sagittarius* makes people **take their plans seriously** instead of just talking about them—you'll notice more follow-through on work projects, travel plans, and education goals. Relationships often **get more real** during this time, as casual connections either **deepen into commitment** or fade naturally because people stop settling for surface-level connections. At work and in daily routines, **structure and clear rules** suddenly feel less like obstacles and more like practical tools that actually help you get things done.
