♁ Lilith	in	♎	Libra	3°03'	♁ Lilith	in	♐	Sagittarius	8°39'

## SOLAR ANALYSIS

### Solar ASC ♐ Sagittarius → natal H5 — Creativity & Romance

This is a year rich in **creative energy, romance, joy, and self-expression**. The Solar Return Ascendant here turns the year into a celebration of what makes life worth living — love affairs, artistic projects, children, and anything that sparks genuine enthusiasm. You're more visible, more playful, and more willing to take creative risks. **Following what genuinely delights you** is not a luxury this year — it's the engine that drives everything forward.

### Dispositor ♃ Jupiter → ♄ Capricorn · natal H7 — Partnerships

With the dispositor in the seventh house, the year's energy **moves through relationships and significant others**. Partners, collaborators, and one-on-one connections become the primary context. Whatever the year's main theme, it will be activated, tested, or fulfilled through your closest relationships. Pay close attention to who enters your life this year — **other people are the mirror and the mechanism** for this year's growth.

### ♃ Jupiter · solar H1/H2 rul. ♃ Quincunx ♀ natal Venus

Right now you're noticing that what you want socially or romantically doesn't quite fit with what you're actually doing about it. You might feel **pulled in opposite directions**—generous impulses clash with practical limits, or you're generous in ways that don't land the way you hoped. Over the coming weeks, small adjustments to how you show up in relationships will feel more natural than pushing harder in any one direction.

### ♁ NNode ♂ Conjunction ♂ natal Mars

Over the coming weeks, you're more likely to **act on something you've been thinking about instead of sitting with it**. You feel a natural push to test your limits and take direct steps toward what matters to you. This isn't recklessness—it's your ability to move forward becoming sharper, so use it for practical goals rather than impulsive decisions.

### ♁ Chiron ♂ Conjunction ♂ natal Mars

Right now you're noticing where you push too hard or hold back too much when you act. You might feel frustrated with yourself for either charging ahead without thinking or for being too cautious, and this **self-awareness about your own aggression** is temporary but useful. Over the coming weeks, pay attention to how you actually handle conflict or physical effort instead of assuming you know what you'll do.

### ♂ Mars · solar H6 rul. ♄ Semi sextile ♇ natal Pluto

Over the coming weeks, you'll notice a **quiet increase in your ability to push past what usually holds you back**. *Mars* is giving *Pluto* a helpful nudge, and you'll find yourself taking small decisive actions in areas where you've felt stuck or powerless before. This isn't aggressive or dramatic—it's more like discovering you have a bit more psychological backbone when you actually need it.

### ♀ Venus · solar H12 rul. ☐ Square ♂ natal Uranus

Right now you're restless in your relationships and find it hard to settle into routine affection or commitment. You might **push away people who want closeness** or suddenly lose interest in someone who was important to you last week. This friction between wanting freedom and being expected to show up consistently will test your patience and theirs over the coming weeks.

### ☉ Sun · solar H10 rul. ♂ Conjunction ☉ natal Sun

Your sense of what you want from life becomes clearer right now, and you naturally act on it more directly. You feel more confident in social and professional situations, which means people respond better to you. This is a good window to start something new or push forward with a goal you've been sitting on.

### ♂ Mars · solar H6 rul. ☐ Square ♃ natal Jupiter

You're more likely to overcommit right now, saying yes to things without thinking through what you actually have time for. Your impatience makes you **push forward recklessly**, and you end up wasting energy on projects that won't pay off or overselling your abilities to others. These days the gap between your confidence and your actual capacity becomes obvious, usually when you've already promised more than you can deliver.

### ☾ Moon · solar H9 rul. ☐ Square ☉ natal Sun

Right now you're feeling **irritable with the people closest to you**, even when they haven't done anything wrong. Your mood swings are making it hard to stick to your normal routines, and small frustrations at work or home feel much bigger than they actually are. These next few days or weeks will test your patience, but once this passes you'll see more clearly what actually bothers you and what doesn't.

## ECLIPSES & LUNATIONS · 2008
